

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to converse with you.

We didn't converse last night. My Petal, I, your Jesus, I do know the reason why we didn't converse: you came late from the wedding and you are still exhausted from the trip to my Holy Land, Israel. Yes, you haven't yet recuperated. Since you came back, you have been very occupied with some chores.

My child, I thank you for attending the wedding celebration of my daughter Dalia and my son Brett Grobler. My child, you were very joyous to attend these marriage vows, yet not with the same celebration as you were with me at the wedding of Cana. But, my children, they are Christians as well in their vows of marriage. Yes, you would like to see them in our religion but, my child, I, your Jesus, I am their Jesus as well. I do comprehend each one of my children's hearts, their religion, as they are brought up in their families, homes. You, my child, my prayer warrior, can pray for these, my children. With prayers nothing is impossible. I, your Jesus, I am the judge of each one of my children. My little Petal, your heart was full of joy to see my daughter Dalia getting married and to see my other daughters Emilia, Isaura, Lina, Sergio and their loved ones, this entire family whom you love dearly as your own children. Oh, many times you have helped this entire family in many ways with your good heart, good deeds. Oh, you do pray for this entire family without their knowledge. Keep praying, they need your prayers. I will keep this family protected as you are praying for them and for their needs in their lives. I thank you for this act of love towards my children.

My little one, I, your Jesus, I am here with you – and the realm of heaven, the Triune God and my dear Mother Mary. My little Fernanda, this Alpha and Omega Mission, your task, is on its way, growing more deeply as I desire. I thank my faithful son Charles Pritchard for being obedient to the Holy Spirit and to progress [with] this mission, for the courage, faith, trust and initiative for doing this, [for it] to go forward. Know, my Petal, there will be some obstacles and persecutions, but my child, to serve God, your Jesus Christ, to carry the Word of God, is arduous work. Remember, at the beginning of times, all my Apostles suffered tremendously. Today, at my Holy Mass, you listened attentively to the Scripture about the Jews who questioned me, not believing that I was the Son of God. They wanted to punish me and criticised me [by saying] that I was blaspheming God. My Petal, if they didn't believe in me, the Son of God, the Messiah, the Saviour of the world, you do

understand [why] some of my people, my children, also persecute you because of your rare gift, not believing in you, that you are my humble servant, my messenger for the End of Times, my Second Coming. Be courageous and strong in your faith. Trust always your Jesus Christ. Do not become despondent at the time of your persecutions, trials of your mission. I am with you at all times, till the end of times.

...private message removed...

My Petal, this is for you only until the time is appropriated for you to relay and convey this to my children.

My Father God, he is here to converse with you.

### **Father God**

My little lamb, I, your Father, I am here with you.

I bring my peace and stability upon you, your life and our sons, loved ones.

My little meek lamb, I thank you for today. I see you prayed with my son Charles and my daughter Alice upon my children, my little ones – Pam, Anthony and the little ones. Yes, it was very essential to pray upon the little ones. Oh, these games like “Charlie-Charlie” that are instructed in the school grounds are destroying my little ones’ souls the most. Yes, the evil is in these games. My little ones should be taught in their homes and school grounds to be aware of these dangerous games being performed. See, my child, my little ones, they are so innocent, falling into the evil trap. Oh, this modern technology is so malicious, poisoning the minds of my little ones. As they are growing up, this becomes more dangerous to their souls. My people must be aware of these dangerous games. Oh, there are many more than this one, especially Satanism upon my little ones and adults. [The Satanists] are on the rampage to destroy my people. They are performing many acts of indecency against Mother Mary, blaspheming the Mother of my Son Jesus Christ. My meek lamb, pray in as much of your time as possible for this world with these sins – and many more sins [that are being] performed throughout the world. My little one, I, your Father, I have been telling you all these years about the sins of this world and about what hurts my Son Jesus Christ the most.

My little Petal, I, your Father, I bless you, I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *My loving Father. I love you so much. Sua bênção<sup>1</sup>. Beijinhos<sup>2</sup>.*

My child, my dear Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>3</sup>, I, your Mother Mary, I thank you for this special time given to us in heaven.

My little one, you are very close now to starting your mission. You are proceeding, going forward. My Petal, I, your Mother, I am with you to help you. Pray the prayers that have been given to you, the prayer I have given you to be your teacher, your guidance.

Oh, yesterday, you wanted to talk to my people, your friends from the past, whom you love so much. You tried, but yet my children don't allow you to open your heart, your mouth. Time is coming near when you will convey, relay our messages. Oh, my son Charles has been chosen to help you on this mission. My Son Jesus will come to you very soon to clarify more profoundly about this mission, to let you know that you are his messenger. Oh, the persecutions and trials – it's part of the hardships when my children serve my Son Jesus Christ, the Son of God the Father and God the Holy Spirit.

My children, my Son Jesus' time is here, his time of heaven, his own time that belongs only to the Triune God – [it's] their mystery, the mysteries of God the Father. My children can't go beyond the mysteries, the mystery of God. I, your Mother, I am here to say: carry on my child, be courageous at all times.

[Fernanda] *My dear Mother, can I please ask a special prayer for your daughter Rita in Madeira whom I prayed upon, for her cancer? My Jesus has given me a message that your daughter will be healed. Oh my dear Mother, my daughter Rita, her heart is swollen and she will be going for chemotherapy. Please, my mother, intercede for your daughter Rita's healing at the foot of the cross of your Son Jesus, for her to be healed through Jesus' holy will, holy name. Please, my dear Mother, I ask you this favour. Please, my dear Mother, I believe and trust in your Jesus, "meu amor"<sup>4</sup>. I love you, my Jesus Christ. You are everything to me. My will belongs to my Jesus. Amen.*

My little Petal, Andorinha, I, your Mother and the Triune God, we are here in unison of voice to concretise, to confirm my Son Jesus' holy, solemn words that never go back, that our daughter Rita will be healed – my Son Jesus' holy words. Amen.

Rest in peace, in my Son Jesus Christ's arms. Amen.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.
