

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Always call God the Father, the Son and the Holy Spirit in your prayers, and Mother Mary as she is always next to her Son Jesus

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting and conversing with me, your Jesus Christ. My little one, I, your Jesus, I am here with my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I say thank you for the lovely day, for being with my elderly children. Thank you to my beautiful group for entertaining my elderly ones. Oh, I am so pleased with you all, my children.

Thank you to my son Manuel Baeta and his spouse Lily for their good hearts to invite them to spend the morning for some breakfast, and to you all for the singing and dancing [to comfort] their lonely hearts. This is an act of love, my love, to my children with their lonely hearts. Oh, your love for them is so great, your compassion and care. I can see your huge love in your heart.

My child, today you came to stay with your loved ones, your cousin Maria José and Mariazinha. My child, thank you for your time spent now with me, your Jesus, but my child, this is not the same as you sitting with me in our little nest because you are not completely concentrating. I do understand, you are always trying to please everyone.

My little one, at my Mother's holy grounds, Ngome, it was beautiful. I, your Jesus, I was present at that meeting, so was the Holy Trinity and my Blessed Mother. My child, I could see your heart was pouncing, [thinking] if you could help financially to build the church as my son priest Father Wayne and all my son priests desire to build a basilica there. Know, my child, with me, nothing is impossible. I will soon allow this dream to come true because this is needed there to bring my flock, my sheep, back to my heart.

My Petal Fernanda, you have something in your heart that you wish to ask me. You may open your heart completely to me. I, your Jesus, I am conversing with you.

[Fernanda] *My dear loving Jesus Christ, I am your humble servant Fernanda. I am here to ask this petition, this request, if is my Jesus' holy will to attend to me on this humble request.*

My child, you may ask me.

My little Petal, I, your Jesus, I say thank you for this act of love in your heart. My child, this is from the Holy Spirit upon your heart, your kind gesture to help the ones who most need it. My child, I,

your Jesus, I say thank you. Leave everything to me. I am your provider. I said to you before, you will help many of my children through me, your Jesus Christ, in my holy name. I say to you now, I will concede you this infinite, beautiful grace. Amen.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father God, I am here to converse with you.

My child, I, your Father, I say thank you for today. My Petal, my children, their elderly hearts are so full of joy because of this love that was bestowed upon them.

My little one, I, your Father, I have a beautiful message to convey to my children.

My precious people, I am your Father God, your Creator, my Son Jesus and the Holy Spirit who gave you all the Breath of Life, we are the Triune God, Inseparable. My people, I, your Father, we, are the strongest of heaven, the highest of heaven. Here we see everything. Wherever each one of you is, we go with you. We come to your rescue in times of hardships, trials, tribulations. Oh, just call us, we come to stand next to you. My people, some of them, they say, "Jesus, come," or "Father." They call our names. Oh, it pleases us very much, but my people must also never forget to call upon us saying, "Father, Son and the Holy Spirit," or saying, "My Triune God," or saying, "Holy Trinity," because they must not forget to call upon the Holy Spirit. He is the one who gave you the Breath of Life. My children, when you pray or need help, we are the strongest prayer of heaven. Oh, don't forget Mother Mary as well because she is constantly with her son Jesus and vice versa – where the Mother is, there is her Son Jesus. She is always interceding to her Son at the foot of the cross for all of you, but many of my children ignore her. Her role in heaven is a very important one.

Today, 08/12/2012, is Our Lady of Conception's, *Nossa Senhora da Conceição's*¹, feast day, a very special day in my children's lives. Oh, before, in the beginning times, my people respected this special day, holy day, all over the world, but today they ignore this special, blessed day. Oh, Our Lady of Conception is a very powerful Mother to all her children. Our Lady of Conception's feast day is the day of conception for many mothers, infertile mothers. They must pray on this special day for any of my children to fall pregnant. They will conceive in my Son Jesus' holy name. I leave this message to be concluded by Our Lady of Conception.

My Petal, I, your Father, I heard your request to my Son to help the destitute. This is our aim for you, to concretise [this] with your unique mission. You will help my people in despair, in need of help. Through my Son Jesus' providence, he will obtain you this grace today, on Our Lady of Conception's [feast day]. Remember this special date forever. My Petal, I say thank you for your beautiful, simple, sincere heart.

[Fernanda] *Thank you, my Blessed Mother for all your graces, prayer requests answered, for interceding for us at the foot of the cross of your Son Jesus.*

My child, you fell in the Spirit at my seven streams, at my living waters in Ngome. My child Fernanda, thank you for being obedient. Oh, you sang chants of praise to me, to my Son Jesus, to our Father and the Holy Spirit. It was a beautiful melody to our hearts in heaven.

My child, thank you for sharing my love between my children, for *compartilhar*³ that beautiful, genuine love of my heart towards all these privileged children.
