

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.

Even so. Amen.

I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Father God

---

My dear people, I am your Creator of all things in this universe. I am the Father who loves his children with unconditional love, but you, my people, don't even know about this Father's love. This love is from the Father God of heaven – with my Son Jesus and the Holy Spirit. We are the Three-in-One Persons Inseparable. We, the Triune God, we are always in unison of voice to guide you, to teach, to protect, to help you. My people, some of you don't even know us, the Triune God – the Father, the Son and the Holy Spirit. Amen.

How many of you are going to bed at night after we have given you a beautiful day, or some a rough day with trials, tribulations and hardships, without blessing yourselves, saying, **“In the name of the Father, the Son and the Holy Spirit in thanksgiving to the Holy Trinity for the graces, trials, hardships, and for the grace of another day on earth”**? Remember, even trials, tribulations and hardships are a grace, a blessing in your lives, because through all of this, we are with you. In every instant of the day, when you call Jesus, Father, Holy Spirit, we are with you – especially in your most difficult times, that's when we are with you, yet you, my people, ignore us.

We, the Triune God, we love you dearly. We created you, my children. You are mine, my own flesh and blood. My people, do not ignore the Holy Trinity. In the morning, as you wake up, just say again: **“In the name of the Father, the Son and the Holy Spirit. Amen.”** Think about us as you wake up. This is a prayer without ceasing. Yes, we do know how late it is already, so many things to do for the day – school, work and many more chores to accomplish that day, but remember, I, your Father, the Triune God, should be your first priority as you start your day. If you remember us and pray at least one **Our Father**, three **Hail Marys**, one **Glory Be** to the Father, and bless yourselves, teaching the little ones the same, your daily life would run smoothly in many ways because your heart was seeking your God as a first priority. Remember Martha and Mary: Martha, her first priority was concern of earthly things, but Mary, her priority, concern, was taking care of my Son Jesus Christ. So too it's the same with you, my people. First pray, thanking us for the night. Also, make your own prayer from your sincere heart – let the Holy Spirit guide you. Call upon the Holy Spirit at all times. He is your guidance, your teacher, your helper. In your most difficult times, in times of decisions, he is your light to enlighten your mind with clarity. He is your breath of life. See, the Three-in-One Persons, we are the strongest of heaven and earth.

My people, I, your Father, I want to ask you to respect Mother Mary. She has been chosen to be the Mother of the Messiah, your Saviour, the Redeemer of your sins. She is always next to her Son Jesus. Where the Son is, there is the Mother, and vice versa. She is a powerful intercessor for each one of you. Even when her children ignore her, not loving her, she is always asking her Son to help, to rescue her children in despair. She is the most loving Mother. She loves her Son Jesus Christ unconditionally. Mother Mary shares this same love with all her children. Do not forget to also thank Mother Mary for all her prayers, intercessions, at the foot of the cross for each one of you, my

people. Remember, she has a special role in heaven and on earth. Venerate the Mother of your Saviour as your own Mother. Amen.

My dear people, I, your Father God, I convey this message – of my love, care and protection, to respect the Holy Trinity, the Triune God – through my Son Jesus' humble servant messenger. I bless you all with my peace, my peace I give you, your loved ones and upon this entire world. Amen.
