

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I am here with you to say thank you for today, for praying upon my daughter _____ and [to say thank you] to my children Celeste, Alice and Goretti for their time spent in prayer upon her aching heart. My child Fernanda, thank you for being obedient in taking my Precious Blood photo to pray with my daughter _____. Oh, she has been in a turmoil of disunity with her loved ones for a long time and the most now with my son _____. Oh, these, my children, they have been in a destruction of disunity with one another. Yes, my youth are in need of help because the enemy has been doing damage to many of my children, families. Yes, my daughter _____, she is in need of help, physical and spiritual help, because the enemy brings arrogance and vanity in many cases of my children's lives. But, my daughter _____, her love for me is real, from her heart, but the enemy brings, many times, pride and unforgiveness. He prejudices the good out of my devoted children.

My daughter, your discernment was right. My daughter needed to open her aching heart. I heard each one of her prayers in pain, her tears being shed today in front of my Precious Blood, and many other times.

Oh my child, I know you asked me for forgiveness, and my daughter Alice. I thank you for your humility of heart. Yes, humility, humbleness pleases me very much. I thank you, my child. I thank you for the prayer with my photo. Yes, my child, this photo and the prayer¹ is for you to pray upon my sick children's bodies, souls and spirit in need of help.

[Fernanda] *My loving Jesus, can I give the photo of my Jesus' Precious Blood to my sisters in Jesus Christ, and the prayer as well?*

My precious child, I, your Jesus, I allowed you to take this photo of my Precious Blood where I was scourged at the pillar. While I was held captive in the prison, they scourged me. The blood shed there, my flesh and blood, was scattered on those walls to save each one of my children. My child, this photo is sacred. My Precious Blood is sacred. It is to be used with respect, dignity, love – only for some of my children, my devoted ones to me. The Holy Spirit will guide you, will enlighten your mind

whom to give it to, and the prayer as well. My Precious Blood photo is to be handled with love, care, like a fragile, delicate, precious “handle with care” [item]. You will know who to give it to.

[Fernanda] *Oh my Jesus, I don't want to be vain, with vanity, superiority, to anyone about this gift of having my Jesus' Precious Blood photo in my hands, but I want to be aware as to whom I must give it to, and if I am allowed to give it, or if I must I keep it just for me to take and pray upon your children. My Jesus, this only about my Jesus, the honour and glory be to our God. Amen. Sorry, my Jesus, it was your daughter _____. Please, my Jesus, I need to pay back her money. I love you, my Jesus. Thank you for using me as your instrument.*

My child Fernanda, I thank you for accepting my invitation to be my instrument.

[Fernanda] *Oh my Jesus, my will belongs to you.*

My daughter, thank you for your will given to me, your Jesus Christ. My Father God, he is here to converse with you.

Father God

My little lamb, I am your Father God. I am here to converse with you.

Thank you for being obedient in praying upon my children with my Son Jesus' Precious Blood. My child, this photo was taken five years ago (in 2009) at the pillar where my Son Jesus was scourged. My Son Jesus allowed you to take this photo for a purpose, a reason, his reason, for his honour and glory. Now is the time for you to go in my Son Jesus' holy name and to be his messenger, instrument. My child, soon you will be completely immersed in your prayers. You will go, taking my Son Jesus' Precious Blood photo with you, to release many anguished souls of my people in pain. My Son's Precious Blood will heal my people's bodies, souls, spirits, from their sicknesses, iniquities – iniquity of sin as well.

My child, I know your heart at this moment, about the car that needs to be paid for. Our son conversed with you about all the burdens being placed upon him. I know how your heart is at this precise moment, having to depend on our son. I know, so does my Son Jesus, that you haven't had anything in your purse for two weeks. My child, you can't even cry anymore. Do not doubt as you gaze upon my Son's Sacred Face. Know that my Son is alive for you in this picture, photo, of his Sacred Heart of Jesus.

My child, today you prayed for my daughter Alice, her loved ones and for your needs, my child, for your loved ones. I thank you for the prayers to us in heaven, to ask always for my divine light, the Triune God and Blessed Mother Mary.

You are teaching my children to grow, to know more profoundly about the Triune God. Thank you, my child.

Do not get distracted. Yes, you are gazing upon my Son Jesus and his Mother. Today you visited my sick child, my daughter Alice Margarido, who has cancer. Oh, your work visiting and praying with the sick, with my daughter Alice, pleases me, us in heaven. This is the work of merciful Jesus to alleviate my people's aching hearts and bodily pains, and to heal their spirits, which, most of the time, are in more need of help than their bodies.

I, your Father, I say thank you for your time spent with us in heaven.

I bless you and your loved ones. I give you my peace, my peace I give to you, your loved ones and all my people all over this entire world. Amen.

[Fernanda] *Thank you, my adorable Father. I love you. Sua bênção*².

Mother Mary

I, your Mother Mary, I am here to converse with you.

My little Andorinha³, I say thank you, and to my daughter Alice, for your time and for doing Jesus Christ's beautiful merciful work, in helping my children in need of help with prayers. Yes, my child, this world is in so much pain. My child, pray for my youth, the prayer of the Mother of the Youth⁴ and for my children who have been abducted and being used in child trafficking⁵, the ones who have disappeared and whose loved ones are praying constantly for them to come back home. Oh, these, my innocent children, are used as mules for child trafficking, used as slaves, prostitutes, being sold for financial gain. You must pray. Pray the prayers urgently for this scam of child abuse and child pornography as well. Oh these, my children, they cry for their loved ones as well. My Son Jesus' heart is in so much pain. My Immaculate Heart of Mary is so blasphemed, in so much suffering. Our Father God cannot tolerate this for too long upon our Beloved Son Jesus Christ. My child, you need to come in prayer upon all these requests.

I know, my child, that you are coming closer to your mission and that my Son Jesus is preparing a place, soon, for you to go forward with your mission. Yes, my Son Jesus is preparing a place for you in heaven, for the great task that you will carry in this world to bring many sinners to my Son Jesus' Sacred Heart. You will carry this mission for my Son Jesus' Kingdom of Heaven. Oh, do not worry about your daily life – abundance and prosperity will flow upon your hands through the mercy of God the Father, God the Son and God the Holy Spirit. Amen. All glory and praise be to our God of heaven and earth, the Creator of all my children and this entire universe, all the creations. You have been chosen to walk, to serve my Son Jesus, to be his humble servant. Do not be afraid of the future. Your daily bread, all the debts, accounts, have been taken care of, amen, in the beautiful heaven. Amen.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my mina Mamã*⁶. *Sua bênção. Beijinhos*⁷ ♥♥♥♥xxxx.

Jesus Christ
