

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus Christ, I thank you for today. Oh, what a beautiful day, full of my love and peace. My child, today my children were in awe of me, their Jesus Christ. Today was very vibrant with my Holy Mass, and the talk with my son priest Father Wayne, it was marvellous. Tonight, at the Blessed Sacrament in Adoration, my children were praising, singing with me in Adoration. I was very pleased. My aching heart was alleviated by all my children in love with me. Oh it's moments like this that bring joy to my heart.

Oh, it saddens me to see all the hatred and vengeance in this world¹... and at my tabernacle, my children are supposed to occupy themselves in prayer.

My child, my Father God, he is here to converse with you.

Father God

My little one, it's very late. I want you to go and rest.

I bless you all, I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Father. I love you. Sua bênção*².

Mother Mary

My daughter, I, your Mother, I am here with you.

I thank you all for this amazing, fruitful pilgrimage. All these, my children, who are here have been picked and chosen to be here at my holy grounds, Tabernacle of the Most High. I am so joyous to see my children and to be here. This has been growing more and more: many conversions, miracles, have been happening here.

I desire to relay a message for my children, but you are very tired. Thank you for praying the Divine Mercy with my daughter Fatima and for helping my children Keanna, Ali and Kayla in pain, despair.
