

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

## Illnesses and suffering on earth are not God's punishment upon us, but the miracle of salvation for many souls

### Jesus Christ

Thank you, my daughter Fernanda, for sitting and conversing with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I am here to converse with you. Thank you, my child, for today and to my children who dedicated some of their time to spend time with and alleviate my elderly children of some of their pains, by doing their feet and hands, massaging and caring for them. Know, my child, this is an act of my love towards them, all this love and sacrifice doing their nails and rubbing their feet that once upon a time did so much work and walked in dangerous times of their lives. But at this old age, they cannot mobilise themselves.

Oh, these my elderly children, many of them have been neglected by their loved ones, not even coming and caressing them, embracing them, before their time to come to eternity. Oh, sometimes there are many regrets in my children's hearts when their loved ones pass to eternity. My children sometimes forget that one day they will be in the same circumstances if their age permits. Oh, only heaven, I, the Triune God know when it is their last breath on earth because my child, I, your Jesus, the Triune God, we never advise or allow them to know the time, hour or day. Oh, and there is no age restriction! My child Fernanda, relay this message to my children.

Thank you, my child, for sharing my video with my children. Oh, my child, I see your joy in your heart, dancing as well, my little parrot, my little dancer for your Jesus. Yes, my child, we do miss your dance, your singing and dancing for us in heaven. Oh, the angels, they're waiting for this unique time when you are alone in our little nest, dancing for us and saying how much you love me. Yes, remember, this time spent alone in singing and dancing is your gift of your love to me, to my Mother.

[Fernanda] *Oh, my Jesus, I am sorry, I will commence again. Oh, my focus has been out of my Jesus in this special time of our intimacy. I am sorry my Jesus, I ask pardon for this time that I neglected my Jesus.*

Thank you, my child. I do comprehend, but now it's time to recollect this precious time. My child, as you know, time is running out for my children to know about my love and the precious time that they have been wasting on earthly things, where they can absorb so much of my love or give even a simple glimpse of their love to me.

My child, thank you and to my daughter Alice for coming and visiting my sick child \_\_\_\_\_ and for comforting her loved ones. My child, as you already know, my daughter \_\_\_\_\_, her time is almost accomplished. Yes, my child, I, your Jesus, I said to you many times, if I don't heal the body, I heal my children's souls, which is more important for my children as they are able to come back home to my Father's house.

My child, my Father God, he is here to converse with you.

### **Father God**

My little lamb of your Father God, I, your Father, I say thank you for today, for your and my child Alice's time spent, your time consumed comforting my child \_\_\_\_\_ whose body is growing weaker because of her illness. As my Son Jesus Christ said to you, her time on this earth is almost at an end.

Yes, I do know that my children, my people, are asking my Son Jesus for a miracle. I heard your prayers saying, "Lord Jesus, with you, nothing is impossible," that my Son Jesus brought Lazarus back to life and did many other miracles 2,000 years ago. Yes, many miracles occur through my Son every second of the day. Oh, my people don't see them. My Son Jesus did many miracles upon these, my people, my family, my children, each one of whom I created. And, my Son Jesus performed a huge miracle in this family in many ways in their lives, especially at this sorrowful time of their pains. Yes, there were many miracles of unity and forgiveness in the family and many other blessings... Oh, the healing of the family tree that was scattered, astray, from my Son's heart.

My Son Jesus has a reason for everything that happens in my people's lives. My Son Jesus conceded a miracle to these, my people, my children. Many of my other people don't have the same opportunity. That is why my Son Jesus' aim is to save all, each one of my children, but sometimes, my people don't have time to repent, to change their hearts of rock, then they come to eternal life without their souls healed. Yes, it's very traumatic for my people to lose their loved ones, but it's better to lose their loved ones knowing their souls are healed than to see them coming to eternity in damnation of sin forever in eternal life.

Oh my little meek tender lamb, my children must accept death as a new life for eternity. In time, their pains and wounds will be healed by my Son Jesus. Oh, and their consolation is that one day, they will be reunited again for eternity, each one of them. Oh my little lamb, this is a message from me, your Father God, for these, my people, and all my people in our messages to the world. I, your Father, I say thank you for being here with us in conversation.

My child, do not worry about your debts – *dívidas*. My Son Jesus will send you an earthly angel. Oh my Son Jesus knows all about your necessities. Oh, my Son, he is your Spouse, your provider. Know, my Petal, my Son Jesus said to you, "Do my work. I will be your provider." Oh, as you know, my Son Jesus said nothing is easy being my Son Jesus' servant: humility, humbleness has been your purification. You received all this with love, dignity, patience and humbleness for the love of my Son Jesus. You accepted your mission, task, for the honour and glory of my Son Jesus. Your heart has been in sorrow in the silence of your heart. Only heaven knows your sufferings, but your faith, perseverance and trust in my Son Jesus have been your consolation and hope. You will serve my Son Jesus with all your heart. Remember, the saints also had their purification, sufferings, for the love of my Son Jesus.

I bless you, your loved ones and all my people. I give you my peace, my peace I give you, your loved ones and all my people in this entire world. Amen.

[Fernanda] *Thank you, my loving father. Thank you for being my Father. I love you. Sua bênção<sup>1</sup>. Amen.*

### **Mother Mary**

My little Andorinha<sup>2</sup>, I, your Mother Mary, I am here to converse with you. My child, I, your Mother, I am here with you. I say thank you to you and my daughter Alice for the beautiful gesture of your time to pray the Rosary, Divine Mercy and all the prayers upon my child \_\_\_\_\_'s sick bed, to alleviate their loved ones, to pray for them, too.

Yes, my daughter \_\_\_\_\_, she is on her last breath on earth. Yes, many of my children are praying, imploring my Son Jesus for a miracle to occur on my daughter \_\_\_\_\_'s sick body. Oh, her body cannot fight her illness any longer, but her soul and spirit are fighting for her salvation. This is a miracle that my Son Jesus of Nazareth is doing, did, upon my daughter \_\_\_\_\_. Like with my daughter \_\_\_\_\_, there are so many of these cancers, incurable diseases, which many of my children are battling to understand the designations, *designios*, of God the Father, God the Son and God the Holy Spirit.

Many souls have been saved through this illness – the salvation of their souls. Oh, my Son Jesus does not punish his children with this illness, but my Son Jesus has a purpose for this. Oh, my children cannot go beyond my Son Jesus, the mystery of God, as you have been telling my children that my Son Jesus has been teaching you all of this, as you explained to my daughter Alice about your healing of cancer. Yes, all those words are words of wisdom and knowledge from God, from God the Holy Trinity, to teach all of this to my children.

Today it's a beautiful feast day in Cova da Iria, Fatima, Portugal, your place of birth. Oh, my little shepherds "*pastorinhos de Fatima*", they suffered to be obedient to my call and they persevered to help many of my children. Oh, many conversions, my child, many souls have been saved through these, my shepherds. Today they are in the glory of God in heaven, interceding for each one of you. Oh, these, my little *pastorinhos*, they are very powerful saints.

My daughter Fernanda, I, your Mother, say thank you for today. Persevere like my little *pastorinhos*, Francisco, Jacinta and Lucia. My little one, these, my *pastorinhos*, they are here to converse with you with my Son Jesus Christ's permission.

### **St Francisco, St Jacinta and St Lucia**

My sister Fernanda in Jesus Christ, we, the three little shepherds from Cova da Iria, we are here to converse with you, with our Lord Jesus Christ's and Mother Mary's authority, permission, for this dialogue.

My sister Fernanda in Christ Jesus, we, Francisco, Jacinta and Lucia, are here to talk to you. Today in Cova da Iria in Fatima and in many parts of the world on 13 October, we are celebrating a great feast. It was at Cova da Iria on 13 May 1917, where we were three innocent children and were with the grazing cattle when we saw a great bright light in front of our eyes. Oh, oh, such a beautiful, beautiful lady dressed in a beautiful Mantle shining with light. It was something so beautiful and different from what we had ever seen before. As you know the story of us, the little shepherds, we then tried to explain what we saw. Oh, no one believed us. We were heavily persecuted and intimidated. So much fear was laid upon us. Oh, they told us we were going to be burnt with very hot, scorching oil. Oh, our loved ones did not believe us either because they also suffered, but Our Lady defended us. After so many sufferings for our visions, our prayers, our Rosaries were heard.

**Our Lady, Mother of the Saviour Jesus Christ, in conjunction with the intercessory prayers of the little shepherds Francisco, Jacinta and Lucia, help me so that I may carry out my task on this mission to bring souls that are far away from the heart of your Son Jesus to conversion. Amen.**

I ask you not to look at my sins, but at your glory. I ask you to forgive my faults, errors and omissions. I ask you for this big grace through the intercession of your saints Francisco, Jacinta and Lucia, who are in your glory, the glory of God the Father, the Son and Holy Spirit, to grant me this grace, which I so need ...ask for the grace...**

<sup>i</sup> The remainder of this message was translated from Portuguese. The original text is included here: Minha irmã Fernanda em Cristo Jesus, nós, Francisco, Jacinta e Lúcia estamos aqui para conversar contigo. Hoje na Cova da Iria em Fátima, 13 de outubro, estamos celebrando um grande festejo, e em muitas partes do mundo. Foi na Cova da Iria à 13 de maio de 1917. Nós eramos três crianças inocentes. Andávamos a pastar o gado quando vimos uma grande luz muito brilhante à frente dos nossos olhos. Oh, oh, uma senhora tao linda, linda, vestida com um lindo manto brilhando de luz. Pois, era uma coisa tão linda e diferente que nunca tínhamos visto. Como tu sabes a história de nós, os pastorinhos, pois tentamos dizer o que vimos. Oh, ninguém nos acreditava. Fomos muito perseguidos, intimidados. Muito medo foi posto em nós. Oh, disseram que íamos ser queimados com óleo bastante quente, escaldante. Oh, os nossos entes queridos também não nos acreditavam pois eles também sofreram. Mas a Nossa Senhora nos defendeu. Depois de tantos sofrimentos por nossas visões, as nossas orações, rosários, foram ouvidos.

Irmã em Cristo, Fernanda, hoje 13 de outubro de 2014, estamos aqui em conversação contigo, pois és uma humilde serva de Deus. Também fostes escolhida para servires Nosso Senhor Jêsus Cristo. Tens uma missão, um encargo a tua frente, que vais cumprir para trazeres pecadores ao coração de Jesus Cristo. Sim, humilde serva de Deus, nada é fácil quando somos escolhidos para um encargo, assumir um encargo para Deus Nosso Senhor.

Irmã Fernanda em Cristo, nós, Francisco, Jacinta e Lúcia, estamos aqui para trazer, transmitir esta mensagem: servirás o teu Deus Pai todo poderoso, Nosso Senhor Jesus Cristo, o Espírito Santo Divino, o Paráclito, e Nossa Senhora, Mãe bendita do Redentor.
