

ALPHA+OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

The date of your last breath is set at birth, but not how you are going to die

14/03/2012

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus of Nazareth, my Father God, the Holy Spirit and my Blessed Mother Mary. Oh, my beautiful Mother, she is always interceding to me for our children for this chaotic world in dismay.

My little Petal, I, your Jesus, I see you went to my children's funeral. Oh, many tears were shed in the silence of their hearts. Oh, what a tragedy in my children's eyes and hearts.

Yes, my child, it was very painful for this entire family. Oh, what happened brings many unanswered questions to my children's hearts. But my child, the time for my three children on this earth, their last breath on this earth, was accomplished – it was time for them to come to my kingdom, to eternal life.

[Fernanda] *Oh my Jesus, can I please ask a question to my loving Jesus, if I am allowed to ask? I am sorry my Jesus, I don't want to offend or hurt my Jesus.*

You may ask your question.

[Fernanda] *My Jesus, your children died, your son _____ used that weapon to end their lives. My Jesus, if he didn't use that weapon, would your children still be alive today?*

My Petal, before you asked my permission to ask me this question, I knew your question, then I permitted you to ask me so that you could explain this question to my children.

My Petal, when my children are created by my Father God, the Holy Spirit (the Triune God) is there at the time of my children being conceived to give them the breath of life. Without the breath of life, there is no life. The Holy Spirit is the one who takes away that breath of life. So, when my children are born, the date has been chosen for them to be born and so has the date of their last breath on this earth to come home to eternity.

[Fernanda] *My Jesus, can I please, if I'm allowed to ask another question?*

Yes, my Petal, I allow you to ask me the question.

[Fernanda] *My loving Jesus, so it was written when they were born, that they were going to die in this manner – as it happened?*

My child let me explain all this to you. The date of when my children's last breath on earth is accomplished has been written in the Book of Heaven. No one has the right to take anyone's life: only the Holy Spirit. In cases like this, yes, my children's time on earth was accomplished.

[Fernanda] *My Jesus, so this should never happen this way, it's against heaven?*

Yes, my child, it should never happen this way, but my child, there are many reasons for this that are out of my children's control.

[Fernanda] *My Jesus, can I please ask again?*

Yes, you may ask anything from me, your Jesus Christ.

[Fernanda] *So this it wasn't written in the Book of Heaven that your children would die in this manner?*

My child, in my children's Book of Heaven, it was written that their last breath on earth was on that date, but how it happened wasn't written this way, it was in a different way.

[Fernanda] *My Jesus, I don't understand properly... It was written for them to die on that date but to die in another manner?*

Oh my little Petal of your Jesus, this belongs to heaven only, but you are my messenger for my End of Times... this is for you only, given to you from me, your Jesus Christ.

My children's date to come to eternal life was set. It was supposed to be in a different way: it could have been an accident or another kind of tragic accident, but it happened this way. Yes, heaven knows everything, about each one of my children.

No one on earth can point a finger or judge my son _____'s actions. Only here in heaven can my Father God and I be the judge of my children, because only God knows what happened and the real truth of his actions.

We are a merciful, compassionate God. We love our children, we are merciful, but only if they repent, repent with a contrite heart can we have mercy on them. So on earth, no one has the right to judge anyone because no one is perfect without sin.

My child, I do understand your heart. I am here to say to you that I heard your comments, conversation with my children about something that it is not from me, your Jesus: going to certain places against heaven, against my principles. Oh, the evil is disguised, blindfolding my children with tricks to convince them about doing harm to one another, especially in evil-doing with magic powers and hurting one another's lives, believing in my enemy. Oh, this kind of evil hurts my Sacred Heart and my Mother's Immaculate Heart.

My daughter, this is for you only, you cannot share some of the content of this conversation. It's a secret until I allow you to explain it to my children.

I, your Jesus, I know what triggered my son's mind and soul. Yes, it's all the enemy's tricks to destroy families, the unity and peace. My children must pray to be protected from the evil tricks because I, your Jesus, bring back my children to eternal life, but it's against my will when the enemy intervenes in my children's lives to gain access to their souls. Oh, the adversary is going out of control in entering my children's lives: he knows the time is near for his reign to end, the reign of disruption, destruction and decay. Wherever he can, he goes on a rampage to make a mockery and destroy.
