

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter for sitting and conversing with me, your Jesus Christ, my Father, the Holy Spirit and my Blessed Mother. I, your Jesus, I am here to converse with you. My little one, I, your Jesus, I am here to convey a message to you.

My child, today, I, your Jesus, I am very happy, thrilled with all my children for conveying my messages to my children, the Rossi family of my son Piero. Oh, it was a comfort to their aching hearts. My child, I, your Jesus, I was very joyous with each one of you for coming forward and sharing your experiences, visions, with this, my family in need of reassurance of their pains of not being the closest of families. But, now in this, my family, there is much love, closeness to each other. That was the purpose of my daughter Anita's death. There was a very strong need for a bond, a united family in all aspects. My little one, my children, they were in tears of joy, not so much sorrow. This was a very special time for this, my family. My children of my Son Piero are in so much strength in their faith and prayers towards me, their Jesus, my Father and the Holy Spirit.

My Father, he is here to converse with you.

Father God

My little lamb, I am your Father God, your loving Creator and of all my children. My little one, I, your Father, I say thank you for going forward and relaying our messages to my children. My child, thank you for going forth and relaying our message.

My child, yes, these my people, they are accepting their loved one's departure, that I am with them till eternity, but they are still in some pain. My Petal, do not be afraid to open your mouth – the Holy Spirit will guide you with what to say. Relay all the messages to my people, their own private ones, because in time to come, they will appreciate them.

My little lamb, I, your Father, I heard the prayers from each one of them about my daughter Nicky being diagnosed with lung cancer. Oh, this family is also very distraught because of the same, familiarity of the same kind of illness, but my Rossi children, they are the pillar of strength for this family to carry on. My child Fernanda, I heard your prayer as well about faith with holy water. My child Fernanda, I know your desire of your heart, for my Son Jesus to heal my daughter Nicky from the lung cancer. Yes, my Son Jesus is going to heal my child Nicky from her sickness of lung cancer. You will be proclaiming my Son Jesus' holy name. I am your Father God, saying at this precise moment that my daughter Nicky will soon see the results from the cancer, tomorrow. Amen.

My child, I bless you, I give my peace to you, your loved ones and upon this entire world. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção¹. Amen.*

Mother Mary

I, your Mother Mary, I am here to converse with you. My child, I, your Mother, I am with you.

As my Father and my Son Jesus said to you, my child, you must relay our messages. My little one, I, your Mother, I heard all the messages, the words of comfort to their aching hearts. It's time now to let go of the past, to concentrate on the present and on my Son Jesus.

I, your Mother, I want you to rest early. You are very exhausted. I bless you, your loved ones and all my children. Thank you, my daughter Fernanda, I bless you. Thank you for responding to my call.

[Fernanda] *My Triune God, my dear Mother, sua bênção. My patron saints, angels, saints, archangels, my guardian angel St Filipe, sua bênção. St Ana, St Joachim, avós², take care of our sons and daughters-in-law and our grandchildren as you did with Mother Mary and Baby Jesus. Amen. Beijinhos³.*

Jesus Christ

We, the Triune God and Mother Mary, we bless you with our peace, our peace we give you and the whole world. Amen.
