

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting and conversing with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here to converse with you.

Oh my child Fernanda, today was a very special day in heaven and on earth, the Holy Thursday of my Ascension into heaven. This is a day that my children are supposed to respect and come to my Holy Mass to celebrate this special day. Oh, many of my children ignore this special occasion. I concede many graces and blessings when my children come and respect my Ascension into heaven, when they come and receive me in their hearts worthy of me.

My child Fernanda, today you were at the living waters of the stream on these holy grounds, where my Blessed Mother Tabernacle of the Most High appeared to Sister Reinolda May – a saint now in heaven, waiting to very soon be beatified as a saint on earth. St Reinolda May, my humble servant of these times, she is a very powerful saint. Soon my children will see how extreme her devotion is to help my children on earth through her intercession to us, the Triune God, and my Mother Tabernacle of the Most High.

You do have a special prayer request for the intercession of St Reinolda May. Propagate, spread this prayer request. Give it to my son, my devoted son priest Father Wayne, who is responsible for this mission at Ngome Shrine. In time to come, it will be the Basilica of Ngome, Tabernacle of the Most High, as my desire, to be constructed, erected on this holy grounds where my Beloved Mother appeared in full apparition to my daughter Sister Reinolda May. She baptised and taught many of my little children to know about me. She brought an immensity of souls to my Sacred Heart. She was my channel, my instrument, to carry this mission. Know, my child, she also didn't have an easy task, with persecutions and trials, tribulations ahead, in front of her, but she conquered all those obstacles to glorify my holy name.

My daughter, today was beautiful with my son priest Father Wayne, with you all listening and the conversations with you all. This was a special time spent together to unite in love, in the expanding of, the explanation of my children's gifts.

My daughter Teresa must not doubt her gift of vision and to be a prayer warrior to pray for the souls of purgatory. My daughter Teresa, continue praying in the same way that you are, to release these souls that have been in purgatory, waiting to receive prayers and Masses to be released from their

shackles, in the expiation of their sins, earthly sins, while on earth and then coming to eternal life with the big garbage of unconfessed sins, hatred, unforgiveness, many kinds of sin committed through the years – as you do know all the teachings about all this prejudice.

My daughter, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father God I am here with you.

Thank you for today, for attending my Son's Holy Mass. This is a very powerful, special day to come and celebrate, *compartilhar* (share) this event of my Son Jesus Christ's Ascension Day. Oh, many of my people don't know the meaning of the Ascension of the Lord into heaven, where my Son Jesus received from me, his Father God, all the power and authority of heaven and earth. How important this special occasion celebrated in heaven with *pompa*¹ is.

My little meek, tender lamb, I see the joy upon you and this entire group coming here to Mother Tabernacle of the Most High's holy grounds. My little children, I, your Father, I am very pleased with your sacrifice, love, to be here, to receive many blessings and graces upon you all. Know, my people of my Son Jesus' Divine Mercy group, today you have received special gifts and special graces, each one of you, for my Son Jesus' honour and glory.

Today, has been a very special day with the renewal of your baptismal vows at these living, flowing waters that have been blessed by the apparition of Mother Tabernacle of the Most High to the humble Sister Reinolda May – now a saint in heaven. Soon she will be recognised on earth. It's time for the recognition of her good deeds done on earth to serve my Son Jesus Christ. My little one, today all these, my children, have been cleansed – soul, spirit, body – of their iniquities, sins, past sins. This was a wonderful, unique gesture placed upon you all this morning. All my children received a special cleansing to remember – this was a remembrance of your Baptism, because you, my children, don't know or remember the day of your Baptism. I see you went a second time for your mission. I am pleased as you were prompt to listen to the voice of the Holy Spirit. Soon, you will carry your mission with more clarity within you, to progress, to spread the word, the messages of my Son Jesus Christ.

My little one, I, your Father God, I bless you all. I give you my peace, my peace I give you to you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*².

Mother Mary

My daughter, I, your Mother Mary, Mother Tabernacle of the Most High (the Mother of many titles, but only one Mother, the same Mother of my Son Jesus Christ and all my children), thank you, my little Petal, for the beautiful, fruitful day, these two days being here at my holy grounds. See, my child, all was planned for this encounter by my Son Jesus and me, your Mother. Everything about my Son Jesus Christ's plan of salvation upon my children [has been planned]. Yes, this was a day chosen by us in heaven, only for these, my children of this special Divine Mercy prayer group. Oh my child, the water upon each one of you: take these blessings and graces with you, in your hearts. Treasure them always. This opportunity does not happen often.

My daughter Celeste relayed the message of my love to all of you. This message was for each one of you. I placed all the petitions of my children in my Son Jesus' heart – they have all been heard. Thank you my daughter Celeste, my daughter Alice, Ligia, José, Tony, Teresa, Gorete, Gina and Nelita. This was not a coincidence – you have been picked and chosen to be here for my Son Jesus Christ's honour and glory.

I, your Mother Mary, Tabernacle of the Most High, I am here to convey this message to my children Tony and Nelita da Costa. Thank you, my dear children, for being here at these my holy grounds. Thank you for your desire to come here to my holy grounds before you leave for another country for a new beginning, a new life. Do not worry, my children. All has been taken care of according to my holy will. Nothing in my children's lives happens without my consent, my reason. I thank you for all the Rosaries, Divine Mercy Chaplets and prayers for your loved ones, family. They have all been heard here in heaven. Continue to propagate our love and progress in teaching my Son's Holy Word to my ignorant children. Oh, this world needs lots of prayers for this dismantled, disarrayed world. Continue to be my prayer warriors. Do not hide away your beautiful gifts, my daughter Nelita. My Son Jesus needs devoted children, as you are, to help to bring many scattered sheep, flock, to my Son's Sacred Heart to save them. Oh, do not let my children be scattered. Help them to see my Son's love for them, oh, not to be like scattered sheep or cows. Thank you, my children Tony and Nelita for taking this initiative to come for these few days to spend this special time, to *saborear*³, appreciate, inhale this, our love, in your hearts, as you go to a far country. I bless you all, my children.

To my children Ligia and José, I came to say that all your prayers have been answered with a new life from us in heaven. I bless you and your entire family.

My daughter Gina, I, your Mother Tabernacle of the Most High, I came to relay this message to you. I have seen all your pains, hardships and trials that you underwent in your life, but I have been with you, so has my Son Jesus Christ. All your concerns, sorrows, tears have been taken care of and have been seen by us. My Son Jesus and I will alleviate all these burdens, trials. Know that my Son Jesus never abandons you or forsakes you or any of his children. Be in my Son's peace, my child Gina. I bless you all, your entire family. My Son Jesus, he is the healer, the physician of his children. Amen.

Thank you, my daughter Gorete, for your trust, for believing in my Son Jesus Christ during your illness, your suffering, not knowing the outcome of your sickness upon you. But my child, prayers move mountains and trust in my Son Jesus is the key word for the healing in my children's lives. Yes, my child, you came here to my holy grounds to ask for healing from Mother, Tabernacle of the Most High. All your petitions and pleas have been taken to the abode of my Son's heart. Thank you, my daughter Gorete, for trusting in the healing of my Son upon you. Thank you for being a peacemaker and a prayer warrior upon your loved ones and to many of my children, for always being concerned about your sisters in Jesus Christ. I bless you abundantly, your loved ones, your spouse Tony and our sons. I hear all your prayers upon them. Trust my Son Jesus as you trusted him in your most difficult times. I bless you and your entire family. Amen.

My son José, thank you for coming to my holy grounds in thanksgiving for the healing received. In the course of your addictions, trials and hardships, thank you for persevering with the help of your earthly angels who were placed in your surroundings. I am very joyous to see you here at my holy grounds, the change in you to a strong, courageous son that you are to us here in heaven. My Son José, do not fear the future, tomorrow belongs to my Son Jesus. Surrender all, your loved ones, to

My son Carlo, I, your Mother Tabernacle of the Most High, I am here to relay this message. Thank you for always being obedient to your loved ones and for coming closer to my Son Jesus' heart. You are going to a faraway place, country, for a new beginning, a new environment, new surroundings. My Son Jesus, the Triune God, will accompany you on your long journey. I, your Mother Mary, I will be your shield of protection with my Virginal Mantle. Thank you for all the prayers being said along the years. Oh, it does please my Son Jesus and I to see my youth praying and loving my Son Jesus Christ. Carry on, my son Carlo. The reward will be one day in heaven. I bless you, your loved ones and this entire world. Pray for this decaying, chaotic world in need of reparation. Amen.

My daughter Alice, I thank you for all your arduous work, always to please everybody, to help my children in despair and affliction, and your loved ones. Thank you for being the anchor, pillar of strength of my little Andorinha⁴ and for your ministry in helping my son priest Father Joseph. Yes, the road has not been smooth, but the heavy rocks have been taken away by my Son Jesus Christ. Oh, this world is a passing by, but eternity is endless, forever. Thank you for all the Rosaries and for teaching my ignorant children to know more profoundly about me, your Mother, "Mommy" Mary, and my Son Jesus' teachings, his love. Persevere, the road is narrow, but the end is wide for the reward one day to take place. I bless you, your loved ones and all my children. Amen.
