

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

## Having statues of the Triune God, Mother Mary, angels and saints of heaven is a reminder of them – it's not idolatry

### Jesus Christ, Mother Mary

#### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit – the Holy Trinity – and my Blessed Mother. She is always next to me, her Son Jesus Christ. We are here to converse with you. Thank you for this time that you have made to converse with us. Thank you for being obedient to your call. My child, I do know that your time is limited at this hour to converse with us, as it's time now for you to go home to our big nest. Last night we couldn't converse because you were extremely tired.

My child, it's time for you to be back home to start a new, more profound, episode in your mission. You will be very occupied. A new schedule will begin in your life. I, your Jesus, allowed you this special time to come here. Know, my child, that this is not your last time to come here to your birthplace. Next year, by my grace and providence, you will come back to finish some unfinished business. Also, very soon you will be coming to spread my Holy Word about your mission. My child, you do know your task, *encargo*<sup>1</sup>, how important it is for you to come to this island. Yes, many of my children are tepid, lukewarm souls. Yes, you saw my daughter, my children, yesterday. They don't know much about me, their Jesus. They were almost ignorant as you mentioned my daughter Madre Virgínia and her whereabouts. They are so lost, not knowing how powerful my saints in heaven are, not being in love with me [or] in obedience in their daily lives.

My humble servant, we the Holy Trinity, we converse with you in unison of voice to say thank you for all the love, understanding and the knowledge [shared] about the angels, saints, Mother Mary, the Triune God.

My Petal, you are kneeling down to converse with us. You are sitting in an awkward position because we are not alone. Tonight we can't converse because of how it is in the airplane, but we are with you in every moment of your life. Your heart is unceasingly in love with us. Thank you, my child. I will take you and all my children on a safe, peaceful trip back home.

My little one, I, your Jesus Christ, I will take care of the weight of the suitcases. Do not feel despondent or concerned because you bought the images, statues, of us – the Holy Trinity, Mother Mary and the saints. I thank you for loving our images and statues. They are a reminder of us in heaven. When my children look at the images, their hearts are with us in heaven. Do not be concerned about the criticism of buying them. It was my plan. It's all about us. You didn't buy earthly

things for yourself – your heart desired all these in remembrance of us. I thank you for that. Yes, how many of my children are fanatical about the earthly things, games, watching football, buying expensive earthly things?

Be in my peace, my child. My hands will be on all of you. None of you will encounter problems going and arriving. Thank you, my little Andorinha<sup>2</sup>. My Blessed Mother, she is overwhelmed [with love] for all this. You are like a little child with toys in your hands. You're admiring, praising us, looking at this remembrance, presence, of us. You are not adoring or praying to the images or statues – they're only a reminder of what we look like. Yes, my Mother, she is the most beautiful inside of her heart, and her beautiful face: she is the most beautiful Mother. There are so many pictures, photos, images, of us, the Triune God and my Mother, the saints, the angels. It pleases us seeing and watching the expressions, phrases of love [towards] us. Know, my child, we here in heaven see all of this, but when they blaspheme my Mother, especially her virginity, or use my name in vain, or are not obeying my commandments, using my host that has been blessed by my son priests for satanic work, [using] foul language and [doing] indecent acts against heaven, this is too hurtful to us, the Triune God and Blessed Mother. But [when] my children admire our images that represent what we look like, my children are not adoring idols, but it's a way of knowing us more profoundly. If my children become orphans as a child and they don't have photos of their [family], they don't know what they look like.

I thank you, my child, for this special time in conversation with us, the Highest of Heaven, the Triune God, and Mother Mary, the Mother of your Jesus of Nazareth, your Saviour and the Mother of all my children.

We give our peace, our peace we give you and to all my children. In the name of the Father, the Son and the Holy Spirit. Amen.

### **Mother Mary**

I, your Mother Mary, I bless you and your loved ones and all my children. Amen.

[Fernanda] *Thank you, my Holy Trinity, my Mother Mary. I love you. Sua bênção*<sup>3</sup>.

### **Jesus Christ**

Be in our love and peace, the joy of us in heaven. Amen. I, your Jesus of Nazareth, I bless you all, my children. Amen.
