

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here with you. Thank you for sitting at this hour.

You have been very tired from having to cope with so much of my work, with many of my children seeking healing. My Petal, you are going to be this way for a long time. There is so much to do for me, your Jesus Christ.

Oh, my child, you received a hurtful remark about having rich friends. My child, you answered with humility. I do know how you are feeling.

...private message removed...

My little one, I, your Jesus, I want you to start your mission. You were reading all the last messages about my Second Coming: yes, my child, I will be coming soon. Oh my Petal, there is so much discord, disturbance, chaos in this world. My pains are beyond my children's imagination.

My child, I need you to go out and proclaim our messages. Go to prayer groups and teach them about my desires. I want prayer groups to grow more and more, as home cells and to form prayer groups – as many as my children can possibly form. In these prayer groups my children praise me, love me and help my aching heart. They must pray for my Church, my son priests, for my holy Pope Francis to be able to care, to guide my sheep, my flock. They must pray for the youth, especially against Satanism – my children are falling more and more into this trap of diabolic worship. They must pray intensely for abortions [to be stopped], to save my little ones in their mothers' wombs from these assassinations, killings. They must pray for Syria and for all the countries in war. They must pray for this country South Africa, for good a government, good ministers to guide this country into a safe, harmonious unity, peace and love, and for this entire world.

My child, as I said to you before, prayer groups are my only hope to help this world in disarray of sin. I bless all of these, my children, families who are dedicating themselves in prayer groups, but I repeat: all must be in love and unity, with no vanity or arrogance in prayer groups because it's all about me, their Jesus Christ. All honour and glory be to God the Father, God the Son, God the Holy Spirit. Amen.

[Fernanda] *Thank you, my loving Jesus. I love you so much.*

My Petal, my Father God, he is here to converse with you.

### **Father God**

My little, meek lamb, I, your Father God, I am here with you. Thank you for your time to be here.

Today, all day, you have been doing our books. Yes, my little one, time is running out. Time is very precious to be wasted in disharmony and discord, on the things of this world.

My little lamb, my Son Jesus allowed you to go to your birthplace. There was a reason for this beautiful trip taken by my Son Jesus' holy will. There was malice in some of my people's words. Thank you for being calm, patient in awaiting the good news of my Son Jesus. He sent you to see your loved ones, family, friends and your birthplace, because soon there will be a different kind of environment upon you, your life. Your time will be only to work for my Son Jesus Christ, for the Kingdom of Heaven. You will be occupied only in helping my Son Jesus Christ, his children in need of help. My little Petal, you will be a warrior, *guerreira*<sup>1</sup>, for Jesus Christ. Nothing is easy in serving the Son of Man, Jesus Christ, the King of heaven and earth. My Son Jesus' Kingdom will have no end, but my Son Jesus needs instruments, channels of peace and love to bring [back] the lost sheep that have been scattered. My Son Jesus needs you to come and be his messenger to convey, to relay our messages.

My Petal, today you were reading the past messages from me and my Son Jesus for the End of Times – yes, it will be soon. I will be giving more explicit detail on how it is going to be in those Three Days of Darkness. My little lamb, I, your Father, I am listening, taking into my heart, my Son Jesus' pleas to give my people more time to repent, to come closer to his heart, for them to comprehend how important the Kingdom of Heaven is, to sit at the beautiful banquet of heaven, but my people don't think that to enter the Kingdom of Heaven it's necessary to be cleansed, purified, of their sinful lives. My Son Jesus is a merciful, kind God (and me, their Father God), but during the course of their entire sinful lives, most of them never repent or confess their horrendous sins. Here in heaven, we do see every instance of my people's lives, their errors, mistakes, hatred, vengeance, unforgiveness against one another and many more sins being committed, especially by ignorance or because they are in this world of glamour, riches or enviousness, jealousy, curses, witchcraft, killings and many more outrageous sins. Sometimes there is no time to repent. The Son of Man has given all the teachings, wisdom and knowledge on earth through the teachings of the Church, my son priests, my Apostles, the Holy Bible, but to not avail – they are carrying on as if their salvation means nothing for them. My Petal, I, your Father, I will relay more about these teachings.

I bless you. I give you my peace, my peace I give you, your loved ones, and all my people. Amen.

[Fernanda] *Thank you, my beautiful, kind, lovable Father God. I thank you for many blessings, graces given to me, our loved ones, our family. Amen.*

My Andorinha<sup>2</sup>, my Mother Mary, she is here to converse with you.

### **Mother Mary**

My little Fernanda, I, your Mother Mary, [am here]. You rested this morning. You are able now to converse early. You have been too occupied since you have arrived here from your birthplace, but

there are many of my children who have been waiting for some prayers, help, in my Son's holy name. There is so much affliction, sorrow, pain, despair in my children's daily lives. There is so much despair, but my children forget to pray, to kneel and pray asking my Son Jesus' help. My children must know that my Son Jesus never says no when my children ask through my tears of blood, my tears that I cry, I shed constantly, because of this world in disarray.

My little one, you heard my children Gina and Duarte's pleas, cries for help. Yes, they are in despair, but I, your Mother, I am interceding to my Son Jesus to help these, my children. They will come out of this difficult situation. My Petal, I, your Mother, I cry with my children. I wipe away their tears, so too do my Son Jesus and our Father. We are constantly with my children at their side, but they forget to call us in heaven. We are always with them, but my children, when they ask and don't receive what they pray for, they turn away saying, "Oh, Jesus does not answer my prayers," or they say, "God does not exist," or "God has forgotten about me and does not want to help me." Oh, it is not like this. My Son Jesus answers each one of my children's prayers, but my Son answers in his own time, the appropriate time, because he knows what is best for his children, and most of the time, those prayers are used for something different that is best for their lives. Oh, we do hear [and see] every word, sigh, the pains, tears, despair, despondency, trials, tribulations, sorrows, everything in each one of my children's lives.

My children must trust and believe in my Son Jesus Christ. He is the only one, the Alpha and Omega, the Saviour, the helper, the healer of thee, the provider, the true, only God, who loves each one of you unconditionally. His love is pure and sincere. He never hurts any of his children. He is love, he is peace, he is harmony, he is everything in my children's lives.

Relay this message to my children.

I bless you. I, your Mother, give you all my love, to you, your loved ones and all my children. Amen.
