

ALPHA+OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Only priests should be giving Holy Communion in Holy Mass and opening the doors of tabernacles

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus Christ, I am here with you. I thank you for today, for attending my Holy Mass and for receiving me in your heart.

Today, you and my children Manuel and Josefina were talking about receiving me unworthy of me and how some of my children are given my Precious Body and Blood. Yes, my child, in the past it was only my son priests who gave Holy Communion. My children must know that my desire is for only my son priests to give my Precious Body and Blood, only with the exception sometimes for my ministers of the Eucharist to go to my elderly, sick children. Also, only in an exception, sometimes, my children giving my Precious Body and Blood should be in a complete state of grace. But, I repeat, my desire is for only my son priests [to give Communion] as in the beginning of times. Also, only my son priests should take my Body to the Blessed Sacrament. But around this entire world, in many of my churches, this does not occur. My heart pounces, trembles, in pain when my children approach my tabernacle. As they open the door of my tabernacle, I suffer when my children don't respect by genuflecting properly. The door of my tabernacle should be opened by my son priests but instead, my children, they are allowed to open and close at any time. I do know when my children approach me with proper dignity. Yes, some of my children give out my Precious Body to my children who are not well prepared or taught how, the code of conduct, the code of dressing in the proper manner, decently dressed. Oh, my children, they don't know how to come to me. They are supposed to know all this. Even reading my Holy Word during my Holy Mass, they should be presentable, decently, properly dressed with respect.

My children, this is me, your Jesus Christ, relaying this, my message, to be transmitted to my son priests. Yes, my son priests, my Church, the holy pope, they should be aware of this, my desire. Yes, my child, I do understand how you are feeling at this moment: that my children don't acknowledge this, my message, as you relay and teach them about this, but soon, time will come when my children will understand that these are my wishes. Pray for this intention.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here with you. I thank you for your time dedicated to my people, your help of being in this mission to pray, to listen and give your time for them for their most aching

hearts. My child, about these, my people, who passed away, they come to eternal life, as you, my people, understand. I have been giving you the reason, the purpose about my people's time to come back home to my house, the Father's house, because each one of my people, they all come back to me, their Father. Yes, there are so many coming back every second of the day. My little lamb, my people, they are crying for many years. Yes, there is a season for every pain but also there is a time to dance, a time to laugh and to be happy. If my people would use their tears of long years and turn them into prayers and pray for their souls, it would be for a better use on the souls.

I bless you, your loved ones and all my people. I give you my peace, my peace I give you and your loved ones. Amen.

[Fernanda] *Thank you my loving Father. I love you. Sua bênção*¹.

Jesus Christ

My child, my Blessed Mother Mary, she is here to converse with you.

Mother Mary

My little Andorinha², time is running out for these, my, our, messages to be divulged to the world, these messages being given to you. It's not about your name but it's all about my Son Jesus' honour and glory. My children, they ignore these, our messages. Degrees, universities, diplomas and certificates do not matter to my Son Jesus Christ. To relay our messages to the world, my Son Jesus can choose simple, humble children to be his messengers, to bring my children, the lost flock, sheep, back to my Son Jesus' Sacred Heart. The reason, purpose, is to convey before it's too late that my children need to know the importance of the salvation of their souls. My children must be humble in simplicity to convey our messages, to be servants, instruments and channels of my Son Jesus. Oh, my children must not look for status or graduation, richness, in their lives. Humbleness is my Son's priority for my children to be his apostles, messengers, visionaries, to bring the souls in need of salvation.

I bless you, your loved ones and all my children. Amen. Thank you my child for responding to my call. Amen.
