

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My child, I, your Jesus, I am here with you.

I thank you for today, for yesterday. We had our conversation, but we didn't finish. You were exhausted from all these days, weeks, of giving yourself totally to do my work, praying upon my children. Yes, I am your strength, but there are times when you also need to rest. I, your Jesus Christ, I allowed you to have some rest, for your body, soul and spirit to be restored in my holy name. My child, I, your Jesus, I thank you for your time spent doing my work. All these years, I allowed you to be free of those other responsibilities of a housewife. You took care of your loved ones, your spouse, with zeal and love. You were a very dedicated, humble, sincere, obedient spouse with your duties as our children were in your care. You took care of family members, loved ones, as your own and, at the same time, you took care of many of my children and helped in different ways. It was all my purpose. There were many trials, hardships, tribulations, but I was always at your side. Your priority was always considering, loving, caring for anyone coming your way, in your path, any time of the day or night – you were *incansável*<sup>1</sup> towards my children. Now in your task, Alpha and Omega Mission, you are doing marvellously, giving of yourself to help the ones in need of help.

My Petal, sometimes I take you away from certain places, issues of my children. I allow you to help at any time, but sometimes my children also have to be obedient and pray and do their part to be helped. You pray, counsel, guide them, teach them, ask them to pray, to repent, to go to Confession, to come to Holy Mass and receive my Precious Body and Blood worthy of me. Oh, some of my children can come to my Holy Mass every day and receive my Precious Body and Blood, but they don't make an effort to do so, with the exception of my children who have to go to work every day – I do understand – but at least Sunday is dedicated to me, their Jesus Christ. I am their Bread of Life, their Jesus. I fortify them with my Body and Blood. I give them everything, but they forget all these teachings, my commandments for their lives. I am their courage and strength for their hardships and trials. Oh, I desire that my children would comprehend that I need them closer to me to help them. I never turn away from them. Oh, it saddens me when my children turn against me, yet I am with them in those difficult moments of their lives. I, their Jesus of Nazareth, I thirst for their salvation. I thirst for their love, [for them] to love me the same way I love them, my precious children.

My Petal, my Father God, he is here to converse with you.

## Father God

My little lamb, I, your Father God, I am here to converse with you. I thank you for your time to be here with me. My little lamb, I, your Father, I convey this message again, I repeat the same words as the previous messages: My child, my Son Jesus' Second Coming is near. More and more sinners are going into decay, decay of their salvation, their souls. They are committing more abortions than before. It's a dismantled world of greed for one another's status of life, wars, killings, governments in dispute, discord, corruption of earthly things, [with] no repentance for their souls.

My little lamb, I see your sacrifice to help my people with love. Your heart desires for them to love one another, especially your family, to forgive, to leave all addictions, for their conversions to come closer to my Son Jesus' heart. I see your heart desires for my people to know all about my Son Jesus Christ, our messages to be revealed, to be absorbed in their hearts.

My little one, I, your Father, I am pleased with the way you understand that you are living under my Son Jesus Christ's providence. You are living in a better environment, in comfort with a spacious, big room. You are writing and conversing with me, your Father God, my Son Jesus Christ and Blessed Mother Mary with a proper desk, a table and chair that was provided by my Son Jesus Christ and promised to you at the beginning of your rare gift. Thank you for your patience to wait for my Son Jesus' own time. See, my people despair and become despondent when they pray, asking my Son, the Triune God and Mother Mary, and they think their prayer requests are not being answered as they requested, but all prayer requests, tears, sighs, have been seen and heard by us in heaven. My Son Jesus answers each one of their prayers in his own time and my Son gives an answer to them in a way that is the best for my people's lives. You, my humble servant, know that my Son Jesus Christ answered your request, as before you asked him about being near the church. My humble servant, teach, explain this to my people.

I thank you for trusting all through your life that my Son Jesus never failed you. Yes, you went through hardships, trials, but you turned to prayer in my Son's church – alone, crying, praying, pleading for help. You had many friends, but you knew by then that your only true friends who could help you were my Son Jesus Christ, your Father God and Mother Mary. Yes, you were alone in the church without any of my people, but we, the Triune God and Mother Mary, we were there with you as you lit the candles to bring light to your pain, hardships. Yes, the saints and angels were filling the church interceding for you. Tell this to my people: as they come to pray in the chapel, church, praying, asking their prayer requests, crying or sighing, we are there with them. They must pray without ceasing in their hearts, anywhere – we are with them. They just have to call the Triune God and Mother Mary, and when they're blessing themselves with the Sign of the Cross, with love and respect, it's a beautiful prayer, calling us to be with them. Oh, it pleases us very much. Praying without ceasing means that your heart, soul, mind and spirit is in awe of God, yearning for our love, that you are constantly in love with us. It's a very strong prayer from your heart to heaven.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

*[Fernanda] Thank you, my loving Father. I love you with all my heart. My heart yearns for you, my God the Father. My will belongs to my Jesus Christ. I give my heart, my body, my soul, my spirit completely to your Son Jesus Christ, my loving spouse. Take me, use me, take control of me, I am all yours. My Jesus, you are my potter, I am your clay. I am sorry for all my sins, my iniquities. I ask*

*pardon for the many times I caused you pain, hurt, in your Sacred Heart. I am all yours, my loving Jesus Christ. Thank you, my Father. I love you. Sua bênção<sup>2</sup>.*
