

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here to converse with you.

My child, thank you for last night, Friday, for the lovely night, for the praise and worship, praying over my children in need of help. The night was dedicated to me and my Mother with beautiful melodies. Thank you to all my children, and Luisa for the marvellous, zealous music, praising me, your Jesus Christ. She sings to us in heaven with all her heart. She is dedicated to me when she prays and sings the melodies with her musical instrument. My Petal, thank you and to my children Alice, Manny and Lily for going and giving yourselves to us in heaven to help and bring relief, healing, in my holy name. These moments are so precious to our hearts.

My child, about my children \_\_\_\_\_ and \_\_\_\_\_: they asked you many questions about the way of living their lives. You, my child, you are right not to judge any of your brothers and sisters in Jesus Christ. My little one, in your heart, you do know the right answer, but you wait for my children to decide the right way. My Petal, I have written in my Holy Bible about marriage and divorce – it's all been written there. There is the truth, only the real truth, about my Ten Commandments. When my children are united in matrimony on their wedding day, their vows are sacred, for eternity, but my children make their own rules, like the "truth" about manmade laws. My children are supposed to be united as one, but I do see, I do understand, the real truth and reason for each case. Yes, they are supposed to be married again [in the Church only if an annulment is granted], otherwise they are not supposed to live in the same *leito*<sup>1</sup>, bed, as a husband and wife. Yes, Confession is very important in cases like these, but I am a compassionate and merciful God. My child, I repeat, I have seen, I do see each one of my children's lives, hearts – there are circumstances for each case. My children must respect my commandments, my teachings, in my holy words.

My child Fernanda, they asked you intriguing questions – they put you to the test, but I hear, I see all in my children's way of thinking. I see their hearts, the reason for each broken marriage. I see the faults, errors, sins committed in their lives, their sins. I repeat again, my children know their wrongdoings. Before there was more respect, fear of the Lord Jesus Christ. I am the truth, the light of each one of my children. Follow my light, my only truth in my Holy Word, the Bible, then you will understand. Yes, you are right: do not condemn or judge your brothers and sisters in Jesus Christ, explain to them about their wrong deeds, correct the ones who are wrong, teach them, but do not

condemn or judge them. When you judge them, know that the same judgement will come to you. My child, my children are saying that if they make this error, then they will never be saved. It's not like this, my child, it all depends on their repentance. A pious child of God can also be condemned to a long period in purgatory or can also go to hell. It all depends on what happens to them in this world. There are also some bad deeds being committed to condemn them. And there are bad children of mine who have committed many sins in their lives, but there is good done according to their good book or repentance at the right time as they are coming to eternal life. This is all a mystery of God that belongs only to God. Teach this to my children. I love each one of them equally. I thirst for their salvation.

### **Father God**

I, your Father God, I am here to converse with you.

My little lamb, I, your Father God, I am here with you. Thank you for last night in helping my people in need of help – the healing took place. These are all good deeds that have been written in the book of the good deeds in letters of gold by us here in heaven. All these good things, or bad, done in your lives... both books are going to be read out in front of my Son Jesus Christ and me, your Father God, when I am seated there to hear all your good and bad, faults, sins committed or done in your entire life. My Son Jesus, he is a loving Lord Jesus Christ and I, your Father God, I am kind-hearted, compassionate Father God, but you, my people, must also do your part for your salvation.

My child Fernanda, about the earthquake: it's very painful, profound pains that my people undergo. My people blame my Son Jesus for everything wrong in this world. Yes, my Son Jesus Christ's hand is coming down. The only thing that can stop my Son Jesus' hand is your prayers, my people. Pray, repent, don't hurt my Son Jesus' Sacred Heart anymore. The Chastisement is near. Oh, my people, they must not ignore this call. Yes, it's me, your Father God, your Creator. I call you constantly, so does my Son Jesus Christ.

[My child], my Son Jesus Christ called you to let you know about the earthquake. You prayed fervently – [your prayers] had a big impact, stopping a much worse disaster from happening. You do know where a bigger disaster is going to happen. Pray, pray, pray – [your prayers] will have a huge impact [for it] not to happen.

I bless you. I give you my peace, my peace I give to you, your loved ones and all my children. Amen.

[Fernanda] *Thank you, my Father God. I love you. Sua bênção*<sup>2</sup>.

### **Mother Mary**

My little one, I, your Mother, I thank you for today.

Yesterday, oh, my youth were in so much pain, prejudice, living in fear, hunger, unforgiveness.

Yes, tonight with all my children, I was also very joyous to see, witness, all of you loving my Son Jesus. Thank you for transmitting our messages to my children. My dear one, there are more [pains],

deeper pains, *terremotos*<sup>3</sup>, earthquakes, because there is so much that my children have to let go of – their own garbage of the past, unforgiveness. It's the same in most families.

My Petal, today you heard your loved one saying about many of their family not talking, speaking, to one another. It is very sad for our hearts. My Andorinha<sup>4</sup>, be obedient to your calling and pray. Your prayers will be a great help.

I thank you, my Petal, I bless you. It's getting late – 3:30 am. My children are resting, but you are here with me, your Mother Mary and the Triune God.

I bless you, your loved ones and all my children. Amen.
