

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Forgive as Jesus forgives, respect your father even if a sinner, don't cry for the dead and spend your money on doing good, not sorcery

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here to converse with you.

My child, today you and my children Manny, Lily and my little ones Johnathan and Nicole, Alice and Johnny, have arrived safely home. As I said to you, my hand was upon those suitcases – there were no problems at all with weight or with them being opened. Trust me, your Jesus Christ, when I say to you to trust me, that everything is under my control.

I want to thank my son and my daughter Manny and Lily Baeta for their good hearts in taking you again to your birthplace Madeira, for everything they have done for you, my humble servant. I will retribute back in abundance. This was my plan for you to go there. I will continue to bless them abundantly: graces, blessings and protection will follow them and their loved ones every day of their lives.

I also want to thank my daughter Alice and my son John (João), for everything, all the help and graces that they have given you and for helping also in this journey of your life. My plans were mapped even before you were born. I will also bless them for their good hearts. I will bless their loved ones as well, and they will be [under] my protection and my Blessed Mother Mary's.

My child, about my son _____. I know he has done very wrong. I know how you are feeling for this family, their pain. My child, I am the judge of each one of my children. All my children sin, make errors, faults and mistakes – so did Mary Magdalene, but I asked her persecutors, those accusing her with foul language as a sinner, a woman of the street, sleeping with men... you know all about this testimony. My daughter _____, she has taken it very hard. She has forgiven her spouse, but as you do feel in your heart, there is something in this marriage that I also see – some faults. As a husband and wife there is also a way to acknowledge this in unity. I do understand my daughter _____'s concern or punishment – [there are] still some deep thorns in need of being removed. I am very joyous that my daughter has forgiven her spouse and is carrying on with this matrimony, marriage, as I united them. My child, you would never have released to anyone this secret of these, my children. You would have kept quiet, silent, as you have known many of my children's deep secrets ...private message removed..., but you know it would cause havoc. Being a peacemaker pleases me very much. My child, you can't say anything more. You have said it all before to my daughter _____ about how you are feeling in this situation. My son _____ did confess with a contrite heart. I have already forgiven him for this sin. Starting all over again does not bring peace

and joy to this family or to anyone. Pray for this entire family. I will help my son _____ in this situation. My children must learn from their elders, loved ones' examples. I, their Jesus, forgive my children as they come to Confession. They don't have to bring it up again and again because I, their Jesus Christ, when I forgive, I don't go back to their past sins. I don't repeat the same conversation, asking them again and again, reminding them of their faults that have already been confessed. I, your Jesus, I thank you for encouraging my son _____ to be strong. A father does not have to be a criminal in front of his children for this kind of sin, [with his children] putting him to the test. Even if he committed horrendous sins, a father should be respected as their father on earth. Before you take the speck out of your brother's eye, look upon yourself. Pray, pray for this, my precious family, in pain and hurt.

My child, my Father God is here to converse with you.

Father God

My little lamb, I, your Father God, I am here with you. Today you are back in our home, our big nest. Yes, there are a lot of changes in our home, but you will remain the same in your heart, as you do know that this is only a passing by, a temporary home, because your real home that belongs to you is here in heaven for one day when your time is accomplished in this world.

My child Fernanda, yesterday as you came back from this special time in your birthplace Madeira, it was your wedding anniversary – 49 years being celebrated on this date, 02/09/1967. Your heart, your mind, never forgets. Yes, you do remember with joy, good memories, being together as a couple for 22 years, being blessed by us. You carried on with this journey remembering, but never cried or were sad for not being together. Yes, there were times when you missed your spouse, your loved one. Every day of your life you do think about him, but you never went against my Son Jesus Christ for his death. You did cry sometimes, but as the time went by, you let go of your spouse. Yes, there is a time, a place for everything in my people's lives. Your loved one also remembers in heaven, in eternity, watching and remembering this special date.

My daughter, as you are back home, you will proceed with your mission very strongly. The time is almost starting for something very powerful, as you already know the meaning of the sign.

I bless you, I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Eternal Father. I love you. Sua bênção¹.*

Jesus Christ

My Petal, my Father God thanks you and he is aware of what is happening very soon in your life. About your sign – be aware, cautious, but do not be afraid. You are protected by us at that moment and always.

Father God

I bless you, my humble servant, for accepting this immense task, mission, to serve my Son Jesus Christ. Amen.

Jesus Christ

My daughter, my Blessed Mother Mary is waiting for you to converse with you.

Mother Mary

My little Andorinha², I, your Mother, I am here with you. I see you have bought the andorinha, the sculpture, image.

My child, there is big avalanche of water again in your birthplace. I want you to start praying for this cause, but again your loved ones, they will be saved. Pray for all my children there. They need prayers. Oh, my child, as you heard my children talking about, doing *bruxaria*³, *feitiçaria*⁴, witchcraft. There are so many places that are corrupt, malicious and extorting money from innocent children, and they go there with so much confidence and trust in these places, sacrificing animal blood instead of putting their trust in me, their Jesus. Oh what a crime, a sin that my children are committing. You have the prayer against witchcraft. My children are supposed to keep their savings for the bad times, trials, hardships in their daily lives. Oh what an atrocity, extortion of money, robbing them of their possessions. They should use [this money] for good causes, good acts of love, helping the poor, the needy.

I bless you, my children. You are getting tired from the long journey back home. I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Mother, my Holy Trinity. Sua bênção. I love you, my patron saints, my angels, archangels, the saints of heaven, St Ana and St Joachim. Amen.*

Jesus Christ

Thank you, my daughter. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] ♥♥♥♥xxxx *Beijinhos*⁵.

♥ Our heart from heaven. Amen.
