

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus Christ, I thank you for this day, for your time in helping my children in despair. My little one, thank you for your time spent in prayer with my daughter E_____ in need of help. My daughter E_____ has been astray from my Church where her roots were in her upbringing. My daughter has been going through hardships and trials in her life. I do know her needs at the moment. She has lost on earth our son R_____, but one day they will meet again. This had to happen. Thank you, my child, for teaching my daughter about my son R_____. His time on earth was accomplished. I know the fear, the worry of her financial help. She is in sorrow now for her loved one, but she is also going through turmoil: how are they going to pay for the funeral? My daughter I do know how your heart is suffering, wanting to help this family in having to pay for the funeral. She has given you the amount: R17,000. My children don't have this amount to pay for my son R_____ 's funeral. I, your Jesus, I will help these, my children, to pay in order to have my son R_____ 's funeral. My daughter, your heart wishes to ask my son Charles for help, but you don't want to take advantage of his good heart. I, your Jesus, I say to open your heart to him – he will pay for my son R_____ 's funeral, and some of my other children will come forward with their good hearts. You are my warrior for my children in despair. Your heart wants to help all who are in the most difficulties, especially financial.

My daughter, one day you will be called the "humble servant of God, the Mother of the Poor."

My Petal, my Father God, he is here to converse with you.

Father God

My humble servant, I, your Father God, I am here to converse with you.

My child, we missed our conversation. I know you couldn't do it at your loved one, your sister in Jesus Christ.

My little lamb, you wish to ask me about some of my people. You may ask me. You are my prayer warrior.

[Fernanda] *Thank you, my Father God. My dear Father, your daughter A_____ and your little son _____, they are lying in the ICU hospital bed, very critical. My Father knows all about this. Your*

daughter A_____, she is very ill, broken. Her head is bleeding internally, her brain is full of blood. The doctors are very concerned and _____ is also very worried that if something happens to her, there is no money for her funeral and little _____.

My humble servant, this morning you prayed upon my daughter E_____ in proxy for my daughter A_____ and my little one _____. My child, even before she was conceived, my Son and I, your Father, and the Holy Spirit, we created my daughter A_____ and her loved one. My daughter, this is a secret for you until the time comes for you to reveal it to the family. My daughter A_____, her time in this world is coming to an end. We do know the time, the year, the day, the second she will live [until]. The time is near. She will be coming to the Father's house. There are many rooms but only a few have the privilege to come and enter the Father's house. The reason: My Son doesn't have favourites. You are all the same in my eyes but few work hard to gain this privilege. Working hard means obeying my commandments, doing good deeds, etc. You prayed the Divine Mercy Chaplet for her. Thank you so much. So many are in need of this help. The time is coming – only a few days ahead for her final time in this world, but you have to pray the Divine Mercy Chaplet as much as possible to save her soul. My Son Jesus, he will provide for the funeral arrangements. My little son _____, he will survive for a while, but he will also be coming home very soon.

My child, keep this in the meantime to yourself. I heard all the prayers being said this morning. They have been heard by us here in heaven. My people must pray and be ready at all times because they will never know the time, the year and hour, of their call back to the Father's house. It's like a thief entering their house.

I bless you, your loved ones and all my children, my people, with my peace upon you, and all over this entire world. Amen.

[Fernanda] *Thank you, my Father. I love you. Sua bênção¹.*

My little lamb, I, your Father, I am here with you. Be strong and courageous in faith and perseverance to help my people, my children, when they most need help.

[Fernanda] *My dear Mother, can I ask my Mother a favour?*

Mother Mary

You may ask me, my Petal.

[Fernanda] *Your daughter Gabriela, she is going to write maths tomorrow and Tuesday. Please help her to pass maths, all her tests, and to pass the whole year. Thank you, my Beloved Mother. I love you. Sua bênção. I thank you, my dear Mother, that your daughter E_____ is going to have the funeral in our Catholic Church. I say thank you, my Mother, for your intercessions for her to decide to have the funeral in our Catholic Church.*

My daughter, I thank you for praying with my daughter Alice upon my little child Cindy. My Son Jesus, he will [heal] my daughter Cindy. She has been suffering for many long years, her body has been through an immensity of excruciating pain. This entire family needs healing, prayers. They need to know more profoundly the cause, the root of her illness, her sickly body. Her tiny body is suffering.
