

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

## Sometimes the bad weeds need to be removed out of the soil for the plants to grow and produce good fruits

**Father God, Jesus Christ, Mother Mary**

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I came to relay this message about this, my Alpha and Omega Mission. My child, the enemy will cause any disturbance to cause conflict in my children and bring confusion – that is his aim.

About what happened to my daughter \_\_\_\_\_ – yes, pride, arrogance and vanity are not what I want in my children, especially the ones serving me, their Jesus Christ. I want this Alpha and Omega Mission to progress, to go forward for my honour and glory.

[Fernanda] *Sorry, my loving Jesus Christ, can I ask a question to my loving Jesus? I don't want to hurt or offend my spouse Jesus Christ.*

You may ask, my Petal.

[Fernanda] *Alice, Charles, Kelly and I are going to speak to your daughter \_\_\_\_\_ in a loving way. Is it the right thing to do?*

My little one, thank you for this question. I knew even before you were conceived, born, as I know each one of my children. My humble servant, my children must serve me in humility and humbleness in dealings with their brothers and sisters in Jesus Christ. I don't want anything to corrupt this mission. If any weeds need to be removed from between the soil so as not to corrupt the good plants, in my holy name they shall be removed. Do a cleansing before it's too late and what has been planted is destroyed. Let the plants grow in a better soil to have, to produce, good fruits, good food out of there. Remember, do all in love and in my holy name, Jesus Christ's name. Go, my dear children, clear the pathway. Everything is under my control. I, your Jesus Christ shall stand with you all. Amen.

My child, my Blessed Mother is here to converse with you.

### Mother Mary

My little Andorinha<sup>1</sup>, thank you for today, for being with my elderly children. Oh, they were very happy to see you back there with them. Thank you for praying my Son's Divine Mercy Chaplet.

My little one, I, your Mother, I want peace, love and unity in my children when they are serving my Son Jesus Christ. This is a powerful mission. The enemy will try to corrupt, to intrigue, my children's minds. Be united in prayer and in loving one another. My children come here to this mission seeking healing and to know more profoundly about us here in heaven, about my Son Jesus Christ.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, Mother Mary. I love you. Sua bênção<sup>2</sup>. Beijinhos<sup>3</sup>.*

### **Jesus Christ**

My child, my Father God is here to converse with you.

### **Father God**

My little lamb, I, your Father, I thank you for being here with us.

You knew in your heart that you couldn't stay away from our conversations, our special time together, in unison of communication with the Holy Trinity and Mother Mary.

I, your Father, I heard your prayer as you were coming home in your car when you heard on the radio about my people in discord, disunity, with the government behaving dishonestly, in corruption in this country, about the government in South Africa. But this is also happening in other parts of the world. Pray, my Petal, for good government leaders to lead this country in God's way. Oh, if only the politicians, government leaders, would pray more, be in deep prayer, it would be a better world. My people they are so lost in many ways. My child, the Chastisement is near.

[Fernanda] *My precious loving Father, can I ask something to my Father? I ask pardon, sorry for asking this question.*

My humble servant, you are conversing with Father God. You may ask me, with my permission.

[Fernanda] *My loving Father, when I receive my sign, the stigmata, from Jesus Christ, I will accept it at any time for my Jesus of Nazareth. I am here to serve my Jesus Christ, my Saviour. I give my will to my Jesus Christ every second of the day. My Father, having the stigmata, my brothers and sisters would believe and I would be free to relay my messages, to have the Book of Prayers released without having to fear, for it to be sold or given away in bookshops, for them to buy, otherwise they won't allow us to release it? And my Father, I have to go to the Vatican and give the message to the Holy Pope Francis about the freemasons and to not give Jesus' Precious Body on their hands and to get permission to go forward with the Alpha and Omega Mission? Thank you, my loving Father. I love you. Sua bênção.*

My little meek lamb, I thank you for your sincerity, humbleness, in asking me and for giving your will every second of the day to my Son Jesus Christ. It's very much appreciated by us here in heaven. My child Fernanda, I do know and understand your concern about your mission. Yes, you will receive your sign. Remember, my Son Jesus Christ taught you baby steps, day by day. You are much stronger than you think to receive the stigmata, the sign upon you. Time is running out for my Son Jesus

Without the Holy Trinity, I am nothing in this world. Take me, use me, I am your clay, you are my potter. I am all yours. I belong to you.
