

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here with you.

I thank you for today. It was a lovely day, full of peace, love and joy. My Petal, I, your Jesus, I came to bring you the good news that was promised to you long ago. My child, I, your Jesus Christ, I am allowing you to have this special time with your loved ones, family and friends, especially with my daughter Alice, her spouse and Manny and Lily. This is a precious time chosen by me. I permitted this unique time because soon, you will be in another dimension of diversion of enjoyment. I will take you on a special assignment. I need you, my humble servant, to help me to save many of my children, for them to know me, their Jesus Christ.

My child, it's very sad, painful, to see how my children live their lives. I want you to carry on praying for your birth country Madeira. Yes, many are in a fiercely sinful way of living. My children, they only see diversions. Yes, you were thinking that if it was a talk about Jesus Christ, if you were there or any of my other children, singing, praising me and talking about their salvation, they wouldn't even have a quarter of my children watching these shows. Yes, there is nothing wrong with being joyous, having a singer in a simple way, but if it were for me, my children wouldn't make the sacrifice to go watch or walk long distances for me. I, their Jesus, I am the one who gave them and give them what they need every day. All their possessions, wisdom health etc. belong to me. Oh, it's too hard, too far to walk to church, oh, it's too long an hour to be in church listening to a priest, who is my representative. I am there watching and listening to all of them.

Yes, my child, in this village, St Vincente, all over the Island of Madeira and in many other countries, they celebrate my Mother's feast day and the Blessed Sacrament. I thank my children who come to this festival, celebration. It's very much appreciated.

What I, your Jesus, was saying is about what happened and what you witnessed – my children coming all the way, walking long distances, leaving their transport, cars, very far away, but how many of these, my children, do the same to attend on those special days, attending the celebration inside my holy church to accompany this unique sacrifice of myself for each one of them? I also desire my children to come and sit in front of the Blessed Sacrament. How many of them come to this festival and don't even come inside my church to greet me, to acknowledge me or even to thank me for their graces and blessings of their daily lives? Oh my child, I give all these riches to my children, but they don't see these beautiful gifts [in the] festivals of their Jesus Christ. Yes, I do know

there are many going in processions, walking with me, carrying me and my Blessed Mother on their shoulders on my Blessed Sacrament feast day, *Festa do Senhor*<sup>1</sup>. They made a beautiful *tapete*<sup>2</sup>, carpet, of the most beautiful flowers for me to walk on. It's very beautiful and I do know their sacrifice on bended knees to make a chalice with wheat and many more decorations in perfection. I thank and bless all these, my children, for their love for me. I see each one of their hearts, their joy, to make me feel special as my son priest carries me in the monstrance. Yes, I am not only there, but I do walk with my children in the procession.

My child, my Father God is here to converse with you.

### **Father God**

My little lamb, I, your Father, I thank you for being with me at this hour of the morning. My little Petal, I am here with my Son Jesus Christ.

I am listening to every word said about the feast day. Yes, my Petal, there is so much joy in these festivals, celebrations. It pleases us very much, especially my children remember the tradition of their own village, celebrating my Son Jesus Christ's feast day and his Blessed Mother's. Yes, all this is taken into the abode of my Son Jesus' heart. As my Son Jesus mentioned to you, we are very joyous.

About what my Son Jesus mentioned: it's about going to watch some kinds of films – indecent or malicious ones or watching, listening to a singer – there is nothing wrong in seeing a singer, a beautiful voice, melody, because this is also a gift from God, from the Holy Spirit. All this comes from heaven, but my children, they can walk as you saw them walk from very far, but my youth, my children don't get bored or tired, clapping, dancing for them, supporting them. We do not condemn them and they are not sinning. If it's been done in a loving, affectionate, pure, clean heart, it pleases us in heaven, but calling my children to listen at the same place for a week to my Son Jesus Christ's messengers, visionaries, the Word of God, teaching, talking about their salvation, my people won't even listen to the invitation or accept the Word of the Lord Jesus Christ.

My little lamb, time is running out. You have to proclaim my Son Jesus Christ's messages, our messages. This is a time now for my people to be obedient to their call. My humble servant, these are the signs of this world that my people seek every second of the day.

My Petal, Fernanda, about the bomb in Turkey this week, killing innocent people: this is happening all over the world. My people pass by, listening to the radio, news, watching television, all the modern technology, but they say it is to do with the weather changing or blaming, saying it's the scientists, the astrology or any other apparatus of the sky. No my people, it's nothing to do with these mysteries of the sky. My people must be aware of what is happening around them. It's us in heaven, the Holy Trinity and Mother Mary, the desires of our hearts for my people's salvation. Yes, my Son Jesus Christ thirsts for their salvation.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*<sup>3</sup>. Amen.

## Mother Mary

My little Andorinha<sup>4</sup>, I, your Mother Mary, I am here with you. I thank you for being here at this hour.

I, your Mother, I am in pain, my child, for what is happening in this world. I love my children so much. Our Father is a loving, caring Father God. My Son Jesus is so kind. He has a loving heart, so huge that his children, each one of them, fit inside his heart. The Holy Spirit is loving – he lives within my children since they are born. They just want our children to understand and to comprehend how much the Holy Trinity, each one of them, loves them. When one of their souls are lost and go into damnation of sin for eternity, my children in this world would never know how much they suffer to see them being lost. They, the Holy Trinity and I, their Mother Mary, our hearts are pierced at those moments – a crown of thorns is enthroned in our hearts.

What a joy, happiness, in our hearts when one soul enters heaven. It's a jubilee of glory and praising Jesus. All the multitudes of angels play flutes, trumpets, and sing beautiful melodies. Oh, what a celebration!

My child, as I am saying to you about my heart suffering because the world is going into decay, my church, my priests, they need help. Oh my children, pray for my shepherds. I know, we in heaven know that they are weak and human like any of you – they also fall, but you all, my children, can help them with your prayers. This is my request for each one of you.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Beloved Mother. I love you. Sua bênção. Beijinhos<sup>5</sup>. ♥♥♥♥xxxx. Thank you, my Blessed Mother Mary, my Triune God, my patron saints, St Ana, St Joachim – avós<sup>6</sup> – I love you. Sua bênção. Angels, saints archangels, my guardian angel Filipe, sua bênção. Take care of my grandchildren, great-grandchildren, our sons, daughters-in-law, brothers, sisters-in-law, my entire family, my godchildren. I pray for my enemies.*

## Jesus Christ

Thank you, my daughter. I give you my peace, my peace I give you, to your loved ones and all my children. Amen. I, your Jesus of Nazareth, I love you, my humble servant. Soon you will be on your mission to serve me profoundly.

[Fernanda] *My Jesus, my Lord my God, I love you. I give you my heart, my soul, my body. I give you my will. This is my unique present to you. I don't have any silver, gold or riches. What I have to give you is my will. My spouse, I am all yours to serve you, my Jesus Christ.*

Thank you, my little Petal. Your will is a joy to my heart. Amen.

♥ Our heart from heaven. Amen.
