

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Many are turning a deaf ear to the signs of the times, ignoring God's call to live in simplicity, humility and purity of heart

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I am here with you. I thank you for today, for praying upon my daughter Penelope with my children of my devoted Alpha and Omega Mission [prayer] group. Oh, my daughter, needs all kinds of healing. She will come closer to my heart. She will convert to Catholicism. She will learn about my desires to help me. I also thank my dear children Derek and Debbie for their good hearts in helping many of my children to know me more profoundly. I thank these, my precious children.

My little one, oh, you went to see my little ones, my children, these past two days. Oh, these, my innocent children, did a beautiful concert. Oh, they are so beautiful – the little ones. Oh, this world would be a wonderful world if my children would have simple, beautiful hearts as these, my little ones. Yes my children were also once upon a time innocent little children, but in time, as they grow in adulthood, they become different [in] spirit. They change their innocent soft hearts into hardened hearts, hearts of rock.

Oh my child, there is so much happening in this sinful world. Oh my child, again, they were holding hostages in the country of Mali – as you know, there is more happening all over the world. Oh, these are the signs that my children must see around them. Time is running out for their salvation. Oh, my children must strive for their salvation instead of being in so much conflict. Oh, the Middle East needs urgent prayers. Oh, I want to save my children from the pain of war. My children must see that, all over, the world is turning into a horrific torment, perfidious pain. But my children turn a deaf ear to these signs, very clear signs that I have been telling my children [about] all the long years before. I repeat: time is running out for my children's salvation.

Thank you, my daughter, for relaying these messages to my people. Do not keep them to yourself.

My little one, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here with you. I came to converse with my little Fernanda. Yes, again yesterday we couldn't converse. Oh my child, you have a load of work upon your shoulders to serve my Son Jesus Christ.

My daughter Fernanda, I, your Father, I have seen the contradiction [by my son priest] against you when you receive my Son's Precious Body on your knees as my Son Jesus Christ asked you to receive him: on your knees and in your mouth. Oh my Petal, I, your Father, I thank you for obeying my Son Jesus Christ. You also obeyed my son priest Father _____. My little one, thank you for being obedient and calm in those specific times. My little lamb, be always humble, in humility in times of calamity, persecutions. The enemy always attacks the prey to cause disturbance. Do not let the enemy, with his paws of venom and malice, be fed to cause disruption, discord. Do not stop coming to my Son's Holy Mass. Be always in simplicity and humility. There is a season for everything, to talk, to keep quiet. Silence is the best to be my Son Jesus' humble servant at all times. I thank you, my little one.

[Fernanda] *Oh, my Father, I did not [want] to be disobedient to your son priest Father _____. I wanted to be obedient to my Jesus Christ. My loving Father, I need to go to Confession. Did I sin by carrying on kneeling down?*

My little lamb, I have said to you that you did not sin, but you need to confess in Confession. My Son Jesus will be there to absolve you from any disturbance. I explained it to you – you didn't commit a grievous sin, mortal sin, but your heart was also disturbed and not in peace. At that moment your heart felt pain and confusion, doubt. You also commented with my people about this issue. I do understand that your heart was in some pain. You were doubting yourself about all this. Come, my little one, and bring all this conversation of that day to Confession to clarify and purify your conscience, as my Son Jesus is in the Confession box with my son priest. This is very essential for my children to know, to comprehend how important Confession is for their souls – even if it's not a mortal sin, but it's not safe for their souls. My people need to come to eternal life with a clean book because they don't know when their last breath on earth is. Continue to receive my Son Jesus Christ with a clean heart, with Confession, receiving him in your mouth and on your knees. In time to come, my people will understand and they will follow your example. It's all about my Son Jesus Christ, [for his] honour and glory, forever and ever. Amen.

I, your Father, I bless you, I give you my peace, my peace I give you, your loved ones and all my people. Amen. Thank you, my daughter Fernanda, I will convey a secret for you very soon. Amen.

[Fernanda] *Thank you, my loving Father God. I love you. Sua bênção¹.*

Jesus Christ

My child, my Beloved Mother Mary, she is here to converse with you.

Mother Mary

My little Andorinha², I, your Mother, I thank you for invoking me in every prayer when praying upon my children. I am very pleased with the manner in which you pray, invoking the Triune God and Mother Mary as the priority of the prayer, and then invoking the saints and angels of heaven.

My child, you and my Alpha and Omega Mission prayer team prayed and helped these my children in despair, in disunity, against one another, Gugu and her spouse. Oh, my son _____ was lost, but is found. The enemy attacks were severe on this, my family. My child, you prayed and invoked the family of Nazareth, the Holy Family. I thank you for uniting them in my love and for making them hold hands to be united again. You are my peacemaker in conjunction with this group, team. Know,

my child, that this Alpha and Omega Mission team will expand, spread, to bring many souls to my Son Jesus' pierced heart. My Son Jesus is preparing a beautiful banquet in heaven for all my children who are worthy of him with a perfect, clean heart, to participate in all the glory of heaven. Amen.

My little one, I, your Mother, I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

I love you, my little one and all my children. Pray for this world in so much disorder, turmoil. My Son Jesus' Second Coming is near. I bless you all. I cry tears of blood pleading to my Son Jesus for more time for the world. My children ignore this, my call, my words. At this hour they are committing horrendous crimes, and we in heaven, we see each one of these pathetic, horrific crimes. Oh, so many harmful disastrous, grievous happenings at this moment. Pray without ceasing. My heart is in constant affliction because I see how many souls are lost at his hour. Amen.

[Fernanda] Thank you, my loving Mother. I am sorry for my sins and for all my loved ones' and family's. Amen. Thank you, my adorable loving Jesus Christ. I give, I offer my will to my Jesus Christ. Angels, archangels, saints of heaven, my patron saints, forgotten saints of heaven, St Ana and St Joachim, avos³, as you did with Mother Mary, our grandchildren and great-grandson, my loved ones, our sons, daughters-in-law my entire family and my late spouse's family are in your care. Sua bênção. I love you. ♥♥♥♥xxxx
