

ALPHA+OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

God's Chastisement is soon because everyone is just thinking of themselves, living for the flesh, not the spirit

27/02/2012

Father God

[After a private conversation with Jesus and Father God about a clergyman...]

Know that my children priests, cardinals, bishops, the pope, clergy, laymen and nuns are going to be heavily attacked. The enemy is walking free amongst my children to prey. Oh, it is very horrific what he does to trap my children, my people.

My son _____ has been innocently trapped. He is very devoted to us in heaven and my Son has placed him in his heart. He is taking care of his ordeal. He will walk free again from all these accusations. Thank you – do not be sad or concerned about not being able to relay the message. My Son Jesus knows all the reasons – you are free from that task.

My Petal, there are many more concerns for this futile, perilous world because of so many sins of my people. There is so much to pray about for this entire world. Oh, soon my Son's hand will fall down in Chastisement because of what my people are going through in their lives. Everyone just thinks about themselves for their gain. They do not care who they hurt as long as richness is their only concern, but not the richness of their souls.

My Petal, I, your Father, I watch every day when my Son Jesus brings to me my people in damnation of sins to be judged: it is very painful to watch my Son in pain, seeing where they are going for eternity. Pray the prayers of sinners, souls in purgatory and the one given only to you ...private message removed..

Mother Mary

My daughter, I, your Mother Mary, I am here to converse with you, my little earthly angel.

I, your Mother Mary, I see your aching heart about your daily life, about having nothing in your purse. Know that my Son has a reason for all these causes but very soon he will bring joy to your aching heart.

My child, I, your Mother, I am here, much concerned about this dismayed world, about what is soon going to happen to this world: the cyclone, the volcanoes of water and many deaths of many of my children. They will be in peril because of not believing that my Son Jesus Christ is their saviour. They are just living for the flesh, not the spirit. They are just concerned about who has more material things than them. My Petal, pray. I, your Mother Mary ask you this again.
