

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

## Marriage at Jesus' altar on earth is also bound in heaven for all eternity: repent of adultery and sin no more

22/03/2017

### Father God, Mother Mary

*This is message to a married man and a woman who were having an affair. Their names have been removed for privacy.*

---

### Father God

My little lamb, I, your Father God, I thank you for helping my son \_\_\_\_\_ to see the light. He is at a crossroads at the moment. He has been blinded by the enemy and was lured into doing the wrong things, breaking my Son Jesus' Ten Commandments. My son \_\_\_\_\_ must follow my Son Jesus' teachings. I love my son \_\_\_\_\_ with the same love as my Son Jesus Christ. I am a merciful God towards my people, my creation, but I am also a God of order. I allowed my Son Jesus to die with so much pain that my children will never comprehend. Yes, I did. I do love my Son Jesus to the extreme, but my Son Jesus, he is love. As my son \_\_\_\_\_ says the "love" word, he must understand, my Son Jesus is the only true and faithful love. I detest sin: that is why I allowed my Son to suffer to carry all of your sins. Repent and confess with a contrite heart and sin no more.

My Son Jesus encountered Maria Magdalena. She was judged and condemned to death. As my Son Jesus arrived there, they were trying to stone her to death. My Son Jesus told each one of them, the people, "The one here who doesn't have sin must throw the first stone at her," and then one by one they left and Maria Magdalena was left alone with my Son Jesus. Then my Son Jesus relayed to her, "Your sins are forgiven: go and sin no more." My people must understand my Son Jesus' solemn words "sin no more". That means, if she carried sin, the same sins again, the punishment would take place.

My son \_\_\_\_\_, I am your Father God. You are my son whom I created in my own image. I do know your turbulences, your crossroads in your heart. I am a merciful and compassionate God the Father. I love you. My Son Jesus' love is an ocean of mercy, but the same words my Son Jesus said to Maria Magdalena apply. It's the same for you and for all of my people, without exception. Know my child, my mercy and my Son Jesus' mercy also have a limit for each one of my people. Love, love, fall in love with my Son Jesus' heart. His love is faithful, his love endures for ever. His love never fails his children.

My son \_\_\_\_\_, what my children bind on earth will be bound in heaven. When my children are united at my Son's altar, they are united in heaven for all eternity. Adultery is a sin that heaven cries for. Live a life with faithfulness and sincerity, set the example for your loved ones. When my children come to eternal life, what counts is what they can present to my Son Jesus to bring in front of my throne. Yes, my children are judged according to the two books.

Oh, my Son Jesus: his sacrifice was to save each one of my children. Don't let the enemy rob you of what belongs to you. He is so sly in luring my people into sin, like Adam and Eve. St Joseph and Mother Mary were an example to my Son Jesus Christ. My son \_\_\_\_\_, don't let your soul be condemned with false pretences, false promises. This is me, your Father God, your Creator. In life there is always a price, a sacrifice. My Son Jesus paid his price for the love of you and all of his children. Pray to the Holy Spirit, he is your guidance. The truth will prevail one day in heaven. This life is only a passing-by, a temporary one, a lesson for the promise of eternal life, the kingdom of heaven, which is for all eternity.

This is your Father God. I came to relay a message of my love, the only true love, and my concern, as well as your concern, is the well-being of our sons, our children on earth, your loved ones whom I lent to you to take care of. One day you also will come back to me, to the Father's house.

I give you my peace, my peace I give you, your loved ones and all of my people. Amen. I come to relay this message through my Son Jesus' humble servant, messenger. Amen.

My child Fernanda, relay this message to my son \_\_\_\_\_ and to all of my people.

[Fernanda] *Thank you my loving Father God. I love you. Sua bênção<sup>1</sup>.*

### **Jesus Christ**

My child, my Blessed Mother Mary, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>2</sup>, I, your Mother Mary, I am here to converse with you, to transmit this, my message of my love and concern, to my daughter \_\_\_\_\_. My little Petal, I, your Mother Mary, I am here to convey this message. My children are falling in love so many times in their lives. Yes, my Son Jesus, he is love, but it's a love that never hurts, a sincere, true love that my children should fall into, his love.

My daughter \_\_\_\_\_, my child, I, your Mother Mary, I desire each one of my children to be seated one day in the kingdom of heaven. My child, I have seen your trials and hardships in the course of your life, but all of this is part of my children's purification in this world. My child, I, your Mother Mary, I am here to convey this message.

My Son, Jesus Christ and his Father God, your Creator, also your Father: their love is a perfect sweet fragrance – true love. My child, I, your Mother, I love you and all of my children. I don't have favourites. My role is to pray, to intercede at the foot of the cross for my children. Then my Son Jesus goes to his Father to ask for mercy and compassion for these children, but they are judged according to their deeds. Yes, there is a black book and a book with the good deeds, to be read out in front of our Father God in his throne. And also, my dear child, there is heaven, purgatory and hell.

Do not let the enemy lure you with the wrong perspectives, to confuse you with his lies and evil tricks. Listen to the voice of the Holy Spirit. He will never take you on the wrong path. My child, come to my Son's true love, his heart is waiting for you to love him. His love is a flame of love. Oh, my precious child, adultery is against heaven. Pray for the right spouse, like St Joseph, a free love. The enemy, he destroys my children's peace, joy and happiness. His aim is to destroy families and

<sup>1</sup> Portuguese to English translation: Your blessing

<sup>2</sup> Portuguese to English translation: Swallow

marriages. Do not be accountable for breaking up a marriage, a family. Do not let the enemy confuse you with the wrong deeds.

My Son Jesus is full of compassionate love and forgiveness. My Son Jesus said to Maria Magdalena, "Your sins are forgiven, go and sin no more." That means, my Son Jesus has forgiven, but she must not commit the same sin again. As they tried to stone her, my Son Jesus Christ said to the people that the one who is without sin must be the first to throw the first stone. This is the teaching in the Bible, the living word of Jesus Christ.

My daughter \_\_\_\_\_, I desire for you to pray the holy Rosary. It is the strongest weapon against the enemy's evil tricks and traps. I, your Mother Mary, I will wrap you with my Virginal Mantle. You are not alone. My Son Jesus never forsakes you or abandons you. Be firm and courageous: faithfulness, simplicity and forgiveness are the key words.

Pray to the Holy Spirit to guide you, to help you, to say no in times of temptations, to obey my Son's Ten Commandments. Don't come one day to eternal life with this sin in the Book of Heaven.

My Son Jesus' aim as he died on the cross was to save you and all of his children. His love for you and for his children has no measure. It's an ocean of love. Oh, my child, don't let this love and mercy be taken away for earthly things of this world. My Son Jesus sees everything and hears every word being whispered. My children can lie and can hide all their sins, faults and errors from the world, but not from heaven. Here, the Triune God – the Father, the Son and the Holy Spirit: they are the Three-in-one Persons inseparable – and I, Mother Mary, I am always next to my Son Jesus. I cry tears of blood when my children turn a deaf ear to my Son Jesus' call for his children to repent and amend all their errors, faults and mistakes, to come to Confession with repentance and a contrite heart, and to receive my Son Jesus worthy of him. When my children confess and amend their past sins the Black Book of Heaven is all clear and the sins no longer appear in the book.

This is me, the Mother of your loving Jesus Christ. I bless you, your loved ones and all of my children. Thank you for responding to my call. Amen.

Thank you my child Fernanda. Relay this message to my children.
