

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I say thank you for the lovely, splendid day today. My little Petal, I, your Jesus, I am pleased with you. You assisted my Communion service and you received me on the first Friday of the New Year. I blessed you and all my children who came to receive me in their hearts.

I sent you there for a reason. Thank you for praying with my daughter Juvelina, for my daughter _____. I thank my daughter Juvelina for her concern to help my daughter _____. Yes, my daughter _____ needs deliverance and prayers. She needs to forgive her loved ones. She has to come to my heart with sincerity and humbleness. Hatred has been within her heart for many long years. My child, you need to pray for my daughter _____, for her heart, for the [end of the] unforgiveness and hatred that has been placed there by the enemy. My son João was sent there for a purpose, a reason: to help to convert her hardened heart, her soul. You are going to help my daughter to convert, to come and feel my love.

My child, thank you for coming today to adore me in my Blessed Sacrament. Oh, it pleases me very much. See, my child, only a few come to visit and adore me. My child, you prayed with all your heart. Thank you for looking upon me when my son Deacon Kruger brought me closer to you, to each one of my children. I came to you. I looked at your heart, your pain, your prayer request. I have said to you, my child, I will release you from this affliction of your heart, upon your shoulders, the debts. I say: trust me, your Jesus, with all your heart. Do not doubt my previous messages. You have been imploring me, calling me, my Father and my Mother. Oh my little one, I have carved you in the palm of my hand. Trust me, your Jesus.

...private message removed...

I do understand your pain, your concern. I say, I said to you before, fear nothing. I have chosen you and you are my prayer warrior.

[Fernanda] *Thank you, my Jesus Christ. I love you. I adore you, my loving Jesus.*

Father God

My daughter, I, your God the Father, I am here to converse with you. My little lamb, I, your Father, I am here.

I say thank you for spending time with my Son Jesus in his Blessed Sacrament. Oh, your heart was in pain to see so few people come to adore, to pray, to keep my Son Jesus company. See how joyous my Son Jesus was to see you and my other five children being there. Yes, some of my people ignore the importance of coming and spending time with my Son Jesus in his Blessed Sacrament, in Adoration time. Oh, you felt my Son Jesus' presence. Our presence there was very powerful – the blessings – it was so powerful because I was walking with you all at that precise moment. My little one, I, your Father, I came to be with my children, to hear and see the love, to join you in some kind of my love. My child, my children, I, your Father, I was present with all of you at that precise moment.

I bless you, your loved ones.

My child, you are feeling so tired. I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Father. I love you with all my heart. Amen. Sua bênção¹.*

Mother Mary

I, your Mother Mary, I say thank you for your time spent in my love.

I, your Mother, I want to convey to you to listen to the voice of your heart, to the Holy Spirit and me, Blessed Mother Mary.

These countries in war bring only pain upon my children.

My child Fernanda, thank you for being with my daughter Inocencia (Ino) _____. My child, thank you for the words of comfort upon her aching heart. My child Fernanda, you are my Son's prayer warrior, you are going to pray for this, my daughter Ino _____. My Son Jesus knows my daughter Ino's prayer request. My Son Jesus has been taking care [of it].

Oh my child, you are so tired. Your eyes are closing. Wake up, my child.

I will help you to pray for this family. I allow you to sleep today. You are in need of some rest. I bless you, your loved ones, your family and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my dear Mother. I love you². Sua bênção.*
