

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father, the Holy Spirit, and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you. I thank you for being here with me at this hour of the morning.

My child, yesterday at the prayer meeting with my children Maria, Louisa and all of you, my children Manuel Baeta, José Cardoso and all the little ones, five of them, oh my child, what a joy in my heart. My Blessed Mother, my Father, the Holy Spirit, heaven was rejoicing with love in this joyous time. It was beautiful. Oh, what peace, unity, understanding, amongst all of you. It was such a peaceful time. I thank all of you for praising me, loving me and glorifying my name. Oh, I was in awe of love to hear my little ones praying the Rosary. Yes, thank you for transmitting the message to them. Yes, if all families would dedicate themselves in praying together, teaching the little ones to pray as this family is doing, the world would be a better place. My child, let there be love amongst them.

My little one, tonight your loved ones, your nieces, nephews encountered each other. Yes, pray for my daughter \_\_\_\_\_ and your loved ones to forgive one another. Thank you for being my instrument, my channel of peace, between your loved ones here in Madeira.

My Petal, thank you for reading, explaining each one of these conversations. My Petal, I do understand the fear of this entire situation. I do know and understand all. You are doing great work in my holy name to unify your loved ones. Nobody will interfere. I have given each one of my children many beautiful gifts, only for my honour and my glory. I will allow you this time to receive this grace, miracle, of peace and love in your family.

My child, my Father God, he is here to converse with you.

### Father God

My little lamb, I, your Father, I am here with you. I thank you for praising, glorifying the Holy Trinity and Blessed Mother, thanking my Son Jesus for many graces, blessings. Do not fear, no one will interfere in this, your mission, your task to change the hardened hearts.

My Son Jesus will do the rest. Your task is almost accomplished with your loved ones to come [together] as a happy family. I was there – the Holy Trinity, Mother Mary and many saints and angels as you invoked them. Today at the procession was amazing. My Petal, your time in your birthplace is almost finished, but it will carry on in your little nest back home. A bigger mission, task, is awaiting you. The stability will be visible in my children's eyes. My Petal do not fear any more. All is in my Son's hand, all your debts have been taken care of.

Today it was joyful to be with your *madrinha*<sup>1</sup>, auntie, and all your cousins being together as a family. Oh, your initiative to take a family photo was very appreciated by your loved ones. Oh, my little meek, tender lamb, these are memories to be treasured one day by your loved ones as you are going, growing into a different dimension in your life to serve my Son Jesus Christ. This is a special, unique time, that has been chosen by my Son Jesus Christ for something bigger to come, for my Son Jesus' honour and glory.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*<sup>2</sup>.

### **Jesus Christ**

My Petal, my dear Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>3</sup>, I, your Mother Mary, I am here with you. I love you, my child, and all my children.

I thank my children Jacinta and Tony for their good hearts to help you all this time. I will bless them abundantly with work and financially with many blessings and graces as they did for you.

My little Andorinha, I thank you for being there in my holy waters at my Son's church. Oh, the photos taken with my statue of my Son Jesus in this church – it's a very painful moment when my children pass through without even seeing my sorrows, sadness, sometimes in my eyes. They don't even look at me, us, in my Son's church. Yes, my daughter \_\_\_\_\_, she admires my images with love. I will humble her heart towards her loved ones. Oh, your prayers, desires, you will receive many miracles very soon as you have been praying. You received the privilege of seeing your *madrinha* from a far country – that was my Son's plan for you.

My child, do not fear to pray upon my children alone in my Son Jesus' holy name, you will be doing many miracles through my Son Jesus' holy name.

Oh my child, did you see the joy that my children had in seeing you because they know in the depths of their hearts, the gift that has been given to you. Oh, my Son Jesus has given you a rare gift – use it when my children need it.

I bless you, your loved ones and all my children. Amen.
