

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Holy water cleansing prayer for children

18/11/2014

Father God

My people, my children, I am the Father of heaven and earth. I am the highest of heaven and earth. I created the whole universe and all of you, my unique people. I am your Lord, your God. I am your Heavenly Father. I let my Son Jesus be born through the power of the Holy Spirit and my chosen one, a simple, humble Virgin Mary, my chosen peasant, a pure, simple virgin. She was pure of heart, mind, soul and body. I invited her to be the Mother of my Son Jesus, your Saviour, the Redeemer of your sins, of your salvation. I chose Joseph, a pure, chaste lily, a carpenter, an honest, dedicated, loving man who was older than Mary of Nazareth, to be the foster, earthly father of my Son Jesus. They were a happy family of Nazareth, a true, honourable, perfect example for all families. Yes, they also suffered trials and hardships during their lives as a normal family, but they lived together in purity and chastity. And Virgin Mother Mary obeyed the message of Gabriel to be the Mother of the Messiah. Oh, she did not ask questions. Oh, she was obedient to her call. The prophesy of Simeon upon her about the consequences, the pains and sorrows of her motherly role, she knew, but she never hesitated to accept her mission. She said yes to Angel Gabriel. She was obedient to the Lord: "Thy will be done according to thy will". Oh, this is true love and obedience to me, the Father of all of you, my people.

Today there is no obedience between fathers, mothers and their children. Yes, my Son Jesus, he was always obedient to his parents, yet he obeyed me, his Heavenly Father, to do my holy work, the Father's work. Today there is no more respect between parents and their children as the Family of Nazareth who set the example. My people today, they don't set the example of coming and bringing my little ones to my Son's Holy Mass to teach them the value of my Son Jesus' doctrine, to teach them the importance of receiving my Son Jesus' Body and Blood worthy of him with the Sacrament of Confession with a contrite heart (reconciliation means to reconcile all their sinful lives or every day, daily life, in Confession), and to teach them to pray the Rosary as Mother Mary recommends and always teaches. Oh, the family should recollect in unison of voice by praying the Rosary as a family as the beginning of times where my people would not go to bed without praying jointly as a family. Today my people no longer have time to be united in prayer. My people don't have time to sit around the table to eat and to converse as a family. My children must hold hands and pray before meals and after meals, at least to say, "Thank you, Father, for this meal." My children have taken all these blessings for granted. My people must not forget that all the graces and blessings bestowed upon them come from heaven.

I, your Father, I love you all, my children. My Son Jesus, he is your loving Jesus, always interceding, pleading, asking me to forgive you of all your faults, iniquities, errors, sins committed every second of the day. Oh, I am a loving, kind Father. My Son Jesus has given himself totally for each one of you, to save you from Gehenna, to see you all at the Banquet of Heaven, but you, my dear people, turn away from my Son Jesus' call to save you. My people, receive in your heart and say yes to my Son Jesus' call

as Mother Mary accepted her call, her mission to be the Mother of your Saviour. I love you all, my people. Come and receive my peace, my love, a blessing upon you, your loved ones and all my people all over this entire world.

Mother Mary

My child, our Father has given you a message to relay to this world on honesty, love and trying to bring understanding between families. Our Father's message is to unite families as one. My child, yes, I, your Mother Mary, I ask my children to pray the Rosary as a family, to teach my little ones to bless themselves with holy water...

In the name of the Father, the Son and the Holy Spirit. Amen.

*And they must pray one **Our Father**, three **Hail Marys**, one **Glory Be**, then say...*

Loving Jesus, with this holy water, cleanse my sins, my impurities of my soul, my mind and my body. Amen.

The power of the holy water blessed by my son priests has great effect upon my children.
