

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Defaming someone is a big sin as the stain stays forever – stop hurting Jesus, repent and come to Confession before it's too late

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I am here to conclude our conversation about the Life in the Spirit Seminar. My child, yesterday you were very tired. These past days you have been very occupied with many chores and praying for my children. I am very pleased with my children of the Alpha and Omega Mission. This mission will grow and expand very far – oh, there is so much pain in my children's lives.

My little one, I, your Jesus, I am here with you. I want to convey to you about you being in this Life in the Spirit Seminar.

My child, I, your Jesus, I say thank you for the beautiful testimony of yourself. My Petal, you came back and stood at the altar where once before you used to proclaim my holy name reading the Word of God. My child, I, your Jesus, I am very joyous for your humility towards my children in this, my church. You relayed your testimony. You did not offend any of my children. My child, this is only a tiny seed of your testimony about your growth, *crescimento*¹, in Jesus Christ. You came across very confidently, with no fear or trembling. I, your Jesus, the Holy Spirit, my Father and my Mother, we were there with you. We were your voice, your strength and courage in transmitting those beautiful words. I thank you for your sincerity and thanksgiving towards us in heaven.

My little one, I, your Jesus Christ, I repeat: my solemn words never go back. I have said to you that I will clear your name [that has] been dragged in the mud. My child, I allowed you to come and help at this seminar. It was my plan for you to return there to clarify, clear, your name. Oh, if only my children would know how big a sin it is when my children drag any of my children, brothers and sisters in Jesus Christ, [in the mud]. When any of my children falsely accuse innocent people, heaven cries for this sin because the sin of assumption, false accusations, dirty the names of innocent people in the mouth of world. This is a big sin because it's like a stain. Sometimes a stain can still be washed away, but the names of false accusations against their brothers and sisters in Jesus Christ, those stains will stay there forever. The sharp tongue is like a sharp knife: it cuts through the skin and the flesh, it kills the person like venom, it corrupts the name of the person forever on this earth. But heaven knows the truth, only the truth, and it will be written in the Book of Heaven. But the dirty

name, the one who falsely accused someone of their dignity will be in the Dark Book of Heaven unless my children will bring it to Confession – then it will be washed away from the Dark Book of Heaven. It's time now, my Petal, for your name to be cleared in this world. I thank you for loving and forgiving all your persecutors. I thank you for your appreciation and gratitude towards us, the Triune God. You did set the example.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here with you at this hour of the morning.

My little lamb, my meek, one, I, your Father, I am here to relay a message to my people of this beautiful seminar.

I thank you, my little one, Fernanda, for your amazing sincere testimony of your life – oh, only a little part of your life, of your trials and tribulations in the course of your life. Thank you for the love, sincerity, simplicity and humbleness in relaying your testimony. You forgave with all your heart all your enemies, your persecutors, like my Son Jesus forgave his enemies upon the cross. I thank my son Charles for also coming all the way to be my Son Jesus' voice, to teach my people about his growth towards us in heaven.

My people, I, your Father God, I am the Father of my Son Jesus Christ and of all of you, my people. I am the Creator of the whole universe and the Creator of the world, of all of you, my people. I thank you all for this decision, this will of yourselves, to come and do this special Life in the Spirit Seminar.

My people, we are the Father, the Son and the Holy Spirit. We are the Triune God, the Three-in-one Persons Inseparable. I thank you all for your will to come closer to my Son's heart, to grow more in knowing the Holy Spirit, to receive more gifts of the Holy Spirit and to strengthen your gifts of the Holy Spirit. My people, I, your Father, I want to convey this message to all of you.

The past seven, going eight, weeks of the Life in the Spirit Seminar is a very powerful teaching – learning more and more about God's love, salvation, new life, receiving God's gifts, forgiveness, reconciliation, baptism in the Spirit, growth and transformation. This is about knowing more profoundly the will of God, the growth of coming closer to my Son Jesus' heart, the transformation within your heart. These are gifts of the Holy Spirit in your lives. My dear children, my people, this is the beginning for some of you who are at this seminar for the first time, and for more growth for my people who have been to other seminars. But, my people, don't stop here. I, your Father, I am here at this hour, this day, to remind you of this in your heart: do not waste time on petty things, on gossiping, on losing your souls because of hatred, unforgiveness and vengeance against one another. This is the time of Lent to transform your sinful lives, to amend all of your faults and errors, and to start a new life. Oh, my precious people whom I created with so much love, and the Holy Spirit has given the breath of life to, come, repent of all of your past sins, recollect all that you have lost and come to know more about my Son Jesus' love towards all of you.

Oh, my Son Jesus, he suffered horrendous pains during the forty days fasting, praying and being tempted by Satan, but he went through all of that. He carried a heavy cross. He fell three times. Oh, it was too difficult to get up and carry the cross for your salvation. He couldn't get up, but my Son Jesus Christ's eyes focused on your eyes. He then got the strength to carry it until the end for the love of you. He was nailed to a cross. Oh, the huge nails went through his flesh, in his hands and feet. The piercing of the lance: there was no more blood, only water. He was upon the cross. He couldn't breathe. He had to hold himself up not to be asphyxiated. Oh, what a horrific pain. He was thirsty

and they gave him vinegar. He was upon the cross, but his words were, “Father, Abba, Abba, forgive them, they do not know what they are doing.” He then expired.

He did all of this because his aim was your salvation. You, my people, will never know the extent of his excruciating pains. His Beloved Mother accompanied her Beloved Son, side by side. Her heart was pierced but she knew it had to be for a big purpose. Oh, what an excruciating, horrific pain for a Mother to watch, to witness, and then to receive him in her arms, a lifeless body of a Son that she loved so dearly – but Mother Mary never asked me, her Father God, “Why, why?” She knew it was for the salvation of all of you.

My people, help my Son’s pierced heart because of the sins of this world. His heart is being pierced with a crown of thorns worse than the pains being placed on him while he was carrying the cross on Via Dolorosa. Yes, my Son could have had a crown of jewels but it was a crown of thorns that perforated his Sacred Head.

I am a loving Father God, a merciful Father, but my people, my Son Jesus paid his price upon the cross for all of your sins. Today, he suffers tremendous pains that you, my precious children, will never know. Only your prayers can appease my Son’s Sacred Heart. Pray for the conversions of sinners, my people. Help my Son Jesus’ pierced Sacred Heart. His love for you is an ocean of mercy. This is the year of mercy. Repent before it is too late. Time is running out. Confess your sins with a contrite heart. Oh, my Son Jesus’ arms are wide open to receive you. Come, don’t let go of his love, his sacrifice to save you all.

I thank you my dear people for coming and receiving this love, this message of a Father who loves you, who shares the same love with my Son Jesus Christ. I came to relay this message through my humble servant, my Son’s messenger for the End of Times.

Thank you, my little one. Relay this message to my people on this beautiful seminar.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção².*

My Petal, I bless you, I give you my peace, my peace I give you, your loved ones and all my people. Amen.

Jesus Christ

My child, my Blessed Mother, she is here to converse with you.

Mother Mary

My little Fernanda, thank you for this beautiful day, for being obedient to come and relay, convey, your testimony at this seminar. I, your Mother, I was at your side. Oh, you felt our presence: my Son Jesus, our Father and the Holy Spirit’s. Oh, your calmness was visible. I was very pleased. You wanted to be humble through the message and you did it with love, no vanity or arrogance. My child, the time was appropriated for this special occasion. My Son Jesus had it all mapped for you, even before you were conceived.

My little Fernanda, my Son Jesus’ Second Coming is very near. Your sign: I have to prepare you for that, for the big day – you will receive it very soon. Oh, do not fear. My Son Jesus is very gentle, he will place it upon you. This is the time for your redemption, for your mission, for my children to respect, to recognise, [for you] to go forth, to be free to relay the messages.
