

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Our sins today inflict worse pains on Jesus than at his crucifixion – repent while time permits, come to Confession and pray the Rosary

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I your Jesus, I am very joyous for your obedience tonight to convey our messages to my children at this Life in the Spirit Seminar. Thank you for relaying our messages.

I was with you, so was my Father God, the Holy Spirit and my Blessed Mother Mary. The Holy Spirit was very strong with you as you were reading out to my children about Confession and about my pains, which many of my children don't believe that I, your Jesus Christ, still endure today, every second of the day. My children, they say that I suffered on my Via Dolorosa carrying the cross, that I was crucified and my pains ended there, more than 2,000 years ago.

My children must know of the sins of this world. There is so much is happening in this world: war, conflicts, killings, unforgiveness, hatred, enviousness and jealousy against one another, malice, vengeance, inheritances owed to one another as they come to eternity, not forgiving one another, crimes, countries at war, bombs planted all over the world, killing my innocent children, murders in my holy places, pornography, indecent acts of sexuality, blasphemy, blaspheming my Mother's virginity, using my Precious Body from my Holy Altar – being blessed by my Son priests – to do acts of Satanism to perforate my Sacred Heart, martyrs being killed because of my holy name, robberies and killings of innocent people. My dear children, lies, hatred, false accusations against one another, putting some of my children's names in the mud with foul language, lies upon lies, unforgiveness as my children come to eternal life, going to places to cause bodily harm [witchcraft] and causing them to fall into illness, sickness, perfidious language and many more sins.

My dear children, these are some of sins in this world that cause my pains – and there are many more. My Sacred Heart is pierced. I have said many times that I had a crown of thorns upon my Sacred Head but my pierced heart is in so much pain – worse than the crown of my Sacred Head. Yes, a crown of thorns has been placed on my heart, and my Mother's Immaculate Heart is also pierced with the same pains.

Yes, I paid my price upon the cross, but today, after 2,000 years of suffering horrific pains, my Mother appears to her visionaries and her words are always the same, "My children, don't offend anymore my Son Jesus Christ's Sacred Heart that has been offended profusely because of the sins of this world, the sinners." My children, my Mother asks constantly, "Pray, pray the Rosary. Pray as a family because the enemy destroys everything to gain souls."

Why does my Mother Mary plea and cry Tears of Blood? Because her Immaculate Heart and my Sacred Heart are pierced because of all of these perfidious sinners, broken marriages, families in disunity, quarrels, not talking to one another, hatred and unforgiveness. All of these hurt me and my Mother, and when my children come to eternity with all of this garbage, unconfessed sins and no repentance in their hearts, to face the face of God the Father, and God the Son Jesus Christ with the black book with many sins, oh, my pains at that moment are very painful. But my children continue in this world, ignoring these, our messages, which have been divulged all over the world from my messengers and my Mother's visionaries.

My Mother appears in many different places all over the world. It was and it is for the same reason: my pains, to pray the Rosary, repent, Confession, love one another, pray for conversions and "my Son Jesus' heart is suffering intense pains". All of these messages are all about the same thing "Come to my Son's heart". My aim is to save my children. I bleed for the salvation of souls.

My Petal, relay this message for my children to comprehend, to know that they must pray for their salvation and for all of the sinners. This way they can alleviate my Sacred Heart.

My Petal, my Father God is here to converse with you.

Father God

My little lamb, I, your Father God, I am here with you. We missed our conversation. Oh, you were exhausted. Thank you for your time given to my people in need of help. Thank you for relaying our messages to my people. Many of my children came to Confession. Yes, I was joyous to see them all coming and doing the reconciliations. Many of them haven't been to Confession for many long years. This is of a great help for their salvation.

My little lamb, you are coming closer to start your mission in going to many places to relay, to teach, my people as you did yesterday. See, my little lamb, your grammar is improving as my Son Jesus Christ provided the right teacher, doctor, to help in this, our Alpha and Omega mission¹.

See, my little one, everything that my Son Jesus promised you has been placed in your hands. My Son Jesus' solemn words never turn away from his promise. He has chosen you in his Mother's womb to serve him, to be his messenger, to help him in his harvest. My Son Jesus Christ took you in his arms, he then allowed you to crawl, to walk baby steps. He waited for you all of these long years – 59². He pruned you, he purified you like a blacksmith purifies gold. You underwent an arduous purification throughout your entire life for you to become strong, to be his humble servant. You took your purification, trials and hardships – your wins and failures – with dignity and you never questioned my Son Jesus, "Why this, why me?" All was taken into your heart with love, forgiveness and humility, a smile at all times, even when your heart was bleeding with trials and pains. I thank you, my little lamb, for your acceptance of this Alpha and Omega mission, for your will being given to my Son, Jesus Christ.

When my people give my Son Jesus their will, it's the most beautiful present that they can offer my Son Jesus of Nazareth, my Only Begotten Son that I, your Father God, gave to world for their salvation, yet very few appreciate this, my gift to my people. This is a Father's love for his children. Yes, my heart also cried to see my Son Jesus' excruciating pains for all of you, which is why I ask you all, my people, don't hurt my Son Jesus' aching heart anymore because of your horrendous sins. I am a merciful Father God to each one of you, my people, but the sacrifice of my Son Jesus that he

underwent, I cannot permit this kind of atrocity for much longer. My wrath... to see my Son Jesus going through this every second of the day.

My people, believe in these, my solemn words of a Father who loves you with the same love I share with my Son Jesus. Repent while there is still time: stop your sinful lives. My Son Jesus' Second Coming is near. The Chastisement is also near unless my people amend their sins and come on bended knees with a contrite heart. My people, do not ignore this, my call, to save you from Gehenna. I, your Father, love you but there is also a limit upon your sins. Time is running out.

My humble servant, my Son's messenger, she has been chosen for this cause, she is an instrument in my Son Jesus' holy name. It's not about her, but about my Son Jesus' aim, desire, to save you all. She must be obedient to her call, to her task.

I thank you, my people, I love you all. My Son Jesus' and my love for you my dear children, there is no measurement, it is an ocean of love and mercy. Come and drink this ocean of love. I give you my peace, my peace I give you, your loved ones and all of my people. Amen.

[Fernanda] *Thank you my unique Father God, I don't have enough words to thank you for these graces and blessings bestowed upon me, your simple, humble servant. Oh, my Father, I am all yours and my Jesus Christ's. I belong to you, my will belongs to Jesus, my Saviour. I am sorry for my ingratitude and of my loved ones, my family and all of your people. I love you with all of my heart. Sua bênção³ Pai⁴.*

Jesus Christ

Thank you my petal for all of your love, gratitude and appreciation towards us here in heaven. My Blessed Mother Mary, she is here to converse with you.

Mother Mary

My little one, I, your Mother Mary, I am here with you. I was listening to our Father and my Son Jesus Christ's dialogue about our messages. My child, I was also with you. I was embracing you. I enfolded you with my Virginal Mantle, to protect you as you carry on your mission.

This is the beginning of many more to come. You will go to many different places, churches, presenting our messages, divulging these messages to the entire world to help to bring the lost astray sheep that have been scattered, in need of being recollected, into my Son Jesus' heart. These, my lost sheep, need to be found. Some of them were in my Son Jesus' heart, but then they went astray. They are searching for my Son's love, but sometimes the enemy uses his evil tricks to persuade them to go in a different dimension, direction, against my Son Jesus' teachings.

Yes, my Petal, my children must understand, when one lamb, one sheep, is lost, my Son Jesus' heart bleeds for his lost sheep to come back where he belongs – in his heart. It's like one of my little ones being lost from their parents – they are crying and searching for them in panic. So my Son Jesus feels for his lost child, his little sheep.

Do you comprehend my Son Jesus' aching heart? When his lost sheep come back to my Son Jesus' heart, he is so joyous to converse, to be with him and then for one day to be seated in the kingdom of heaven – then his pain on Calvary was not in vain. My children must understand that my Son Jesus
