

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting here with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I thank you for the beautiful day, for being with my children in prayer. I am very pleased my children of this Alpha and Omega group, the healing prayer group in my name. My child, today has been a full day from morning till late – the same as yesterday – praying and doing healing in my holy name on these, my children, with broken hearts, in sorrow, mourning their loved ones, broken marriages, illnesses, sicknesses, in need of different kinds of help. Today, my child, your heart was in pain but at the same time it was tears of joy to see these, my children, coming to you, seeking help in their most difficult situations. I thank you and my prayer group, my faithful children, for being on their feet all day. My children, the reward is one day in heaven – written in the books of heaven in letters of gold for one day to be read out in front of me and my Father God.

I thank you, my Petal. My Father God, he is here to converse with you.

Father God

My little lamb, thank you for sitting with me, your Father.

[Fernanda] *Oh my Father, I am sorry for these past few days. We didn't converse much. I ask pardon, my Father. I have been working, doing prayers over your people and with the books, and as I sit, I fall asleep. I love you my dear Father, Pai¹.*

My little meek lamb, I, your Father, I do miss our proper conversations. Oh, your eyes just close and are too heavy to open. Yes, I, your Father, know the reason. As you do know, we here in heaven, we see, we know, everything about you and all my people.

My little Petal, today you had your loved ones, whom you love as your own, with you. Today you were very emotional to see your loved ones coming for prayers. My little one, tell your loved one Angela that she will get the proper job according to my Son's holy will.

My child Fernanda, this world is in turmoil. There is so much happening in this world. My Son Jesus' hand is getting too heavy to hold up. You sometimes feel my Son's pains in you, but my child, this is

getting out of hand. My child Fernanda, I, your Father, I am merciful and kind-hearted, but this world is going into decay. My Son Jesus' pleas and prayers are continuous, are limited, unless my people convert themselves and open their hearts to my Son Jesus' heart.

My little one Fernanda, this world is coming closer to my Son's Second Coming. I have said this many times, yet my people don't believe these, my solemn words, my Son's living words.

Oh my child, I, your Father, I am here with you. Be strong and courageous. Your sign is almost here for you to carry this mission, to praise and glorify my Son's holy name. Amen.

I bless you all. My peace be upon you, your loved ones and upon this entire world. Amen.

[Fernanda] *Thank you, my dear Father. I love you. I praise your Son Jesus Christ. I love you my Father. Amen.*

Mother Mary

My little one, I, your Mother Mary, I have seen in this, our little place, how many of my people have been coming closer to my heart through illness, cancer, etc., in different [kinds of] healing. My dear children, keep up the good work. I do know, my child, that this is getting very tiring. It's taking a lot of your energy but you and my people will come to my Son's heart in bringing the lost sheep that have been scattered.

Today, I, your Mother Tabernacle of the Most High, I was present there with you in our little shrine with my devoted daughter Celeste dos Santos. I thank my daughter Celeste for all the good work being done at my holy grounds, Ngome. I will heal my daughter from her illness of her painful body, of the nerves. She has been told about this kind of sickness, but my Son Jesus, he is the master physician of each one of my children. My Son will heal her. She must be in peace.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *I love you my dear Mother. Sua bênção². I, your child Fernanda, I ask you sua bênção. Thank you my Triune God. Sua bênção. St Anna, St Joachim, take care of our grandchildren and great-grandchildren. I love you all. Sua bênção [on] all my entire family, friends, enemies and all your children.*

Jesus Christ

Thank you my daughter, I give you my peace, my peace I give you, your loved ones and all my children.

[Fernanda] *Thank you my loving Jesus.*

♥ Our heart from heaven. Amen.

[Fernanda] *Beijinhos³. Amen.*
