

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

No one had a marvellously easy life on earth: heaven is the promised paradise – focus on Jesus' love and stop hurting him with your sins

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you. I thank you for today. I missed our conversation yesterday.

My little one, you have been working very arduously doing my work, helping my children in need of help. Oh, there is so much pain and hardship in my children's lives and my children are getting desperate, not knowing where to turn. My children must focus upon me, my love. I am there for each one of my children. All these past years, decades, long years before, there have always been trials and hardships in all my children's lives. Yes, they are all in eternity, but they also went through all their purifications, trials and tribulations. No one had a marvellous easy-easy life without pain or suffering. I, their Jesus Christ of Nazareth, I never promised paradise in this entire world. Heaven is a beautiful, perfect place to live for all eternity. My children, to enter my Kingdom of Heaven, they pass through hardships and tribulations – it's their purification. This world is only a passing by, a walk to a better place, which is heaven. To be seated at the Banquet of the Lamb, my children must work in their daily life with love in their heart towards us in heaven, living a life on earth as [per] my Ten Commandments, my teachings, loving one another, having a sincere, humble life, knowing my desires to save each one of them. Oh, all through my children's lives, they were in financial status difficulties, all kinds of difficulty, tribulations. Oh, today many of my children are so desperate, in affliction, turning against me, saying that I don't hear their prayer requests, that I have forgotten them. I am the same Lord Jesus Christ as I was more than 2,000 years ago. My love for them and my care remains the same for each one of them. My children must comprehend that I just want their salvation and that I never forsake or abandon them. I am with them, even more closely, I hold their hand, I embrace them, I count all their tears, I comfort them saying, "My child, all is going to be well. I am with you. Trust me, your Jesus Christ. I am your friend, your companion. I love you always."

Thank you, my Petal. Relay this message when my children are becoming despondent and are in despair.

My Petal, my Father God is here to converse with you.

Father God

My little lamb, I, your Father, I am here with you.

I missed our conversation. You were very exhausted. Your body was tired, but know, my child, your priority is to sit in conversation with us, the Triune God. This is a great, rare gift from heaven, a privilege to converse with your Creator and your Saviour and with your Breath of Life, the Holy Spirit. My child, even during the day, at any time, you must make time for our conversation. This is a duty while you are in this world.

[Fernanda] *Thank you, my loving Father God. I am sorry if I offended my Creator, my loving Father.*

My little one, you did not offend me, your Father. This is my desire of my heart to sit with you. My Son Jesus Christ, the Holy Spirit and Blessed Mother Mary, we are waiting for you to sit and converse with us. Oh, you do alleviate my Son Jesus Christ's aching heart. We are sharing the light of heaven with you. Know that when you are conversing, your spirit is entwined with us in heaven. You can't see us, but we are sitting with you.

My little one, today my Son Jesus Christ encountered many pains of different injuries, calumny heartache. This world is so in decay. Sometimes you do feel my Son Jesus Christ's aching heart, his pains. He only allows you to feel a tiny seed of his pain for you to remember him and pause, say a little prayer within your heart, thinking for a while of my Son Jesus Christ's passion. You are aware of these pains, but you do keep quiet in the silence of your heart when you feel them as you know to go to a quiet place to pray and meditate upon his passion. You do know it's the time when my people are hurting my Son Jesus' heart with atrocities of this world, deaths, killings, murders, robberies, hurting one another with foul language, cursing, blaspheming my Mother, wars, conflicts. Imagine, my little lamb, how many of my people throughout the world, at every second of the day and night, are sinning without contemplating for a second on my Son Jesus' Sacred Heart. My Son Jesus receives all these kinds of perfidious sinful lives every moment, constantly – they do not even think for a second about their salvation. My Son Jesus Christ sees all their sins while they are committing them. He tries to stop them, making them aware, but to no avail. They turn a deaf ear to the voice of the Holy Spirit within their hearts. This is what my Son Jesus of Nazareth encounters at all times.

My little one, convey this message for my people to be more attentive to the voice of the Holy Spirit in their hearts.

I bless you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father God. I love you with all my heart. My will belongs to your Son Jesus Christ. I am all yours, my Holy Trinity. Amen.*

Jesus Christ
