

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, thank you for being here with me, your Jesus Christ. Oh, I missed our conversation yesterday. Yes, you were exhausted and so too were all my children of this Divine Mercy group coming, [travelling] all these long hours to be here in my Holy Land.

Oh today you and my children attended my Holy Mass in this special place, at St Joseph's house church where he lived most of his life, then seeing the "manger" where I, your Jesus Christ, was born. This was a very special time spent there, kissing my ground's holy "star", the bright star. My child, I, your Jesus, I was there for each one of you, my children. I saw that my children, each one of them, became overwhelmed with emotions of all kinds in their aching hearts. My little one, this was a privilege to celebrate Holy Mass close to where I was born – in a manger to teach humility. There is so much history in my birthplace. Then, my foster father Joseph looked for a place for us to live, a barn – yes, we also ran away from King Herod. Oh, the killing of innocent little ones because of my birth! They wanted to take me to be killed because I was the King of Kings.

Yes, I opened the way, the pathway, for all of you, my children, to come and see all of this. My little one, today as well, at the milk grotto, my children were very touched by me, their Jesus, and my Mother Mary feeding me, her Son Jesus. Thank you for buying the powder¹ and prayer to give to my children in need of falling pregnant. Yes, many miracles have occurred there through my Mother Mary's grace and intercession to us in heaven. Pray fervently for my children in need of help.

My daughter, Father God, he is here to converse with you.

Father God

My little one, my meek lamb, I, your Father God, I am here with you.

My little one, this group coming here on this pilgrimage – this was my Son Jesus' plan for each one of them. I, your Father, I will give you a message for you to relay to my people on this pilgrimage.

¹ Referring to the Chapel of the Milk Grotto in Bethlehem. According to tradition, Mother Mary gave milk to infant Jesus and a few drops of her milk fell onto the rocks and since then the colour of the rocks changed to creamy white.

My dear people, my children, I, your Father, I am here with you all. Thank you for your time, patience, courage, faith and perseverance in every instant of your life. I, your Father, I want each one of you to pray for this country with all your hearts. This country, the Holy Land, Palestine, has been in conflict, war and poverty. This has been going on for many years, from the beginning times – Palestinians, Jews, Israelites – in all the Holy Land just because of greediness, power, status between governments. My people are seeking peace, but prayers are the only solution for this country. My dear ones, just pray, pray for this, my country where my Son Jesus walked before, more than 2,000 years ago. Oh, it's very sad, but my people live here carrying their sins, impurities of their souls and minds. My children, I am your Father and I am here to plead to you to pray for this country. Thank you for helping me on this. I need you, each one of you, to pray – the prayers will reach heaven.

I bless you, my child. I give you my peace, my peace to you, your loved ones and all my people. Amen. Thank you, my daughter.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*².

My little one, my dear Mother, she is here to converse with you.

Mother Mary

My little Andorinha³, I, your Mother Mary, I am here with you.

I, your Mother, I have seen all my children's pains, sufferings, hardships, even the sacrifices to come all this way, but, my child, the time was right for each one of you. Oh my children, I am here with you. Oh, my children are very hurt. Their pains are clear on their faces.

Oh, my daughter _____, she has been in so much pain because of the sins' pains that she's carried along all the years. My daughter _____ needs to be healed from the pain, the secret that she has carried through the years. Oh, the abortion has been very heavy through the years. My daughter _____, I, your Mother Mary, I am here with you to console you, to let you know that we are aware of everything in your entire life. My child _____, I, your Mother Mary, I have seen this pain because of the abortion. My child, we do know the reason – it was not your fault. Your sorrow, your guilt almost took you away from us, but my daughter, take it to Confession. My Son Jesus is a merciful, kind and gentle Jesus. Be free from this pain. Follow me all the days of your life, follow my Son Jesus – he is your healer.

My daughter, I, your Mother Mary, I ask you to bless our child here with us in heaven. Bless with the Sign of the Cross and give a name to be baptised in the name of the Father, the Son and Holy Spirit. Amen. [Say:] I baptise you and, with holy water, splash as you are baptising⁴. My child _____ and your spouse, I want you to be free of this pain in your heart after all of these teachings. My Son Jesus and our Father God are waiting for you to name and baptise our child. Be in my peace, my little one. Thank you for coming to my Son Jesus' Holy Land, birthplace. My child and your loved one, spouse, my Son Jesus never abandoned you or forsook you through the years. We saw your pain, the reason, but now is the time for your healing and of your loved ones'.
