

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting and conversing with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My child Fernanda, I, your Jesus, I am here to converse with you.

My little instrument chosen by me, your Jesus Christ, I say thank you for today, and to my daughter Alice for accompanying you on this day, on this task to pray upon my children. Thank you for all the effort to do my holy will. Yes, my child, “*Seja feita a vossa vontade, meu Jesus¹*”, “Thy will be done, my Jesus”. Thank you for praying upon my daughter Anita _____. I will heal my child Anita _____. She will come closer to my heart. I will mould her heart of this world into humbleness, humility.

My child, I, your Jesus, I have my plans for each one of my children on this earth. Thank you for praying and visiting my son João (John) _____. Thank you for taking my photo of my Precious Blood shed at the prison². Yes, I was also scourged there, at the pillar, *columna*³. My child Fernanda, it was my will to allow you to take the photo of my Sacred Face and my Precious Blood, with my Blessed Mother’s sacred face on my heart, for my children to understand that I also went into an agony of pain with my Blessed Mother Mary. My Beloved Mother’s sorrow – it was unbearable to see me, her loving Son, when once upon a she had cuddled me and kissed my loving face, as a mother does to her children as they are born, as they proceed with life, as they take care of them from infancy to childhood until they are mature enough to carry their own lives. Yes, my Mother’s sufferings to see me, her Son, in so much pain, agony – pains that the world would never know, pains that are out of their comprehension.

My child Fernanda, I, your Jesus, I say thank you for being obedient, humble and visiting my son João _____. Once before, you have been in some pain caused by some members of this, my family. My son João’s time in this world is expiring very soon, but my child, today you asked me for a miracle upon my son João. Yes, you are a beautiful instrument. My child, you allowed me to use you totally, in complete surrender to me, to my heart. My child, you forgave all these, your brothers and sisters

in Jesus Christ, as I, your Jesus, forgave my enemies their trespasses. I, your Jesus, I say thank you for being here tonight. I bless you abundantly.

My Father, he is here to converse with you.

Father God

My little tender lamb, I, your Father, I am here to converse with you. My meek lamb, I, your Father, I came to relay a message to you.

My little parrot, my precious child, I, your Father, I came here to appease your heart because of the horrendous pains of these debts and because of all these kinds of persecution upon you, my child, which is very difficult on you because of my children not believing in Jesus Christ. My little tender lamb, you have been through the darkest of times of your soul. My little one, know that every step, every sigh, has been [seen and] heard here in heaven.

My little lamb, I will heal my son João. This is a miracle given to my son João. My son João has been chosen on this day, hour for you, for my Son's healing upon him. I was there with my son João.

My little one, I your Father, I bless you, your loved ones and all my people. Amen.

[Fernanda] *I, your humble servant of my Jesus, I say thank you for being with me, my loving Father. I love you. Sua bênção*⁴.

Mother Mary

My Andorinha⁵, I, your Mother Mary, I am here to converse with you.

My little one, I, your Mother, I say thank you for today. My child, you are feeling exhausted.

My child, I know that you need tremendous financial help with everything. I know that you fear that you won't have enough to pay your brothers and sisters in Jesus Christ.

My child Fernanda, I, your Mother Mary, I have a message for this world in decay.

Oh, many of my children, they are in despair, in pain, because of their daily lives, yes, [because of] earthly things. My children live a life of pain. Yes, many of my children are suffering in sickness, cancer, which is an epidemic in many families. Many of them are receiving their illness with acceptance, but many are against my Son Jesus, asking, "Why, why me?" Yes, know that through this illness, there are many conversions of their families. Many are in financial despair, many are in divorce, disunity of couples; children are being abused and abandoned; many are in conflict between one another; families are broken; countries are at war; children are hungry, suffering in body, soul, mind and spirit because of these wars, bombs, killings, destruction. Oh, this world is in decay, destruction. Oh, this world is in need of prayers for so many different kinds of healing. My Son Jesus' pains, the tortures being infiltrated into his Sacred Heart! My children don't have mercy and compassion upon one another. Every second of the day, my Son Jesus receives *chicotadas*⁶, arrows thrown on his loving heart, thorns being placed on his heart.

My child, the End of Times are near, the End of Times are approaching, soon. Do not be afraid.

I know you do need medical attention because your blood is anaemic. My child, I know you can't afford any more bills. Yes, you do need some extra cash for the extra medicine. My humble servant, you are trembling because you do fear the end of the week. My Son Jesus will provide you with much more to sort out all your accounts.

[Fernanda] *Oh my dear Mother of Perpetual Help, I need your help urgently on this novena. Oh Mother, intercede for me, your little one, Fernanda. I need to pay the credit card, the two doctors and all the people I borrowed money from. My dear Mother, my head, I feel tired of worry, I want to pray, I just feel tired all the time. I need to see the physician, but I can't afford more debts on me. Please, my dear Mother of Perpetual Help. I am here to serve my Jesus, let me focus only on my Jesus. I love you. Sua bênção.*

My little one, I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

Jesus Christ

I, your Jesus, my Father, the Holy Spirit and my Blessed Mother, we say thank you. We give our peace, our peace be upon you, your loved ones and all my children. Amen.
