

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus endures horrific pains, patiently waiting with open arms for the hardened hearts to humbly come in repentance to his Sacred Heart

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father, the Holy Spirit, and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you to convey a message to you.

My child, I, your Jesus, I am in a terrible, shocking pain [because] of so many crimes, atrocities, upon this world. Oh, there are so many killings, atrocities, of my children committing these kinds of horrendous sins. Oh my child, my aching heart, the pierced heart – oh, my Father God cannot contain this any longer upon me, his Son Jesus Christ. My Father, he is just waiting for me, his Son, to say, “Yes, my Father.” But I, your Jesus, I try, and so does my Blessed Mother all over the world, to convert, to change the hardened hearts, [for them] to humble themselves to come in repentance to my Sacred Heart, but to no avail.

My Father loves our children with unconditional love. He shares the same love for me, his Only Begotten Son, but my children do not want to see this love or care for their salvation. Oh, I thirst for the salvation of my children, especially the ones astray from my Church. Oh, my Mother’s tears of blood! As she appears to her visionaries all over the world, it’s the same every time, it’s all about their salvation, praying the Rosary, Confession, repentance and loving one another. Oh, my Mother’s tears of blood are so painful. I cannot refuse anything when my Mother asks her intercession upon my children to save them.

My children must respect my dear Mother dearly because she is the most adorable loving Mother towards all our children. Oh, what a sadness in her heart when she tries to ask our children to pray the Rosary and they turn away from this plea. My child, this is a call to all my children, for them to understand how our hearts are so pierced seeing the world going into decay of sin. I thank you for this time spent here with me to alleviate my Sacred Heart and her Immaculate Heart.

I bless you, your loved ones and all my children.

My Father God, he is here with you.

Father God

My little lamb, I, your Father, I am aware of all my Son Jesus’ and his Beloved Mother’s pleas to me for all our children, my people. Oh my little lamb, my Son Jesus, he is saying to you about my people’s salvation, about how this world is decaying into so much sin against their salvation. Yes, my

Son is a just, merciful, kind, compassionate Jesus Christ, so too am I, his Father God. My little one, I, his Father, and [the Father] of all my children, I am their Creator and I love them so dearly, but time is too precious to waste on this modern technology of videos, *imundice*¹, pornography and so much [more] destroying many innocent children. More and more mortal sins are being committed – crimes, wars and much more that our hearts just cannot take for too long. I see my Son Jesus suffering every second of the day, but there is no compassion from my people towards his merciful heart. Oh, my Son Jesus Christ is in constant pain. Every time my people sin, mortal and all venial sins, it's like a thorn in his heart, which my people perforate more and more. Oh, if only my people would see and repent, repent and see with their hearts of flesh, with loving, contrite hearts. My Son waits patiently for each one of our children.

Oh my Petal, I bless you, your loved ones and all my people Amen.

[Fernanda] *Thank you, my loving Father. You are my love, my hero of my heart, with the Father, the Son and Holy Spirit. Amen. I love you so much. I give my will, every second of the day to my Jesus. Amen. Sua bênção*². *Beijinhos*³.

Jesus Christ

My child, my dear Mother, she is here to converse with you.

Mother Mary

My little daughter Fernanda, I thank you for all the love and care with all my children. Oh my child, again I come to you, to speak, to convey this message of my children who have committed abortion. Oh, for the past almost-six years, you have many more messages in these books about abortion. Oh, you heard about my daughter _____ saying about how my children committed abortion and they asked her to help them financially. She did – yes, in the same way as many of my children do every second of the day. Oh these little foetuses, they are in turmoil of suffering because they cannot defend themselves. They are prisoners of their mothers, fathers, doctors, nurses and families – yes, prisoners in their mothers' wombs and then they are killed without remorse and these crimes are never taken seriously in this world. They are not punished because of these serious crimes. All these, my children, they are walking free in this world. Oh, but when my children come to eternal life, they are accountable for these crimes. Yes, when my children repent with a contrite heart and come to Confession and confess all these sins, yes, then my Son Jesus is in Confession with my son priests [to absolve them] because they are my Son's representatives, but my Son Jesus is the one who absolves them in my Son Jesus' holy name. Mothers, fathers, doctors, nurses and families who consent and are part of committing abortion in any way, they are committing exactly the same sin. Oh, my children must confess all this before it is too late. I bless them all abundantly for this act of contrition, love, for the salvation of their own souls.

I bless you all, your loved ones and all my children. Amen.
