

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.

I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My child, I, your Jesus, I am here to converse with you.

I thank you for today – it was beautiful. The Alpha and Omega prayer group was in peace, love and unity. My child, I want this [group] to be always in love and unity. I don't want any names on the pedestal, in [relation to the] amount of my children's teaching. Each one is a teacher to share their knowledge with each one, as my Apostles did more than 2,000 years ago. I sent them out to teach and to proclaim my holy name. All the Apostles had their own tasks with their own gifts of the Holy Spirit. The scroll was given to each one of them. That was their duty, teaching, but the honour and glory was for me, their Jesus Christ.

Today my children received some healing. Each one of them was seeking me, but they are learning more about seeking me, their Jesus Christ. Each one of you on this Alpha and Omega Mission has been obedient to your call, but I do understand my children's duties to their families – some of them are more vulnerable in giving their time to serve me for my harvest. I have given each one of them a task to carry, but my children must do what they can according to their schedules, their daily lives, family duties. I will do the rest. As you, my humble servant, I have now given you, your hands, more freedom to do my work, to work for my harvest. Now is the time for you to serve me freely without restriction of your loved ones. Yes, my Petal, you also have the duty to sometimes be with your loved ones. I see, my little one, you are dedicated completely to serve me, with your entire will given to me. I waited for you all these years. Yet, all through your life you never stopped helping my children in need of help. Your heart and help was there for them, yet none of my children understand or comprehend your sacrifice during those years. In the silence of your heart, in humbleness, you never said no. On many occasions, your body needed rest, but my little Fernanda was there. My child, I, your Jesus, I have given you this arduous task. You will carry it to the end. You are going to help many of my children with prayers, love, counselling, but I, your Jesus, know that you also have to take care of our messages. You will go forth with this mission.

My little one, I, your Jesus, also permit you to sometimes rest your exhausted body, soul and mind. Yes, I will restore you every day with my love. I will energise you from time to time. You are stronger than what you think. I am your strength, perseverance, courage to carry this task for my Second Coming. Allow a few hours for your body to be restored with my love, in my arms.

Thank you, my child Fernanda, always keep yourself as the small “peasant” as you have always been. Do not worry about having a name in this world, because your name is more important in heaven than on this earth, this world. It pleases me, my little instrument, my channel, when you say in your prayer that you are a tiny instrument for Jesus Christ. The healing comes from Jesus Christ. Know, my Petal, every word said in prayer or in my children’s lives, we hear all of them, and it pleases us here in heaven when my children praise and glorify my holy name in this manner. My ignorant children, they will learn my teachings through my devoted children.

My little one, I, your Jesus, I thank you. My Father God is here to converse with you.

Father God

My little lamb, I, your Father God, I am here to converse with you. I thank you for today.

My little lamb, there is so much happening in this entire world. As you heard my daughter Gail’s conversation, yes there is an epidemic of AIDS that my people are not aware of in this world. She mentioned the other diseases that are killing many of my people. Oh, what a disaster, an epidemic, because my people are not aware of the diseases all over the world.

You also heard of one of my people, a youth, being killed because of crime, a robbery. This happens in every instant of the day in this entire world – rape, molestation and gangsters’ crimes, horrendous crimes, sins, perforating my Son Jesus’ Sacred Heart. My little one, every day you have been feeling a tiny seed of my Son Jesus Christ’s pains. When you feel this sharp pain, come and pray. If the time does not permit it, then just think of my Son Jesus’ passion at 3 pm. Pray, offer those pains to alleviate my Son Jesus Christ’s aching heart because my Son does see every one of my children’s acts, deeds, the good and the bad. This occurs all over the world. My people are going through so much suffering in the secret of their hearts.

Remember how many billions of my people are around the world and every one, each one of them, is loved by us. We are their Creator. We are the Triune God who loves each one of our people – it does not matter which country, race or colour. They are all my creation. There are no divisions or favourites. If only my people would be more forgiving of one another and have no status, power, in their hearts and minds.

My little one, [when you say that] I, your Father, I am your “boss”, I don’t like this word. I am your Father, your Creator, the Highest of Heaven. In this world, I am your Father, not “boss”, but your instructor, your provider, your providence with my Son Jesus Christ, your Triune God, your life, your guidance of heaven and earth. You are under our umbrella. Nothing belongs to you – all these earthly things that you will leave on this earth. Your task, your mission, your work, your will, that is the only thing you will bring to us here in heaven.

My little lamb Fernanda, you will serve my Son Jesus for his Second Coming. Time is near, is running out. My people, they ignore these, my solemn words. Time will tell very soon. Oh, the clock, the hands, they are not there anymore. The tick-tock stopped a long time [ago], but the prayers, the Rosaries, of some of my devoted people have been the solution for more time for my Son Jesus Christ, [for the delay in the] Chastisement. Pray the prayer for more time for the world¹.

I bless you, I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*².

Jesus Christ

My Petal, my Blessed Mother is here to converse with you.

Mother Mary

My little Andorinha³, I, your Mother Mary, I came to say thank you.

Today, eleven of my adult children made their First Confessions and First Holy Communions, for the first time [receiving] my Son Jesus in their hearts. My children were full of joy, as one said, she received a “PhD” – yes, that is how she was feeling in her heart. What a gift from my Son Jesus Christ himself in their hearts, but my children, they don’t appreciate this present from my Son Jesus Christ to them. My Son Jesus is also very joyous because my adult children have now been Baptised and made their Confessions and First Holy Communions. It’s a great, joyous time in heaven also, because my Son Jesus enters in this temple that has been cleansed, purified, from any original sin. This is a grace, blessings from heaven.

My little Fernanda, I, your Mother, I thank you for your time with my children. You are in need of rest. Tonight you will have a beautiful earlier time to be in our *palhinhas*⁴.
