

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Father God, Jesus Christ, Mother Mary

---

#### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I am here with you. I came to converse. Very soon we are going back to our home, our big nest, *palhinhas*<sup>1</sup>. My child, this is a special time, which has been given to you, to enjoy some parts of this beautiful Island of Madeira, your birthplace. My little one, back to our home: you will encounter some changes, improvements. It's a beautiful home for our mission, your task, Alpha and Omega, but you shall remain with the same simplicity and humbleness as you enjoy our big nest, provided for you, for your mission. Remember, this is part of your mission to remain living there until one day when it's your time to come to eternity. This was given to you by my providence. I blessed my son Charles with abundance, prosperity – he then blesses you through me, your Jesus Christ. You do know and understand that nothing belongs to you. I want you in this world with no earthly things, no possessions. Everything that is placed in your hands you must accept because it's [from] me, your Jesus Christ, your spouse – you are my bride. I am taking care of you. All through the years, your hardships, trials tribulations, the purification of your soul, mind, body and spirit, it was me – I allowed you to go through all of that. I purified you like the blacksmith purifies gold, for you to serve me with all your heart. You belong to me, your Jesus of Nazareth. You will walk long distances to teach my people about my goodness, my love for them, and for their repentance, salvation.

Thank you, my Petal. My Father God is here to converse with you.

#### Father God

My humble servant, my Son Jesus Christ's messenger, I, your Father God, I thank you for the love and joy that you can transmit to my people. Even if you are very sad or concerned, worried, my people don't know about it. You will convert many souls to my Son Jesus' heart.

My little lamb, this world is in turmoil. My Son Jesus' Sacred Heart [is in pain]. As you explained to my daughter \_\_\_\_\_, you can't judge anyone, it's not your place to do that. We are the judge of them. My daughter \_\_\_\_\_ asked you an intriguing question. Do not put your God, your Lord, to the test. You do know exactly, so does my daughter \_\_\_\_\_, what is happening in my people's

lives. My little lamb, my people must know the truth – from the bottom of their hearts, they must follow the Holy Bible. About remarrying in the case of divorce, yes, it's adultery. This is a law of Jesus Christ – yes, they know about this commandment, about being divorced. Yes, they must go to Confession, it's their duty. Confession is a price, a priceless price, for their salvation. They must come to Confession, it's very essential – it's a must for their souls if they come to Confession with an open heart. They must not fear to open their hearts to my son priests, then come to receive me, worthy of me. About divorce: they must respect my Son Jesus' teachings. They must follow my Son Jesus' rules, the teachings. They must be clean of heart and never come to me to receive me unworthy of me. Do not hide your sins in living in a second marriage under false pretences. Come, make sacrifices. But we, my Son Jesus Christ and I, your Father, we do know each one of my own flesh and blood. We do know the truth, the lies, the false pretences, false accusations, false judgements against one another. I am the judge of each one of you, my people. I repeat: it is very fruitful for my people's salvation when they come and do a proper examination of conscience. I repeat my solemn words: come to Confession. Their past sins, past sinful lives, do not matter. I want you to come back to my Son Jesus Christ's Church. I, your Father God and my Son Jesus, we are alive for each one of you. We are merciful and compassionate towards each one of you, my people.

My Son Jesus is an ocean mercy. This year is the year of my Son Jesus' mercy, showering you with many graces and blessings. Come, do not hesitate to receive these blessings, graces, privileges to see how loving we are towards our people. Oh people of Israel, oh people with a little faith, even if you, my children, don't know about this mercy, year of mercy, any groups, religions, tribes are under my umbrella. We never forsake you or abandon you. My people are the ones who go astray from my Son Jesus Christ's heart, from his mercy – our divine mercy love. Even if their sins are so scarlet from any manmade laws, through my Son Jesus' Precious Blood, they are they washed away. We love you, my people. Come, do not lose this opportunity for your salvation. Come to the holy doors of mercy, wash away all your iniquities, your sins. First go to Confession, then pray one Our Father, three Hail Marys, one Creed, then say your petition at the entrance of the holy door, the door of divine mercy. Pray the Divine Mercy Chaplet. Pray for yourself, for your soul, body and spirit to be cleansed, purified, through this year of mercy. You can pray for any intentions, for any of your loved ones, family enemies, for their souls to be saved. It's very powerful for the souls of purgatory and the most abandoned ones. This is a very beautiful act of love. Know that these souls will go to heaven in a short period of time – three days. Pray this without ceasing, my dear people. Make reparation [for] indulgences, plenary indulgences.

I, your Father, I thank you for being obedient to this call. When you pray the Divine Mercy Chaplet, also include this prayer:

---

Father God, have mercy on their souls, save them through your Son Jesus Christ's ocean of mercy for each one of these, your children, and for the souls of purgatory and the most abandoned ones. Amen.

---

Thank you, my little lamb. I bless you, I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my Father God. I love you. Thank you for this prayer, for your immense love towards us, your people. Save us. Sua bênção*<sup>2</sup>.

## **Jesus Christ**

My humble servant, my Mother is waiting to converse with you.

## **Mother Mary**

My little Andorinha<sup>3</sup>, I, your Mother Mary, I am here with you. I love you, my child, for your sense of humour with a pure clean heart.

My child, my Son Jesus Christ allowed you to receive these blessings. This was his plan for you. All this was mapped even before you were born. My little Andorinha, soon you will be back at our huge nest. There is so much work to be done in this world. The time is running out. There is so much war, killings in Syria and many other countries – they are living in a terrible fear of bombing. Turkey is moving towards a terrible shock of slavery, of killings, especially innocent little ones who have been deprived of having their parents, who have been orphaned because of war – the world doesn't know how many of these poor innocent children, little ones. Adults [are] not knowing what happened to their loved ones. In some places in the world they are not free to talk about my Son Jesus Christ – they are killed because of their love from my Son Jesus Christ. It was so in the past, but it's still carrying on more and more, prejudicing the world with the monstrosity of killing and constant bloodshed. My children don't know or see this kind of atrocity – what an open wound for my Son's heart and for me, his Mother Mary!

Oh my little one, you are going to carry a task that will soon surprise the world. Do not be afraid, go forth in my Son Jesus Christ's holy name.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] ♥♥♥♥xxxx Beijinhos<sup>4</sup>. Thank you, my loving Mother Mary. I love you. Sua bênção. Thank you, my Father, the Holy Trinity. St Ana, St Joachim, my patron saints, I love you.
