

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting here with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus, I am here with you.

Thank you for today, for attending my Holy Mass. My little one, about your sadness of not being able to receive me on your knees. I desire that, but my child, you have been obedient to my son priest not to cause disunity. I thank you for bringing this issue to Confession. I do understand the content of your pain because you do feel in your heart that you are disobedient to me, your Jesus Christ. My child, you are right in your heart, that first you must obey God the Father, God the Son and God the Holy Spirit. You took a few days in your heart to accept<sup>1</sup> and to come to my Holy Mass in this, my church, but you knew in your heart that my adversary was winning. Thank you, my child, all is in peace now with my son priest. You kept silent in your heart. I do know that before you come to Holy Communion, you ask forgiveness from me for not being able to receive me on your knees. I thank you for praying for my son priest – he will change towards the end. My child, I am not going to make you accountable for this disobedience. It's not your fault but I, your Jesus of Nazareth, I will make the one accountable for this sin of being disobedient to my wishes, my desires. I thank you for coming back to my church. You receive me [on the knees] where they allow you to. Pray for all my son priests, my Church. Don't allow Satan to take over my son priests. They are human – they need strong prayers against the enemy's attacks.

My child, today you went to see our new home! Yes, my child, this is our new home.

[Fernanda] *My Jesus, thank you. If only your son Charles decides to buy it.*

My Petal, my Charles will buy it. My hand is on this, all is under my control. Remember – my Blessed Mother said that you will move to a bigger, spacious home. This is the home for you and the ministry, the Alpha and Omega Mission.

[Fernanda] *Thank you my loving Jesus. I love you so much, my king, my spouse, my Lord.*

My child, my Father God, he is here to converse with you.

### Father God

<sup>1</sup> Fernanda had to accept the fact that the priest was not allowing her to receive Holy Communion on her knees.

My little lamb, thank you, my child, for being here with me.

Oh, today you are not so exhausted. Yesterday we couldn't converse, [you conversed] only with my Son Jesus Christ.

My little Petal, I, your Father, I am so concerned about this entire world, so is my Son Jesus Christ and his Blessed Mother and the Holy Spirit – as you know, we are inseparable. Today, you read a message, Mother Mary's, from early 2010, asking you to pray, pray for this world – this country South Africa and for the whole world. She said that time is too short to waste, that your mission must start soon. Yes, my child Fernanda, we are very concerned with the way this world is going. You reread the secrets given to you. Oh, your heart was sore and preoccupied with that. Yes, my child Fernanda, you have to start soon on your mission. You have to go around the world soon to explain, to teach about the meaning of my Son Jesus' Second Coming, the End of Times.

My little one, my people listen to this, oh, but they turn away, ignoring all these messages. My little one, soon you are going to receive the sign as my Son Jesus promised you, then my people will understand the messages that you are going to convey to them for their conversions. You are going to teach them the unique prayers given to you for the End of Times.

My little lamb, our concern (the Holy Trinity and Mother Mary's) is that we want all my people to come and enjoy the Banquet of the Lamb on my Son's Second Coming, as he is coming to judge the living and the dead according to their deeds.

My little lamb, this is going to be a very arduous task, but you will conquer all the persecutions and trials. Pray. Start praying to your patron saints for them to intercede for your mission and pray the Armour of God (Ephesians 6) every day. Don't delay, my child, this is a very auspicious mission. But my child, you are much stronger now. My little one, small in structure but big in faith, love courage, perseverance and fortitude to carry this task, *encargo*<sup>2</sup>, in my Son Jesus' holy name. Amen.

My Petal, I, your Father God, I bless you. My peace I give you, upon your loved ones and all my children, my people. Amen.

[Fernanda] *Thank you my Almighty Father God, my Triune God, my strength, my fortitude to carry my mission. I love you, Father. Sua bênção*<sup>3</sup>.

My daughter, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little Fernanda, I, your Mother, I am here at this hour. I came to bring you the good news of hope and faith to carry this task in my Son Jesus' holy name. My Petal, the good news of our new home that has been chosen by me, your Mother Mary. My child, it's been a long time! As we promised to you, our new home is ready for us, for the Alpha and Omega Mission. You will be moving soon. See my Petal, when my Son Jesus says "soon", it's heaven's time, not earth's. My child, this has been given to you a long time [ago], but only now, the time was appropriated [for it] to be given to you – all in my Son Jesus Christ's own time. My child, the time, the hours spent here with us in heaven

have been appreciated and engraved in heaven. All these hours of sacrifice are not going to be in vain. They are all for my Son Jesus Christ's honour and glory.

My child, thank you for stopping and focussing on my Son Jesus Christ's Sacred Face, and for the beautiful smile upon my Son Jesus. Oh, he smiles back at you. Oh, my Son, he smiles back at you! He says, "Don't be concerned about your mouth, about not having your dentures." He just looks at your heart, your smile, your love and your "I love you, my Jesus". He thanks you for the many kisses in his pierced heart. My Son and our Father said about their concern for this tremendously disarranged world – my child, our hearts in heaven, we are in so much pain.

My child, I ask you again this big favour, pray for more time, for my children to repent. My child, today on one part of this modern technology, about some photos, very disgusting pornography, indecent photos: my children live in this kind of sin, malice, with dirty minds, thoughts. I saw that your heart was hurting, knowing how much this hurts my Son Jesus of Nazareth. You wanted to pray for these, my children. Pray, pray, I need you to pray for them. You went on this page not by coincidence – this was my Son Jesus' plan for you to start praying for these, my children. Oh, their foul language was so disgusting! I thank you, my child. Write their names down and offer Mass, prayers, for them. My Son came to save all of these, my children – he has no favourites. My Son Jesus thirsts for their salvation. Amen.

I bless you all, my child, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my adorable Mother of my heart. I do love you so much. Thank you for being my guidance, my teacher. I adore your Son Jesus. Oh, he is my spouse. Sua bênção. My Triune God, my infinite love, I thank you for all the gifts of the Holy Spirit, for the conversations of my God, my Jesus for his Second Coming, End of Times. I love you all. I praise your holy name. My king, my love of my life, you are the source of my life. Sua bênção. The archangels, angels of heaven, my guardian angel St Filipe, my patron saints for my mission, saints, forgotten saints of heaven, I thank you all for your intercession and prayers. Amen. St Ana, St Joachim, take care of our grandchildren and great-grandchildren. My Holy Trinity and Mother Mary, for our sons, daughters-in-law, brothers, sisters-in-law, sisters, nephews, nieces, cousins, godchildren and all my entire family, my enemies, bless them all abundantly and be their protection. Amen. ♥♥♥♥xxxx Beijinhos<sup>4</sup>.*
