

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Holy Spirit, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting and conversing with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother. We are here to converse with you.

My little one, I, your Jesus, I am aware of you not being able to converse with me, my Father and my Blessed Mother last night because of being with your loved one, my daughter Maria Sequeira. Thank you, my daughter, for all the help given to my daughter Maria. Yes, my child Maria Sequeira she has been ill, but only you, my child, comprehend the depth of her sufferings. My child, you are the light to many of my children. I know how much you care for and love your cousin, your loved one. Thank you for being there promptly to help her in my holy name.

[Fernanda] Thank you, my Jesus, my dear Father, the Holy Spirit and my Blessed Mother Mary for helping with this issue, for guiding me, counselling me, for protecting me, my loved one and our son Frank on the way to help my cousin Maria, for showing me which hospital to take her to. Thank you for sending all the doctors, nurses, sisters to help my cousin. Oh my Jesus, I know that it was your hand and the Holy Trinity's and my dear Mother's at the hospital. Thank you for all the doctors, nurses, sisters, for their care and love shown to us and your daughter Maria. Oh my Jesus, I say thank you for this grace, the way that they helped us and the way that they are still doing it. Thank you, my Holy Trinity, for showing me which hospital to take your daughter Maria to. My Jesus, my Holy Trinity and my Blessed Mother Mary, I don't have enough words to say thank you. Thank you. Oh my Jesus, my heart entwines with so much joy for this. My gratitude, my appreciation will stay forever in my simple, loving heart towards my Holy Trinity and my Blessed Mother. Thank you for all the angels, my guardian angel Filipe, your daughter Maria's guardian angel and St Michael, St Gabriel, St Raphael the archangels as well, for accompanying me, us, there, to help as well on this. And thank you to all the saints who prayed for my cousin Maria and helped us as well, for being with us in these times with your daughter Maria and me – and for the doctors, nurses and sisters, for their love, care and dedication in helping your daughter Maria. My loving Jesus, I know it was my Jesus there with us. I love you Jesus, my Father, my Holy Trinity and my Blessed Mother. Thank you for the grace given to me, for the gift of love, patience, caring. All my gifts given to me belong only to my Jesus, the Holy Spirit and our Father. Thank you for all my beautiful special gifts. I love you all, my Jesus Christ.

My Petal, I, your Jesus, my Father, the Holy Spirit and my Blessed Mother, we are here. We heard all your thanksgiving upon this matter of my daughter Maria. My child, thank you for your gratitude and appreciation towards us in heaven. We say thank you. The angels and saints are so thrilled with your

love and gratitude to them for their work on this, in helping your loved one Maria. The angels and saints are very joyous when my children ask them for their help. My child, you also called upon some of your loved ones to pray, to help my daughter in her affliction. Yes, they also helped her in prayer to us in heaven. They say thank you for your love and dedication to their loved one Maria.

My child, we had so much to converse yesterday. You were too exhausted to sit and converse with me, us.

[Fernanda] *My Jesus, I also want to say thank you for my strength, courage and faith these past few days with my loved one Maria. My Jesus, I know that the strength and courage given to me was a grace from heaven, from my Jesus, my Holy Trinity and my Blessed Mother, from the angels, saints and all my deceased loved ones praying for me. I thank you, my Jesus, for this grace placed upon me.*

Yes, my child, it was a grace, a blessing sent to you from us in heaven. When my children are devoted children to me, to us in heaven, when they do my work for me in my holy name, many graces are conceded to them.

Thank you, my little Petal. My Father God, he is here to converse with you.

Father God

My little lamb, my meek one from your Father God, thank you for this time to converse with me, your Father.

My child, I heard all your thanksgiving to us in heaven. Oh, it pleases us very much when our people come back to us to say thank you to my Son Jesus and me, their Father God, the Holy Spirit and to Mother Mary.

My child, thank you for helping my daughter Maria. My child, my children must see your example of [giving] yourself to your loved one Maria with no restriction.

Holy Spirit

My little flower, my Rose, I am the Holy Spirit. I am here to say to you thank you for the love and understanding upon your loved one Maria. Thank you for listening to the Holy Spirit within your heart, your soul. I, the Holy Spirit, I am very joyous with your work done towards my children in my Son Jesus' holy name. I, the Holy Spirit, came to talk, to speak to you as well, to say thank you for times that you prayed and invoked me, the Holy Spirit, upon my people.

I have this prayer request for you, my little flower, my Rose. I, the Holy Spirit, I am here to say this to you...

My Holy Spirit, my Breath of Life, I, your humble servant, I am here to serve you, to listen to your call within me. Guide me, protect me, counsel me on my task, my mission for my Jesus' Second Coming. Take me to where I am needed to help, to pray, to heal my brothers and sisters in my Jesus Christ's holy name. My Holy Spirit, infill my heart, enkindle me with the fire of your love, with wisdom, knowledge, prophesy, vision, discernment of spirits, interpretation of tongues, all the gifts of the Holy Spirit. Sweet Holy Spirit, I am here in prayer [for you] to help me to guide your children to come closer to my Jesus' heart.

Holy Spirit, make me humble always. Don't let me be arrogant or vain. I place myself completely in you. Keep me safe, be my shield in your Spirit. Help me to grow more in love towards your children. Amen.

Pray one **Our Father**, three **Hail Marys**, one **Glory Be**, then say...

My Holy Spirit, you are my light, my strength to guide me on my task. Amen.

I, the Holy Spirit, I say thank you, my little flower, my Rose, for praying, for saying “*sua bênção*¹”, for kissing me as well, never forgetting about me with my Son Jesus and our Father God.

My little flower, my Rose, I say thank you for understanding about the Breath of Life, that I, the Holy Spirit, give to my children as they are conceived until their last breath on earth.

My child, I, the Holy Spirit, say the beautiful gift placed upon you, “Conversations with my God my Jesus for his Second Coming”, don’t doubt this beautiful gift placed upon you, because you have been chosen by my Son Jesus Christ. You are going to walk with him at this Second Coming. I, the Holy Spirit, I say thank you. You are privileged to converse with the Father, the Son, the Holy Spirit – the Holy Trinity – and Blessed Mother Mary. Oh, what a beautiful, rare gift. You have many messages to relay to our people for Jesus’ Second Coming, to convert the tepid souls, the lost, astray sheep being scattered from Jesus’ heart.

I, the Holy Spirit, and our Father have said to you many times when our children will have their last breath on earth. I, the Holy Spirit, I am here too to convey to you about your loved one Maria. My child, her last breath will be here soon. I say to you, in a few hours they will call you to be with her on her last breath on earth. Thank you. Pray for her. You are our prayer warrior.

I, the Holy Spirit, I say thank you for the thanksgiving to me as well, for everything. I give you my peace, to you, your loved ones and upon this entire world. Thank you, my little flower, my Rose.

[Fernanda] *Thank you, my Holy Spirit, for this gift, privilege to converse with my Holy Spirit. Thank you for being my guidance, my teacher. Thank you for my Breath of Life.*

Father God

My little lamb, I, your Father, I am here to say that the Holy Spirit is here with us constantly. Thank you for saying all the time, “*Sua bênção*, I love you”. Oh, what beautiful knowledge about the Holy Spirit in conjunction with the Father and the Son. I, your Father, I say thank you for all the times it was placed upon your heart to bless [yourself].

[Fernanda] *I am sorry, my dear Father, for interrupting our conversation. I apologise, my Father, for not saying excuse me. I am sorry. I thought it was the hospital.*

My Petal, I know the reason. I saw your heart pouncing, trembling, thinking the worst of your loved one Maria. My child, be in peace. I said to you before that I will concede to you the grace to be there with her on her last breath. My child, the time is near for her time on earth to be accomplished. As the Holy Spirit said to you, soon she will come to the Father’s house.

I bless you. I give you my peace, to your loved ones and all my children all over the world.

[Fernanda] *Thank you, my loving Father, my Holy Spirit for this great grace bestowed upon this humble servant, your daughter Fernanda. Thank you for everything in my life and my loved ones, for my health, protection, peace, love, unity with my loved ones and my entire family. I love you, my Father, my Holy Spirit.*

Mother Mary

¹ Portuguese to English translation: your blessing

My little Andorinha², I, your Mother Mary, I am here to converse with you. Thank you for being here at this hour to converse with me, your Mother Mary.

My child, it's been a few days where I haven't conversed with you because of what happened to your loved one Maria Sequeira. I do understand that you had to leave everything to go to her aid. My child, you are her light, her hope, love, in her last few days of her life. My child, thank you for being the peacemaker in the family. My daughter Maria, she has suffered for a long time without many of my children understanding her pains – oh, you have been crying, praying in your heart for her pains because you knew that my daughter was very ill. My child, your name has been written in heaven in letters of gold for this and for many other good deeds. I know you don't want medals, certificates, recognition for this or other deeds – you are doing it because of your gesture, good heart, kindness.

My child, I, your Mother, know how much you want to be home and complete your work for my Son Jesus, for us in heaven, but a load of work has been placed upon your shoulders to help your loved one Maria.

My child, you need to pray the prayers entrusted to you because of your mission. Your [time] is near, soon, to start your mission, your task. You need the protection against any attacks. My child, this world is in need of much prayer because there is so much happening in this dismantled world. My child, all over this entire world, all the nations are in conflict, war, disharmony, discord because of power, governments [wanting] to be leaders without any knowledge of how to be government leaders, just because they want status, positions – not taking their positions seriously to run a country, which is a big, huge task. Oh, they just want money as well, not caring how the country is to be protected, how to feed and look after their people.

My child, this world sins constantly and my Son Jesus cannot take this upon his Sacred Heart. Oh, so many deaths, crimes, atrocities against one another! My child, my Immaculate Heart bleeds for my Son Jesus' pains because he knows that the Chastisement will come soon. My Son Jesus doesn't [want] this to happen because the pain is going to be too painful upon his children. My child Fernanda, I, your Mother, I say to you that only prayers can help to save this world, to stop the Chastisement upon my children.

I, your Mother, I say thank you for sitting with me at this hour of the morning to converse and to alleviate my pain.

I bless you, I give you my love, courage, strength, faith, perseverance in your mission, which will come soon. Thank you for responding to my call.

[Fernanda] Thank you, my Beloved Mother Mary. I love you. Thank you for being my dear Mother and of my loved ones and all your children.

Jesus Christ

I, your Jesus, I say thank you. I love you too, and all my children. I give my peace to you, your loved ones and all my children.
