

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Government leaders must start seeing with the eyes of their hearts and more intense prayers are needed for all to love the Triune God

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little Petal, there is so much happening in this world of *revolução*¹, revolution, countries against countries, wars causing so much pain. Oh, Syria is a dismantled country with many of my children running from their own birthplace because of religion, power, a feud of who is more powerful, because of religion and earthly things. Oh, these, my children, my innocent little ones, are suffering exhaustion and death. You heard today as your heart and many of my children's hearts cry to see all these families lost at sea, drowning. Little ones don't know what is happening. Oh my child, this is getting out of hand upon this world. My hand is coming down soon. I cannot hold my hand up for too long. If my children won't change and humble themselves [my hand will come down]. The government leaders of these countries must see with the eyes of their hearts, not with the eyes of flesh. My little Petal, I, your Jesus, I have given you a prayer before to pray for this country². I, your Jesus, wanted you to spread that prayer for this reason. I, your Jesus Christ, knew all this, that is why I wanted you to pray fervently for this situation. I, your Jesus, I cry with these, my children, asking me for help. I will bring back stability to this country, but only if the world prays more intensely, more profoundly for their conversions, to love me, Jesus Christ, the true God the Father, the Son and the Holy Spirit. Amen.

Seeing that you are now back at our little home, I, your Jesus, I ask you, I need you, my child, to be very intense in your prayers and my work.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, thank you for this time to be here in conversation with me your Father, your Creator, the Highest of Heaven and Earth, the Creator of the universe, the Father of your Saviour and of all my people. But my people don't pay attention to any of these facts, that I am the Father God. If I didn't allow my Son to be born and to die for my people, where would my children be today, with no one to save them? They saw my Son's horrible, excruciating pains, yet they are still doubting,

ignoring my Son's pleas for them to repent. But my Son Jesus never stops asking me to spare them from damnation of sin, from being condemned for all eternity. Oh, if only my people would imagine what hell is, they would die before their time in sorrow, pain. Oh, purgatory is not so painful, but they also suffer tremendous pains. Oh, my people cause excruciating pains upon one another, especially the innocent, defenceless ones who don't know where they are going. Oh, their future is an uncertainty in their lives. My little lamb, pray for this, my entire world. Oh, my Son Jesus' Sacred Heart cannot contain these horrific sins in his heart. My child, pray the prayer to alleviate his Sacred Heart.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my adorable, loving merciful Father. I love you. Sua bênção*³.

Jesus Christ

My little one, my Beloved Mother, she is here to converse with you.

Mother Mary

My little angel, earthly one, I, your Mother, I am here with you.

Oh, you are getting the feeling in your mind that you are still in your birthplace, but reality is upon you. My child, you will be starting your task as my Son Jesus is preparing all for you. This trip to your birthplace was no coincidence. It was planned even before you were born. Be strong, don't be alarmed with your discernment in the attacks, the warfare of the enemy – you will conquer your obstacles in my Son Jesus' holy name. Oh my Andorinha⁴, this is going to be a strong mission, but the enemy has no place in this, your mission. Pray, pray to your patron saints, they are waiting for you to ask them in prayer, to open your heart, your mouth to them. Carry on, my child, you have been chosen for this mission. Oh my child, you and the whole world [must] see how this world is in chaos, turmoil, and is going more and more into decay, with sins upon sins, unforgiveness, [in greediness of] power to control their country. Yes, as all my children can see about the country Venezuela: oh, just in the name of power, destroying their brothers and sisters in Jesus Christ. Oh my child, how long can my Son resist so many sins without interfering? No, my children, they are only seeing with the eyes of the flesh, not the heart, and no one can stop [them] because of the power of the wrong leaders, governments. My little one, this world cannot carry on for too long with this perfidious war.

I bless you, my child, your loved ones and all my children. Thank you for responding to my call. Amen.
