

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother.

Thank you for attending my Holy Mass with my son priests and the Patriarch of Lebanon. It was a blessing from heaven. My child, this was also a celebration in honour of the Holy Trinity, the feast day on Sunday. This feast day of the Holy Trinity is a very important celebration amongst my children. Oh, many of them don't know about this special day in their lives. They are so ignorant!

I missed our proper conversation this weekend of you being at my Mother's holy grounds, Ngome. I do understand that you didn't have a proper place to converse with us in heaven. You didn't sleep the day before because you had a long talk with my daughter Fatima about me, her gifts and those of my son Sotero.

Thank you for helping my children in pain – K_____ and her loved one, my daughter _____. This was the work of Satan, for my little ones to be angry, to take away their peace for the lovely work [done] for me, her Jesus Christ. My child, the enemy is prowling the world to destroy the peace and love between one another. You prayed as the Apostles prayed as they encountered this kind of situation. You calmed the sea when the rough waters were very strong. My little ones were devastated, with remorse in their little hearts, knowing that they did wrong, but they did repent, which was very pleasing to our hearts in heaven. You soothed their painful hearts. They came to Confession.

My child, my Father, he is here to converse with you.

Father God

My little one, I, your Father, I am here with you.

My little one, do not fear the noise, the mobile that was left here by my people. It will be given to them tomorrow. I don't want you to leave a conversation without saying, "My Father, I am sorry," and then you get up from the chair.

[Fernanda] My loving Father, I am sorry. I ask pardon. Forgive me for not having manners, respect, towards my Father, for leaving our conversation. I just heard the ringing tone of a mobile and got disturbed, and at the same time, a bit fearful. Thank you, my loving Father, for forgiving me and for understanding my errors, my mistakes that offend my Father, the Holy Trinity.

My little Fernanda, thank you for your humbleness. Oh today, you and my people prayed upon my daughter A_____. She was in need of deliverance. My people go through their lives with all these spirits because they are doing the opposite of my Son Jesus' teachings. The evil is destroying many nations, families, churches, my Son's Church, marriages, the youth. If my people don't amend their wrongdoing, their way of living, their daily lives, my Son Jesus' hand will come down faster than they think. My Son Jesus will send the Chastisement to the world. Only strong prayers will help to stop the Chastisement and lessen its impact on the world. My people must see how this world is turning into darkness of sins. The time is approaching. My Son Jesus pleads to me for more time to the world. Oh, Mother Mary cries tears of blood for this request to her Son Jesus Christ. My people ignore Mother Mary. If only my people would know the extent of Mother Mary's role in praying, interceding, to her Son Jesus for each one of her children! Explain to my people about her role towards them.

I bless you, your loved ones and all my people with many blessings, graces, with my peace upon each one of you, the peace that surpasses any obstacle. Amen.

Thank you, my daughter Fernanda.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*¹.

Jesus Christ

My child, my Father God and my Holy Spirit, they are still celebrating this special feast day in heaven. My Mother Mary is here to converse with you.

Mother Mary

My little one, I thank you for being here.

You went to do your chores for your driver's licence. You did explain all to our son and daughter about what is happening with all your blessings and graces in your life in conjunction with the Alpha and Omega Mission. Yes, yesterday you had the opportunity to teach my children about your rare gift. Oh, the Holy Spirit guided you with the wisdom and knowledge of heaven. My children were amazed and touched in their hearts with the words being said, about what happened in your life. Yes, all must be said in love and simplicity, with no arrogance and vanity in your heart – humble at all times.

I thank you, my child, for your gesture towards my son Kevin. I will help you, for you to be his providence through my Son Jesus Christ's providence. Yes, these, my children, are suffering without income. I want you to pray for this, my family. Oh, his tears: I have seen their pains, their cries for help. I will help him – and so [also] many like him in this world going through hardships. Pray, my child. Your heart is also crying for him. My Petal, this world is going through horrific trials and tribulations, but my Son Jesus never forsakes any of our children. It's time now for my son Kevin to have a proper job, to be the breadwinner of his family.

I, your Mother, I plead every second of the day for my children. If only they would pray at least three Hail Marys, I will be standing in the midst of their hardships!

I bless you, my children, your loved ones and all my children. Thank you for responding to my call. Amen.
