

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My humble servant of your Jesus Christ, I thank you for attending my Holy Mass.

Father God

Today you have been absorbed with our messages, oh, these past almost seven years of our conversations, the rare gift that was given, placed on you by my Son Jesus Christ – conversations with my God, my Lord for his Second Coming.

Jesus Christ

I thank my son Charles for being so obedient and doing my work, for posting our messages on this modern technology. Many of my children are reading our messages that have conveyed through this channel. My son Charles, he will progress with this mission. You will be the instrument to carry this Alpha and Omega Mission as my desire, my plans. Each and every one of you have been conceived and born for the honour and glory of me, Jesus Christ. With this mission, many of my children will be touched and souls will be saved. I, your Jesus, I am waiting for the appropriate time for you to go out in my holy name. I desire for you to also go to prayer groups and to explain, teach, my children how important it is for them to pray for all their intentions, especially for my Church – my priests, the holy pope, bishops, cardinals, the clergy of my Church and all my servants to bring more souls to conversion; for nuns; for more vocations; for my Church not to decay; for the souls of purgatory and the most abandoned ones that no one prays for; [to stop] abortions, which are happening more and more all over the world; for conversions, especially in their own families. They must also pray for unity, understanding, peace and love in families, for broken marriages – oh, there are so many failing marriages.

Prayer groups are very strong when their prayers are prayed in unison of voice – a chain of prayer is so powerful, it does reach heaven. From the beginning, my child, the desire of my heart, as you received your gift to our conversations, was to ask you to go to prayer groups. I have said to go to prayer groups – it's my only hope to bring many lost, astray, sheep to my heart. I thank you, my Petal, for being obedient to your call.

My Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here with you.

Thank you for being my child whom I created with so much love. My humble servant Fernanda, I, your Father, I am pleased with your progress on this important Alpha and Omega Mission. My people don't comprehend how it is possible, for you, a simple "peasant", as they call you. Some of them look at you with disdain, but you, my Petal, you are much stronger, courageous, not so fearful as before. Yes, you have been a sinner like my other children, like some saints – they were not perfect without sin. My people are all human – they sin every day, a few times, but my child, what my Son wishes for his children, his desire for them is to convert themselves, to repent and leave behind the arrogance, authority, vanity, unforgiveness and to love their enemies, their families, as my Son Jesus did while he was being crucified. I, your Father, I witnessed all his pains, yet I did not spare my Son Jesus his pains. It was my plan for the salvation of my people. None of my people have the right to judge one another. I, and my Son Jesus, we are the judge of each one of my people as they are in front of my throne to be judged according to their deeds in both books, which have been described to you before on other occasions, in messages.

My little lamb, I see tonight that you embraced my people with your love, humbleness. You are bringing some of my people back to my Son's Sacred Heart. I desire that my Son's sheep, his flock, be brought to where they belong, to be saved, for the time of their last breath on earth. My people don't know how important it is for them to come back to the Father's house. My people must comprehend that the mystery of God belongs only to God. They must be obedient to the teachings of the Church, of my Son Jesus' messengers, Mother Mary's visionaries and the Apostles who taught them the words of the Bible, about my Son Jesus, but they turn the other way because they want to carry on with their sinful lives. My humble servant, you will be the keyword of this mission. In time to come, which is very soon, you will touch the hardened hearts with your love. Our messages will be passed across the world, the ocean, the Atlantic, Asia, Africa, other parts of the world.

This is me, your Father God. I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Father. You are my jewel, my only Father. I belong to you, to my Jesus Christ. Oh, my Father, my will belongs to Jesus, to the Holy Trinity. Use me, mould me the way you need me to be your servant and my Jesus Christ's. Amen. I love you. Sua bênção¹.*

Jesus Christ

My child, my Beloved Mother, she is here to converse with you.

Mother Mary

My little Petal, I, your Mother, I thank you for this special time in await for our conversation.

My little one, you are growing spiritually. You are a strong prayer warrior. You are serving this mission with all your heart. There will be no barrier to serve my Son Jesus. Oh, the time is getting shorter – time is running fast. There is no time to be wasted. My children are in the darkness of this world. My Son Jesus is the Light of the World, but they turn away from the gift of my Son Jesus Christ. The Holy Spirit has given my children beautiful gifts, especially as they attended the Life in the Spirit Seminar. My children will notice their gifts as they grow – they will see and understand how

beautiful their gifts are. They must use them. They are not to be kept in a drawer to collect dust. My children must learn as they are doing the seminar. Today it was about growth. How are my children growing? They must grow in their faith, believing and trusting in my Son Jesus Christ. He is the Alpha and Omega, his love, his words, never fail – it endures forever in your hearts if you allow him to enter in your hearts. My Son Jesus is your true friend for life. His love is pure and sincere. He never betrays you. He waits for you at every instant of the day to call him, to talk to you, in many ways, but you, my children, don't see him. He is the Lord Jesus Christ who walks with you until eternity. Allow my Son Jesus to help you when you feel despondent, discouraged. At your crossroads, call him. Abide in him and he will abide in you. Oh, my Son Jesus, he is here with me – he asked me to transmit this message to you all. Receive our love of the Father, the Son and the Holy Spirit. Amen.

Peace be with you all my dear children. I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my dear Mother and my Holy Trinity. Sua bênção. Angels, saints, forgotten saints, archangels, patron saints of heaven, I love you all. Sua bênção. Amen.*

Jesus Christ

Thank you, my Petal. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] ♥♥♥♥xxxx *Beijinhos*².

Shalom, shalom, peace, *paz*³, for this world in discord. Amen.
