

ALPHA+OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

2016 Divine Mercy Sunday message with St Faustina: confess and come through Jesus' doors of mercy as time is running out

03/04/2016

Father God, Jesus Christ, Mother Mary, St Faustina

Jesus Christ

Thank you my daughter Fernanda for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you. Thank you my Petal for the lovely day. Thank you for attending my Holy Mass during this period of Easter time and for the novena starting on Good Friday and ending this second Sunday of Easter. When I gave this novena and Chaplet of Divine Mercy to Saint Faustina, no one at the time understood her, nor comprehended or believed in her mission. I, her Jesus Christ, appeared to her. A poor, innocent, simple girl with only four years of schooling. She was chosen by me, Jesus Christ, to be my messenger, my secretary, for this big feast day – Divine Mercy Sunday – which is being celebrated all over the world. She was my obedient child. I asked her to get an image painted as I described to her, with the red rays representing the blood that I shed for each one of you, my children, and the white rays representing my graces upon my children. My daughter sister Faustina was persecuted, working on the most arduous work but she did it in humility. She asked to paint a picture of my Divine Mercy according to my instructions, to be posted and exposed in all of my churches with the imprint “Jesus, I trust in you.” Oh, she shed many tears because no one would understand her entire mission. It took many years after her death for my Divine Mercy Sunday to be celebrated according to my desire.

Today, my children are celebrating Divine Mercy Sunday on the Sunday after Easter. They are receiving many graces, blessings and miracles. Many souls have been saved as they come to eternity through the Chaplet of the Divine Mercy, with the novenas being recited. If only my children would know how powerful the Divine Mercy Chaplet is when recited next to a dying person or being heard even only once during their lives, how their souls are being saved. My children must appreciate and treasure these graces that have been given for their salvation. Many of them came to Confession with a contrite heart, they did a nine day novena and on this special day of 3 April 2016 they came to my fount of mercy, attending my Holy Mass at 3pm and receiving me in their hearts with a pure, clean heart. Oh, what a joy to come to my children's pure, clean hearts. Oh, their Book of Heaven – the black book with all their most horrendous sins has been wiped away.

My children must continue on this road with a sincere, repentant heart. I desire all of my children to keep coming to my Holy Mass as they did today. Oh, not only today and then taking a wrong turn out of my church, out of my heart.

I thank you, each one of you, my dear little ones for coming this far, to change your hardened hearts into hearts of flesh, like the heart of your Jesus Christ. Come, my dear ones, stay closer in my heart.

Continue to pray the Chaplet of my Divine Mercy, if possible at three o'clock (3pm). If not, wherever you are at three o'clock, meditate on my passion for a few seconds. Think about me, your Jesus Christ: how much I suffered for each one of you. This is my free love, an ocean of mercy for you my precious children. Oh, do not ignore me, your Jesus Christ. I am always next to you, tapping on your shoulders, embracing you, kissing and saying, "All is going to be well" and "I love you my child." But you, my dear children, are so absorbed in your own worry, concerns and fears. You do not notice me. I am with you. Pray. Stop a few seconds. Remember my Sacred Face full of blood for the love of you. There is no problem too small or too big that I, your Jesus cannot solve according to my will. I only give to my children when I see it is best for them, for their daily life, for all eternity.

There is no prayer that I cannot or do not answer. Each one of your prayers will be answered in my own time. I, your Jesus, know all of your needs like I know when the birds need to be fed. I provide for the birds as I, your Jesus, provide for each one of you. I love you. I never forsake or abandon you, especially in your most difficult times. It is in the arduous, darkest times of your lives when I am with you. Oh, I do not turn away from you but you, my children, are the ones who keep your focus in another direction, the wrong places, saying, "God does not exist" or "Where is God?" then, you turn away from my Church, my love and my heart.

Oh my dear ones, I am waiting for you. Do not keep your focus on the earthly things of this world. The riches of heaven are for all eternity. This world is only passing by in preparation for the Banquet of the Lamb. It is for eternity. Time is very precious to be wasted. Time is running out for your salvation. Tomorrow belongs to me. Surrender all to me, your Jesus. Open your heart – I want to live in you, and you within me. Time is on the clock – it might be too late.

My dear little ones, my Father God is here to converse with you.

Father God

My dear people, my children, whom I created: I love you with an infinite love. The Holy Spirit dwells in you. He is the Breath of Life. My Beloved Son, Jesus Christ, he is your Saviour. Not too long ago, I allowed my Son to be crucified and nailed to a cross. Why would a Father allow this to happen to a Son whom he loves so much? Am I cruel? Am I a selfish Father? No, my dear people. I love my Son Jesus Christ with the same love I have for each one of you, my dear people. My reason for this is because I want to save you all. My Son Jesus could have turned away from this cup of pain but he did it for you. Oh, my Son foresaw all of his pains, excruciating, horrendous tortures that he was going to encounter, and even being tempted by Satan but he was focusing on you. He loves you with a love that you, my dear ones, do not know the extent of. I, his Father God, I see what you, my people, do to my Son Jesus' Sacred Heart, turning away from all the gifts that have been given to you for free: the love that comes only from his heart, from the beam of heaven.

Today was a celebration of the second Sunday of Easter, the feast day of the Divine Mercy, which has been given to all of you to receive many graces, blessings and forgiveness, cleaning the dark Book of Heaven with this special gift of my Son Jesus: forgiveness of all of your sins, faults, errors, horrendous sins and crimes committed during your entire life. Oh, what a blessing placed upon each one of you on this Divine Mercy celebration, which is also being celebrated here in heaven – what a feast! My Son Jesus allowed this second Easter Sunday to happen by his desire, through his chosen instrument, St Faustina. What an act of love and reparation to save all of you. This Sunday feast day is an ocean of mercy that is being showered from heaven. Oh, there are no favourites: he did it for you, not picking and choosing anyone.

This year the door of heaven has been opened on this world to pour out this ocean of mercy. Oh my dear people, take this opportunity to save your souls. Do not take it for granted. My Son's desire is to save all of you. Come, receive these blessings. Continue praying even if you missed or did not know about this second Sunday of Easter, the feast of Divine Mercy.

It is time for you to recollect the broken pieces of your heart, of your sins. Come, amend them with a contrite heart. Come, bring all of your errors, faults, the horrendous sins and crimes to Confession. Pray the Divine Mercy Chaplet as much as possible in your time, at least once a day, if possible at 3pm as my Son Jesus taught you in this previous message about his desire to focus for at least a few seconds on his passion.

Oh my dear people, make time to save your souls. Do not say, "My time does not permit me to pray." Oh no, you can pray without ceasing in your heart. That means when your heart is constantly in tune, in love with my Son Jesus Christ, when your heart yearns for Jesus Christ. This is a beautiful prayer that my Son Jesus takes into the abode of his heart.

My people, this is me your Father God. I came to help you, to make you aware, to understand how great my Son Jesus Christ's ocean of mercy is for each one of you. Do not turn away from this immensity of love. Come, receive and enter into the door of my Son Jesus' Church which has proclaimed this to be the year of Jesus Christ's Divine Mercy.

Come, stay closer to my Son Jesus' ocean of mercy in his loving heart. This is a special gift, a blessing that has been showered from heaven to earth. It is yours, my dear people. Open your hands to the doors of your heart. Let this love flow from the top of your heads to the soles of your feet. A fount of mercy. Amen.

I, your Father God, I am here to relay this message through my Son Jesus' messenger, Fernanda.

Jesus Christ

I, your Jesus Christ, my Father God and the Holy Spirit, we give our peace, our peace we give you, to your families and to this entire world.

My child Fernanda, relay this message for my children to understand the importance of the Year of Mercy.

[Fernanda] *Thank you my Holy Trinity for this beautiful message. I love you so much. Sua bênção¹.*

My daughter, my Blessed Mother is here to converse with you.

Mother Mary

My little one, I, your Mother Mary, I am here to converse with you, to relay a message for my children to come to my Son's ocean of mercy.

My dear children, I am the Mother of Mercy, the Mother of Jesus Christ and the Mother of all of my children. My dear little ones, today all over the world, it has been a big, huge celebration of Jesus' Divine Mercy Sunday. It took many years for my children to learn and come to my Son Jesus' Divine Mercy feast but now it is getting more and more known all over the world. St Faustina, an obedient child, was without much knowledge of schooling but her humbleness and humility brought her this far and soon, she will be sanctified as a Doctor of the Church. See my children: to serve my Son Jesus, you just need to open your heart and give your will to my Son – he will do the rest.

¹ Translated from Portuguese to English: Your blessing

This feast has a great effect on my children's lives. My dear children, my Son Jesus and our Father God have told you all about my Son Jesus' graces and blessings that you, my children, will obtain with the Chaplet being recited. My dear children, I, your Mother Mary, Mother of Mercy, Star of the Sea – oh, I have so many titles but only one, your Mother and the Mother of Jesus Christ.

My dear little ones, on Good Friday and Easter Sunday, I went to the entrance of purgatory. The souls there call me "Star of the Sea". I always go with St Michael the Archangel accompanying me during this task, entrusted to me by my Son Jesus Christ to bring souls to be saved, to my Son Jesus' heart, to his kingdom of heaven. These souls in purgatory, they suffer there for many years without having anyone to pray for them. These souls yearn to see the face of God. My children, you do not understand how these souls thirst for your prayers. My dear ones, pray for the souls of purgatory and the most abandoned ones, for your families and loved ones. The souls of some of them stay there for all eternity. They also sometimes call me Mother of Mercy. They know that I go to my Son Jesus asking him for mercy and compassion for their poor souls. Oh, my heart breaks in pain when I see my children there for all eternity with nothing to save them, unless you pray for them. Your prayers are their hope of salvation.

My dear children, you can pray the Divine Mercy Chaplet for any intention: you can add the souls of purgatory and the most abandoned ones or any other intentions. Include this prayer as my humble servant prays for the dying of this hour, the moribunds: "Father, when your Son Jesus brings these, your children, in front of your throne, my Father, have mercy and compassion on these souls. Save them." This is a powerful prayer to save many souls from perishing.

My dear little ones, there is so much need of your help in this entire world. Prayers are very essential. Pray for your country South Africa with all of your hearts. If each one of you offers a prayer for your country and all the countries all over the world, for good governments, leaders, peace, love, unity and understanding, then every prayer would turn the negativeness to positiveness. The power of prayer, my dear little ones, can move mountains. Focus on your prayers, Rosaries and Divine Mercy Chaplets. Leave the earthly things. Focus on my Son Jesus Christ's heart, his ocean of mercy, his fount of life. Drink this water of mercy that he is waiting for you to drink to purify your brokenness, your pains, your sorrows, your soul, mind, body and spirit, which is much more important in your lives.

I am your Mother of Mercy. I am constantly at the foot of the cross of Jesus, pleading for mercy and compassion on all of your sins. Come, pray for the conversions of sinners, especially for your loved ones and family. I bless you all with my love. My Virginal Mantle will be your shield of protection. Amen.

Thank you, my child Fernanda. Relay this message of my love for my children of this entire world. Oh, this world is in decay. My Church and my son priests are heavily attacked by the enemy. Pray for my holy pope's intentions to carry on with his task, to take my sheep, my flock into the right direction, and my son bishops – they are all in need of your prayers to direct my children with the light of Jesus Christ. They are all human. They are also tempted by the enemy. If only my children would join hands in prayers for this entire world to come to my Son Jesus' ocean of mercy.

I bless you, your loved ones and all of my children. Thank you for responding to my call. Amen.

Jesus Christ

My daughter Fernanda, I, your Jesus, I am here to allow my daughter, St Faustina to converse with you.

St Faustina

My sister in Jesus Christ, I am St Faustina. I come to relay this message with the permission of our Father God and Jesus Christ, our Saviour. My sister in Jesus, I, St Faustina, I come to relay this secret to you as our Lord Jesus Christ entrusted to me to relay to you. My sister Fernanda, the power of God has no limits for his children to do his work, to serve him with all their hearts. My sister Fernanda, you received a rare gift, which is called "Conversations with my God, my Jesus for his Second Coming". You didn't choose this gift. It's the same as me. I didn't choose this rare gift to be the messenger, a scribe and secretary of Jesus Christ. You are similar to me, with four years of schooling, being called a peasant, and people not believing in your messages from the Holy Trinity and Mother Mary.

Today, Divine Mercy Sunday, the second Sunday of Easter was a mission entrusted to me, St Faustina. Oh, I was very puzzled, doubting and confused about this special gift. Yes, many times I asked myself, "Who am I to be the messenger of Jesus Christ?" I couldn't even write our conversations properly.

My sister Fernanda, I, St Faustina, I have been entrusted to help you on this mission: Alpha and Omega. Oh, this mission will go forward in Jesus' name. Brother Charles Pritchard, he will be the providence, which has been given to him in abundance, to be the source of income and to progress with this task. He has been blessed in many ways. He is an obedient child of God, Jesus Christ, and so are all the prayer warriors, brothers and sisters in Jesus Christ in this superb mission, Alpha and Omega, to help bring souls to conversions, to be saved.

My precious sister Fernanda, I thank you for the many times you call my name to be the intercessor for the ones who come to prayers in need of help. You will be a true servant of God. You will carry this mission with love in your heart. You will have some obstacles and persecutions but they will pass. Focus on your task for Jesus Christ.

...secret message removed...

My dear sister Fernanda, I shall intercede for you. You will be called the messenger of Jesus Christ, for the End of Times, the servant of God. Amen

[Fernanda] *Thank you St Faustina. I love you. Sua bênção.*
