

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Masses in homes and consecrations to Jesus and Mary's hearts bring many graces, so do prayers and Confessions for non-Catholics

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I your Jesus, I am here with you.

Thank you for today, for the beautiful fruitful day, with Holy Mass and the Enthronement¹ of the Alpha and Omega foundation house in Buccleuch. This was very pleasing to my heart, and it was necessary to be done very urgently. Thank you for being obedient to the Holy Spirit, for the initiative to do this special Mass.

I was very joyous, so was my Blessed Mother, to consecrate this home to my Sacred Heart and my Mother's Immaculate Heart. When a Mass is celebrated at any house, I will concede many graces and blessings to this family, especially the Enthronement – it is very powerful in my children's homes. Tell my children they must celebrate Holy Mass at their homes and consecrate themselves to my Sacred Heart and to the Immaculate Heart of Mary. My children, they are ignorant of these special celebrations.

I thank my devoted son priest, Father Colin Bowes, for celebrating this Mass and the Consecration, for hearing my children's Confessions – especially the ones who are astray from my heart. And these, my children, they are learning the catechism and are praying the Rosary and Divine Mercy Chaplets. Yes, even if they are not Catholic yet, it does please me when they come to Confession in front of my son priests. I am there present with my son priests. I do understand the implications of the catechism of the Catholic Church. Yes, there is no harm in my children coming to confess their sins. It is more useful for their souls if they come to eternal life than not being in Confession all their lives. I am the one who absolves my children in Confessions.

When I died on the cross I did not choose any of my children, I had no exceptions or any kind of differences: I am the truth and the light of the world. I am their salvation, all who are burdened must come to me and I will alleviate them. My love is sufficient to receive them in my heart if they open their hearts to me. What I want is for my children to come to me. I am waiting with open arms. Come, my lost sheep, my flock: I wait for each one of you, any time. I am a very patient Lord Jesus Christ. I am your salvation. You are all mine. Don't run away or ignore this, your salvation. Thank you my dear children.

My daughter, my Father God, he is here to converse with you.

Father God

My little Petal, I, your Father God, I am here to converse with you. I thank you for being here with me. You had a long day, going to help your brothers and sisters in Jesus Christ. These, my people, have being involved in an accident: thank you for explaining to them about the blessings at the healing Mass. Yes, they did receive protection.

The enemy tries to invade my people's lives, to cause some chaos and doubt, and to keep them away from my Son's Church, from his heart, with his evil tricks in confusion. Yes, if only my people would comprehend the way that my Son Jesus operates in their daily lives. My people, they are so absorbed in their daily chores. They are so preoccupied they don't see how my Son works within them. Yes, my Son Jesus brings them to the right path through another way, as my people don't want to see what is best for them. If my people would follow my Son Jesus' footprints they would never be lost, but my Son Jesus gives my people their free will. Yes, many times my Son Jesus and the Holy Spirit guide them to their destination, but my people then take the wrong road. Yes, their guardian angels have been entrusted to them since they were born, and the Holy Spirit is their Breath of Life within them. My people must just call them in every instant in their lives, to protect and guide them on their crossroads. My little lamb, you are always alert and prompt to help my people in need of help. I thank you for this beautiful act of love.

I thank my son Charles Pritchard for this beautiful, amazing work done for the destitute, the poor, the underprivileged, my people. I thank him, so does the Holy Trinity and Mother Mary for all of his effort and perseverance as the abundance and prosperity has been coming to his hand, his loved ones'. He shares, *repartir*² and is helping in this superb Alpha and Omega Mission. The graces and blessings will flow from heaven in abundance upon him and his loved ones.

Yes, my humble servant, I, your Father God, my Son Jesus Christ and the Holy Spirit, we are well aware of everything that has been done in this foundation home. My devoted, dedicated son Kelly, his heart is also full of love and compassion in helping these, my people, in need of help. Yes, we see how he goes to the extreme, out of his way, to help, to fetch, to catch the lost sheep, flock. Oh, these, my people, they are lost, but now they are found. This is the joy of heaven. So is my dedicated hard worker, my daughter Regina "Gina" in conducting this *rebanho*³ of this entire household. I thank her for being in the midst of these, my lost sheep. All the rewards, certificates and merits are here in heaven, not on earth.

I thank all of these, my dedicated, powerful people doing the work for my Son Jesus' honour and glory. I will be with them, the Triune God, and Mother Mary will cover them all with her Virginal Mantle. My people, live a life of simplicity, be attentive to your calling and hear the voice of the Holy Spirit in your hearts. Amen.

I give you my peace, my peace I give you, your loved ones and all of my people. Amen.

[Fernanda] *Thank you my unique, loving Father God, my Father, my Creator, my Jesus Christ, my companion. I thank you for sending your Son Jesus to this world, to save us from Gehenna, but most of your people, they don't appreciate your love, destined to be our salvation. Thank you Father, Abba. I love you Papa. Amen.*

Jesus Christ

My daughter, my Blessed Mother Mary, she is here to converse with you.

Mother Mary

My little Fernanda. I, your Mother Mary, I am here with you. I am here in gratitude and appreciation for all the arduous work being done upon these, my lost children, being in so many kinds of addiction, and their faith being restored through my son Charles Pritchard's loving, kind heart – and for all the team of this home, the foundation home, being created by the grace of God, being given to my son, Charles Pritchard. This is what we appreciate here in heaven: the heart of gold. Oh, many conversions will take place in this mission. The foundation home will spread and expand more and more in time to come to other parts of the world. With my Son Jesus Christ, nothing is impossible, and prayers of the heart move mountains and the hardened hearts.

Yes, my child, there is an immensity of sacrifice, but without love and sacrifice there is no paradise one day in heaven. All is going to be retributed for all of these, my children prayer warriors, frontline warriors, for my Son Jesus Christ. My children must keep praying for this mission, Alpha and Omega, and for the success of this foundation home. Pray for good guidance, unity, peace and love amongst one another.

I thank you, my dear children. I bless you, your loved ones and all of my children. Thank you for responding to my call. Amen.
