

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Do it God's way, not your way, and then patiently wait for the blessings come upon you in Jesus' time

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you.

I thank you for today, the fruitful day, for being with my children, helping them in this beautiful seminar. My child, I, your Jesus, I thank you for being a beautiful instrument for my children, teaching them about the Holy Spirit.

My child, I, your Jesus, I saw yesterday how you were with my children on this Passion World Tour. All these, my children, were praising me and my Father with their arms stretched out to worship my holy name. See, my child, I have been blessing you in many different ways.

My child, I, your Jesus, I came to you at this hour, to confirm to you all the blessings and graces being bestowed upon you for the good done through the years. Now is the time for it to be recollected. My child, you have been sowing it through many trials and hardships, but my child, this is the fruit of those plants being watered with your love and patience, as many times, your tears have been watering it.

My Petal, I see how grateful you are. Yes, you are going home to your birthplace, which has already been paid for by my children Manuel and Lily Baeta with their good hearts. I blessed them and they are blessing you in my holy name. I placed this in their hearts.

You are going to move very soon to our new home, which has been chosen by my Mother, as my Blessed Mother said to you before, she chose our new home. See, my child, the secret is patience, trust and perseverance in me, your Jesus Christ. Teach this to my children. All comes in my own time, not in their time. You waited patiently. It was not an easy road in these past years, having to depend on your loved ones, our sons, but it was part of your purification. Humbleness, humility is needed for this mission. Oh my child, you passed the test.

I thank my son Charles Pritchard for all the hard work, the messages, talking about me, his Jesus, at all times with no fear of being persecuted because of my holy name. Blessed are those who are persecuted because of my holy name (Matthew 5), the Kingdom of God is waiting for them.

Thank you, my son Charles, for buying this beautiful home for this huge Alpha and Omega Mission, and for sitting our Petal in this home with a table, a chair and a bed to rest on for her beauty sleep, to converse with us, the Triune God and my Blessed Mother Mary. This was not by coincidence. This

home was chosen for this mission even before you and my humble servant were conceived. I thank you for your humble heart with this mission. You are feeding many of my children and many more to come. I thank you for Enthroning your home to me, your Jesus Christ, and my Beloved Mother. This is an act of love towards, me, your Jesus Christ. I will abundantly bless you and your spouse, my daughter Evelyn. I thank my child Evelyn for coming closer to my heart to receive me in her heart, my Precious Body and Blood. I will bless and keep our little ones safe. Do not fear. I will be standing in the midst of you. I will guide you at all times. Oh, propagate this, my Enthronement, to more families¹. It pleases me very much. Teach my ignorant children the power of this Consecration of their homes. We, the Triune God, and my Mother Mary, we thank you for all the good done towards my destitute children, for putting a roof over their heads. All these beautiful good deeds have all been written in the most unique Book of Heaven [that is] being kept in a box with letters of gold. One day, it will be read out in front of my Father's throne in letters of gold.

I bless you my son Charles Pritchard and my daughter Evelyn and our precious little ones. Thank you for teaching them about us in heaven and for praying the Rosary, because many families don't bless themselves as a family.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here with you. I thank you for your time spent in listening, praying, helping these, my people, of this beautiful Life in the Spirit Seminar. Oh, my people, they are in turmoil in their lives. There is so much pain, suffering, families in disunity, disillusion and conflict against one another. Pray for all these, my people. Most of them are seeking my Son Jesus but they don't know how to approach my Son Jesus' heart. Sometimes they have abundance, riches, but they lack what is more important, which is the love of God the Father, God the Son and God the Holy Spirit. We are waiting every minute of the day and we here in heaven, we are looking down on my people to be attentive and to receive this love, but my people, they live in a world of fantasy, of earthly things. They forget that we are watching and walking with them. Oh, it's painful for my Son and me, his Father, and Mother Mary. Yes, the Holy Spirit is also waiting to be called to be their teacher, their guidance, but my people forget about us and do their own thing in their way only. We are forgotten by them – they want to play God themselves. Oh, when things go wrong in their lives, then they blame God, my Son Jesus. They forget that we exist when things go well in their lives. Sometimes, things don't go well as my Son has different plans for them, but that doesn't mean we have abandoned them, that's when my Son Jesus walks with them and he has a different plan for them.

My little one, I, your Father God, I bless you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Father. I love you. Sua bênção*².

Mother Mary

My little one, I, your Mother, I am here with you. I thank you for the beautiful, fruitful day in giving your time to help my children in pain, sorrow, despair.

My little Fernanda, I, your Mother, I have seen how you are trying to help your sister in Jesus Christ, my daughter _____. My child, I see your pain, knowing that she is going more, falling, into a deep hole, a decay of [being] influenced by these evil tricks, confusing, robbing her of her peace, putting her in the most difficult financial situation. Oh my Andorinha³, you do know very well where this is going to end, but you, my child, you did your very best with your good discernment and knowledge to help my daughter from falling in a very deep, dark obscure hole of lies, deception and pain. My daughter, you have been advising my daughter _____, my musical instrument to play melodies to our hearts, but Satan always attacks these, my people, to destroy, to distract them from focusing on my Son Jesus Christ. My child Fernanda, we do see how much you don't want her to be hurt from these evildoers of the scam. I thank you, my child, for your love and care upon my children.

My daughter, do you comprehend how much it hurts me, and my Son Jesus' Sacred Heart when, many times, we try to let my children know, to not fall so hard and to avoid falling into a deep hurt. But these, my children, turn away from us, from listen to us to not go in that direction. We lead them to the right path, but my children make their own choices in life. My Son Jesus never forces any of his children – he allows them free will, but afterwards, they blame my Son Jesus Christ, God the Father.

I thank you for this dialogue with my daughter _____. It is very much appreciated.

My child, this is only for you. Pray against the suicidal attack as the enemy always tries to destroy souls in this kind of situation. My Son Jesus is very hurt when the enemy uses his evil tricks on my weak children in despair.

My child, pray. Be in peace. It's out of your control. You have done your part, [given] the best of your yourself. You are not responsible for anything on this matter, this issue. Continue to pray, my child. Prayers move mountains.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Beloved Mother. I love you. Sua bênção. Thank you, my loving Jesus Christ. I love you. Sua bênção. My angels, archangels, my guardian angel Filipe, my patron saints, all the saints, forgotten saint of heaven, St Ana, St Joachim, take care of your grandchildren, great-grandchildren (they are yours), my loved ones, sons, nephews, nieces, brothers- and sisters-in-law, cousins, aunties, my entire family. Amen. Bless them all abundantly, protect them all from the enemy's attacks, be their shield, Mother Mary. Sua bênção. I love you all ♥♥♥♥xxxx Beijinhos⁴.*

Jesus Christ

Thank you, my Petal. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
