

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

### **Father God**

Thank you, my daughter, for sitting with me, your Father God, my Son Jesus, the Holy Spirit and Blessed Mother Mary. My little one, let's conclude our conversation from last night at the Life in the Spirit Seminar.

My child, I, your Father, I am here to explain to you and all my people about Confession. What is Confession? My people, I, your Father God, am going to explain more profoundly about the meaning of Confession and what it does to my people's lives.

My people, my children, I, your Father, say to you that Confession is a beautiful Sacrament, entrusted by my Son Jesus, not from man. Confession is the key for your salvation. It is the salvation of your soul when you come to eternal life. My children, Confession is the most beautiful Sacrament to cleanse your soul, your spirit, to bring new life to your soul. It's the most consecutive Sacrament that my children should obey and respect, it's the saviour of your soul. It purifies, cleanses and brings you closer to my Son's heart, to his Kingdom. Confession is a purifying Sacrament so that after you have been to confess all of your sins with a contrite heart, you can receive my Son's Precious Body and Blood worthy of him.

When my people never come to Confession, it's because of fear of rejection, embarrassment of confessing their sins. Know, my children, when you come into the Confession box with my son priest, you are sitting in front of my Son Jesus' Holy Face. He is present in every Confessional to absolve you of all your sins. My Son Jesus Christ hears every word in the Confession box. His joy is to hear all of your sins with repentance in your contrite heart. Do not hide any of your sins because my Son Jesus Christ listens to you – he knows your heart, what you are thinking at that precise moment. He is invisible to all of you, but he sees you. He answers your questions through my son priests, the Holy Spirit within them. They answer all of your questions and doubts. Know, that when my son priest blesses you and asks you to say the Act of Contrition, blessing you with the Sign of the Cross, know, my children, that it's my Son Jesus who, in that moment, is absolving you from all of your sins – even the most scarlet sins of your entire life. My Son is so merciful. He absolves you from all those horrendous sins. He embraces you. He caresses you when you come to that confession box. He then says to you, "Thank you, thank you, my child. I love you. Thank you for this sincere, honest, humble Confession." These are my Son's solemn words to his precious children.

Come my people, come to Confession. Do not fear anything. Don't let the enemy win this warfare to gain souls, because my Son's aim is to see you all sitting next to him in his Kingdom.

My people, respect all of my son priests. Pray intensely for them. They need your intense prayers because they are human with humanly bodies. The enemy is always waiting for an opportunity to enter, to destroy my son priests and everything that belongs to my Son. The Church, temples, cardinals, bishops and our holy pope, they are all under heavy attack from the adversary and only your prayers can combat this warfare. Oh, Mother Mary always pleases to all of her children to pray, pray the Rosary, pray as a family. The Hail Mary is the strongest weapon against the enemy. Pray for my son priests. Do not criticise them. My Son Jesus is their judge, like he is the judge of all of you. Know that my Son Jesus has given a special authority to our priests, a unique blessing upon our priests on the day of their Ordination to hear Confessions and to absolve you all from your sins in his holy name. Oh, my people, do not say, "Why must I confess my sins to a man?" Oh, they are special children with special gifts entrusted to them to help you to be free of sin, to come to my Son's Holy Mass, to receive my Son's Precious Body and Blood worthy of my Son Jesus.

Oh, my Son's pains are unbearable. Oh, to see him enter my people's hearts who are unworthy of him, it's like piercing my Son Jesus again with a crown of thorns, because my Son Jesus knows each one of you who approach to receive him. He already knows how your heart is. He knows you are going to pierce him with pain.

Come, my precious children. I, your Father and my Son, we are not judging you when you come to Confession, nor are my son priests. We want you to be saved, to join one day in the glory of heaven. Oh my Son's Kingdom is beautiful – do not let go of this beautiful, unique paradise.

I, your Father God, I am here in love to you all, to say, "Come to my Son's heart." He is waiting for you in that Confession box. It's my Son's gifts, God's gifts of love to all of you, for this seminar and for all eternity.

I came to relay this to you my people, God's gifts, through my humble servant, my Son's messenger.

[Fernanda] *Thank you, my adorable Father God. I love you. Thank you for God's gifts to all of us.*

My child, my Petal, I want you to relay at this seminar this message of God's love to all my people. Do not keep it to yourself.

My Son Jesus, he is here to converse with you.

### **Jesus Christ**

My Petal, I thank you for your time sitting with my Father and me, your Jesus. I see today that you were exhausted, you could not open your eyes. I allowed you to rest.

I see you are concerned about your dream. Yes, my child, pray the prayers of protection every day for your mission. From now on, you need protection, a shield for your mission, because the enemy is always looking for a gap to enter in my children's lives, especially the ones closer to my heart. You are well aware of this.

My Petal, my Father gave you a beautiful message about Confession. My Petal, I, your Jesus, want you to relay this to all of my children, especially at this seminar.

My child, I your Jesus, I want to also relay my message at this week's seminar. What are God's gifts? Well, God's gifts are love, unity, peace and understanding to all of my children all over this world. My gifts to all my children are for them to receive me worthy of love, not to neglect me, to come to my

heart and to surrender completely to me. I have placed many gifts on all of my children, but the most important ones are these ones that I mention. God's gift is for them to forgive one another, that's the most important gift – God's gifts to love one another, especially at this time of Lent, because God gave them all of these gifts, but they don't practise them. They don't honour them in their lives. They keep them closed in their drawers. I, your Jesus, the Holy Spirit and my Father – the Triune God – have given them all of these gifts, but my children abuse these gifts from God. Oh my Petal, it hurts us in heaven to see this disdain, forgetfulness towards God's gifts. Relay at this seminar to love, respect, honour and praise [God for] all of God's gifts [that have been] given to all of you with such a caring, loving heart, the heart of the Holy Trinity, the Holy Spirit upon them all. Amen.

Thank you, my humble servant. Oh, it was wonderful to see many of my children coming to Confession with contrite hearts. Oh, many of them had not been to Confession for many long years. See, my Petal, I, your Jesus, I was waiting patiently for my sheep, my scattered flock, to come back to me, to my home. Oh, I recollected them in my arms with so much joy. I embraced them tenderly. Oh, I had tears of joy in my eyes, so did my Mother Mary for this special, wonderful night of reconciliation with me, your Jesus Christ, their Saviour.

Thank you, my precious Andorinha<sup>1</sup> for this time spent with me, your Jesus Christ. I love you all, my *rebanho*<sup>2</sup>.

[Fernanda] *My Jesus, I love you. Thank you for this special message to all of us.*

My Petal, relay this message as well at this seminar. Do not fear. Do it in my holy name. Do not be accountable for souls that you can save through me, your Jesus, for my honour and glory.

My Blessed Mother, she is here to converse with you.

### **Mother Mary**

My Andorinha, thank you for your time spent with my Son Jesus and our Father.

My little one, I, your Mother Mary, I was waiting for you. Oh, yesterday you couldn't open your eyes. I do understand, but know, my child, the days that you don't converse with us, my Son Jesus, our Father and me, and the Holy Spirit – he is always present with us – we miss our little parrot, our balm to our hearts. You bring love, peace and calmness to our hearts because of so many pains caused by our children. You bring to us relief, *alívio*<sup>3</sup>. You alleviate all of this in our hearts through the love, peace and calmness. You are our joy with your sincere heart. When you pray for our children, you pray with your heart. Oh, you desire to see all my children well. You are our prayer warrior. You pray to us in heaven. Never doubt your gifts, your capacity in heaven. We heard all the prayer requests from all our children.

My daughter, I, your Mother Mary, I am here to convey a message to my son Pierre.

My son Pierre, I, your Mother Mary, I am here to relay a message to you about my love for you, to say thank you for the beautiful, wonderful testimony about your love for me and my Son Jesus. My son Pierre, I, your Mother Mary, Mommy, I am here in awe of love, love for your sincere, courageous adequate testimony to help my children to see how great my Son Jesus' love is, and my love, to infill my children to pray the Rosary, to explain to them the importance of the Rosary in their lives. Thank

you for explaining in detail how you encountered me, how you allowed my Son Jesus and I to come and enter your heart.

My son Pierre, I want to say thank you to your spouse, my devoted daughter Jamana for planting the seed in your dried heart. Oh, your heart was very dry, but my daughter Jamana, she was placed to be your loved spouse to help you to come into this journey of your faith and love towards me, your Mother Mary, and for my son priest Father George to be the balm, to teach you your first steps to start walking to your first encounter with me, your Mother Mary. But you, my son Pierre, you obeyed, listened, to my call when I touched your heart with my love. You allowed my Son Jesus and I to enter it.

My son Pierre, my Son Jesus is here to relay a message to you.

### **Jesus Christ**

My devoted son Pierre, I, your Jesus of Nazareth, I am here to say thank you for your sincerity and humility of your heart to infill my children with your testimony on how you found me and my Mother in the darkest time of your soul. Know, that during that time when you felt you were a dry soil, an empty vessel, you had nothing to offer me and my Mother, I was with you. I sent some angels to cleanse your surroundings. Oh, your soul was dry with so many bad weeds, but they cleansed, they separated the bad weeds, they scattered the soil and they planted new, perfect [plants], not contaminated weeds, to grow in the soil that has been scattered, mixed, with a beautiful dew of my Mother's love, my love, my Father and the Holy Spirit's – the Triune God's. Then, everything that was dry upon your heart died, and a new, beautiful garden was planted to bring a new life, a new beginning to your life. Oh, thank you for coming closer to my Mother, for loving my Mother with your love. When you love me, you love my Mother. Know, my son, when you were on the dark road with no light, I was with you. I gave you my hand, I guided you at the crossroads. I picked you up when the road was too rocky. I never left you alone, I never abandoned you. I was your light to illuminate your road to a new life, to your salvation. I am the Alpha and Omega of all my children. I love you all, just allow me to come closer to you.

I give you my peace, my peace I give to you, your loved ones and upon this entire, chaotic world.

### **Mother Mary**

My son Pierre, I, your Mother Mary, I say thank you for this beautiful dialogue of your love, faith, courage and perseverance given to my children at this seminar.

My gratitude and appreciation, and my Son Jesus', is written in the Book of Heaven in letters of gold for one day in eternity. The Triune God will open it to thank you for all this love, the Rosaries and Adoration of my Son Jesus in his Blessed Sacrament and for my daughter Jamana's long hours in Adoration, praising my Son Jesus and teaching my little ones about my love.

I bless our new precious little daughter, your bundle of joy added to your family, our family. I bless this little one with angels surrounding her, and her little brother and sister. I will bless you and your loved ones.

I say thank you for responding to my call. I came to relay this message of my love and gratitude to you through our humble servant, my Son's messenger.

[Fernanda] *Thank you my beautiful Mother Mary. I love you.*

Thank you, my Petal, relay this message to my son Pierre. Thank you, my humble servant. I love you too.
