

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you to converse.

Thank you for your time spent today in prayer and for attending my Holy Mass of my son priest Father Joseph, the healing Mass to release some of my children's iniquities, sicknesses of the spirit, body and soul, and [thank you] to my daughter Alice and my devoted daughter Judite, for being the instruments in helping my son priest Father Joseph, [for your] helping hands.

My daughter, I say thank you for your patience and dedication to your loved ones. Oh, my son \_\_\_\_\_'s sufferings have been seen by us in heaven. My son \_\_\_\_\_, this time with sores on his legs, ulcers. I will heal my son from his illness upon his heart, as he said, his broken heart. His sufferings on earth have been his purification for one day in heaven. My child, your discernment of spirits about my son being cursed – yes, my son \_\_\_\_\_ needs spiritual help, healing from his painful sickness. I thank you and my daughter Alice for praying. I will help my children, this entire family. Thank you for explaining about holy water and the Divine Mercy Chaplet.

My child, I missed you and our conversation yesterday.

My Petal, I, your Jesus, I am here with you. I say thank you for praying and singing at my church. I say thank you for sitting and fixing your eyes upon me. Oh, it pleased me very much – you must do it often to alleviate my Sacred Heart with your kisses and "I love you Jesus."

My humble servant, thank you for signing and praising me in tongues of fire of the Holy Spirit. Yes, my child, I heard, I understood every word, every praise, a litany of the Holy Spirit in praises to me, to the Holy Trinity. Oh, it was beautiful. These tongues of the Holy Spirit are between me, your Jesus, and you, my child. Oh, the enemy does not have a place at this specific time. Pray as you did today. My child, your voice is a melody in my pierced heart. Oh, it soothed my heart – it's like a balm on my aching heart. My child, yes, I was talking to you. My lips were moving. You did not imagine all that. I transformed myself for you in my heart, my Sacred Face for you. I was alive for you at that moment. I let blood and water come out of my lips, my mouth – it's like, oh, blood and water, which gushed out of my lips – the same as I let it gush from my side, my pierced side, when I was upon the cross. My child, one day, you will understand the meaning of this, of my mouth, my lips, water and blood that I shed for you. It's also a sign that I am alive here for you until the time comes for you to have

the privilege of seeing me, your Jesus, alive for you. Time is near – I promised that before to you, but in my own time. Oh my Petal, fear no more. I need you to serve me.

Thank you for [giving] your will to me, your Jesus. Thank you for accepting my pains. My child, know that it's a very honourable act of love to suffer some of my pains. Oh, the stigmata is very painful. Thank you for offering yourself to suffer for me for the conversions of sinners. My child Fernanda, my St Padre Pio, your patron saint, said to you that if you knew the pains, consequences of these pains... yes, my child, they are painful.

I will clear your debts, *dívidas*<sup>1</sup>, your name, for your sufferings for my pierced Sacred Heart. Thank you. It pleases me very much. My humble servant, my messenger, my prayer warrior, you will serve me with all your heart, body and soul.

My child, my Father, he is here to converse with you.

### **Father God**

My little one, I, your Father God, I am here with you. Thank you for your time spent today with my people in need. I, your Father, I have this message for you.

My little lamb, my Son Jesus Christ's time for his Second Coming is near, very near. Be cautious of the signs, messages given to you. These messages are for you only. You must relay the other messages to my people. They must be aware and they must know about the messages for their salvation, for their repentance. It's time for you to go out in my Son Jesus' holy name and relay them. These ones are not for you only – my Son Jesus will open the way, road, for these messages.

My little lamb, I, your Father, I am going to give you a secret for you, for my Son Jesus' End of Times<sup>2</sup>. My daughter, Fernanda, I, your Father God, I convey this message for you to pray for more time to the world. The prayer has been given to you<sup>3</sup>, and all the other prayers. My Son Jesus' End of Times is going to be very painful, the Chastisement. My people, they don't want to know the truth about it, but the Chastisement is near, and you, my Petal, have to be ready to follow my Son Jesus in his *passos*<sup>4</sup>, footprints, to help bring sinners to conversions, to my Son's heart. My child, the End of Times, the Three Days of Darkness – it's very painful. My Son Jesus has been pleading to me his Father to give more time to the world. Pray as much as possible in your time for this cause to help my Son Jesus' pains.

[Fernanda] *Oh my loving Father, I am sorry for repeating myself, for asking again to free me from these debts so that I can concentrate and focus completely on my Jesus' prayers to serve my Jesus, to pray without ceasing, to be free from these earthly things. I thank you, my Father God, for hearing my prayer request.*

My little lamb, my tender one, I, your Father, I know, so does my Son Jesus, the *íntimo*<sup>5</sup> thinking of your soul and mind, your desires, and all of my people's. I know your heart, soul, mind and spirit, even when you are not saying a word. My little one, you will be needed soon for your mission. Thank
