

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

All blessings and graces come from heaven, yet very few thank God, think of their Saviour or use these gifts to help those in need

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My child Fernanda, I, your Jesus, I thank you for today, for attending my Holy Mass. It pleases me when my children are away from their homes, like you are in your birthplace Madeira, and come to my Holy Mass, seeking me on their holiday. It is a privilege, grace and blessing to be able to come and enjoy, *desfrutar*¹, the blessings given to my children through their hard work during their lives – like you have been blessed by my son and family “Manny” Manuel Baeta and his spouse, and my daughter Alice and my son João “Johnny” with their good hearts to open this door, to help you to come to your birthplace, Madeira Island. Yes, these are all graces, blessings that have been given to you.

Many of my children come to their birthplaces, go overseas to many different countries, having riches, luxuries, in their lives – yes, they can work very hard and are lucky, as they think sometimes – yes, all is very beautiful, but they forget that this is all coming from heaven and has been given to them. There are also [other] graces and blessings that have been given from heaven. How many of them say thank you to the Holy Trinity and Mother Mary for these blessings and [for their] protection? All their gifts of the Holy Spirit and their fortunes come from heaven. Many of them become greedy and they don’t think of the poor, saying that they must work like them if they want money. My children must also think [of the poor]. In this world, not everyone has the same in their lives – some are poor, others rich, and others, medium, not rich, not poor, but they are all my children. I created them. I love them equally. My children who have been blessed must think about the ones less fortunate. They are supposed to help and bless them also, as you are now, my Petal. You are living under my providence. Since you received your rare gift, I blessed my children who have been helping you, for them to bless and help you. I don’t want you to get attached to earthly things – nothing belongs to you, only your will belongs to you, as you have been giving your will to me. Thank you, my Petal. While you live in this world, you are mine, my humble servant to serve me with all your heart. Everything given to you is by my providence.

Today, my daughter _____ took you for lunch with my other children. It was my providence – she has riches, earthly things, which you don’t have. I blessed her, yet she lives in this world of material things. You accepted with love and humility. I know you couldn’t afford the same, but you

¹ Portuguese to English translation: enjoy

are very joyous for what you have and have never been jealous or envious of what my children have in their lives. You have other riches, different riches – it's your will given to me, to serve your Jesus Christ. I thank you, my child.

My Father God is here to converse with you.

Father God

My humble servant, I, your Father God, I am here with you. Thank you, my little one, for today.

My son Charles is away in a far country with his loved ones. He is so happy, emotional. He was praying for a miracle during his visit to Medjugorje and Rome. See, when my people love my Son Jesus Christ and Blessed Mother Mary and they pray and ask, knock, the door shall open. My son Charles has so much love, dedication, to my Son's Holy Mass and to receive my Son Jesus' Precious Body and Blood, that his prayers have been answered. Yes, he prayed for the Alpha and Omega Mission. Know that all the prayers that my people pray and ask with fervour, each prayer has been heard in heaven and taken to the abode of my Son's heart. My son Charles has been blessed with many graces and blessings, but his good heart, his hands are open to the needy, poor. My Son Jesus Christ has given him riches of this world and he has been helping many destitute children, my people whom I created with so much love.

My little lamb, today you had some enjoyment, dance, dancing. This was given to you. You did it with a pure clean heart. Remember, very soon, you will be taken away to serve my Son Jesus Christ. You will be travelling all over the world to proclaim my Son Jesus' holy name. Your voice will be to speak, to proclaim, my Son Jesus' holy name. Your walks will be for my Son Jesus, to go to faraway places. Your feet will go where my Son Jesus Christ needs you to go to teach the ignorant, to help them to know my Son Jesus' love, for my people to come closer to his heart. My little lamb, yes, they will be arduous walks, but they are worth the sacrifice. As you know, my little one, in life there is a sacrifice for everything. Teach these words to my people. Sometimes they don't want to know or understand that this is not heaven. My Son Jesus Christ never promised paradise on earth, only in heaven, and they must know that to enter paradise there is also always a price, a sacrifice, trials, tribulations and hardships which are called the narrow gate. Do not look for the wide gate because then it's not easy to enter heaven, the promised paradise, the Banquet of the Lamb. To be seated in this banquet is too beautiful, it's for eternity and the narrow gate is the way to enter heaven.

I bless you. I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Thank you for the many graces, blessings in my life. I ask forgiveness for the many times I never thanked you, and my loved ones, family, never thanked you, my Father, for so much that has been given to us in our lives, many showerings of blessings and protection that we took for granted. Sua bênção².*

Jesus Christ

My child, my Blessed Mother is here to converse with you.

Mother Mary

My little Andorinha³, I, your Mother, I come to you at this hour.

I want to convey this message at this time of the year where many of my children in different parts of the world are going on holidays, enjoying themselves and forgetting that all the graces come from heaven, from my Son Jesus, the Triune God. They don't pray, they think only about the things of this world. Yes, this is part of their journey in this world, but there is a measurement for everything. It's beautiful to enjoy the fruits of their hard work, their labours, but there is a time, a place, for everything. All has been created by our Father. He is such a merciful, loving Father, but he does not want my children to forget about my Son Jesus – [he wants them] to love him, to respect him, to come to Holy Mass and to receive him. His heart has been pierced in every instant of the day. Very few think about my Son Jesus Christ during the time given to them while they are enjoying the fruits of their hard work or the times of graces and blessings being poured out to them.

My child, Syria and other countries, Turkey also, are in turmoil, with bombs, wars, deaths. Many of my children are not aware of so much suffering and pain, but we here in heaven, we watch and see every movement, heart, thinking of my children. Few alleviate our hearts that are being pieced because of the iniquities, impurities, of their souls, minds and bodies. My child, know how many of my children all over the world are perforating my Son Jesus' Sacred Heart, how many are blaspheming my virginity, calling me indignant names in front of our Father and my Son Jesus Christ, the Holy Spirit – the cries to heaven, the names being said in vain when they're hurting, the sins against the Holy Spirit. Oh, the Holy Trinity feels every word, every [one] of the sins of our children, every *chicotada*⁴, piercing, in their [Sacred] Hearts.

I thank you, my little Andorinha. This is a special time given to you by the Holy Trinity, knowing soon that you will be taken away to serve my Son Jesus Christ. Our little Andorinha will fly to proclaim my Son Jesus Christ – our little "parrot", our messenger, will speak about my Son Jesus Christ's messages to the world. Time is approaching, time is limited, my Petal.

I bless you, your loved ones and all my children. Amen.

[Fernanda] *Thank you, my Blessed Mother Mary, my Triune God. I love you. Sua bênção⁵. My patron saints, angels, archangels, forgotten saints of heaven, my guardian angel St Filipe, St Ana, St Joachim, take care of and protect our grandchildren, great-grandchildren, brothers, sisters-in-law, cousins, nephews, nieces, sons, daughters-in-law, family – guide them, teach them, protect them all, my entire family. I pray for my enemies, bless them all abundantly. Help the poor, the destitute, in need of financial help. I love you all. Sua bênção.*

Jesus Christ

Thank you, my Petal. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
