

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Teach your children about the enemy, pray daily for their protection and trust God – all prayers are answered in Jesus' way and time

24/03/2017

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My child, I, your Jesus Christ, I am here with you.

I thank you for today, for the lovely, fruitful day. I thank each one of my children for being here at my Mother, Tabernacle of the Most High¹, to converse with me, your Jesus Christ. My children sacrificed themselves to come all this way, kilometres afar from their home, waking up very early. I will bless each one of them and their loved ones and families who stayed behind. My Precious children come here from different areas to seek healing of different kinds: healing of the body, soul, mind and spirit. Also, they come to plea, to intercede for their loved ones, for their conversions. Some of them have been astray from me, their Jesus, from my Church, or have illness, infirmities and sickness. Oh, each one of them comes here to ask me and my Mother something, but each prayer – sigh, tear, aloud or from their hearts – is answered. Each one in their own time.

I never leave my children's prayers unanswered, but if my children don't receive them in their own time, they doubt me, their Jesus Christ. My children must comprehend that my time in heaven is not their time on earth. If I don't answer their prayer requests in their time, they doubt me, their Jesus, saying, "I have been praying all this time and Jesus doesn't hear my prayer." No, my children, I do hear each one of your prayers, but sometimes I wait to present them to you on a silver tray. Oh, but you, my children, don't see me doing this, like St Thomas: he wouldn't believe that I had resurrected unless he saw for himself, unless he put his finger on my side. My children are the same today.

Trust and believe in me, your Jesus Christ. I answer your prayers, as I see sometimes that you need them. But sometimes, I, your Jesus, I know what is best for you – if that prayer is not for your benefit, I use that prayer for something better or useful to you or for your loved ones and family, or even for strangers in need of help because there is no one praying for them or they don't know me, their Jesus Christ, their Saviour. Yes, my children, this is the mystery of God that only belongs to God.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, thank you for your time to sit here in my Son's church, Mother Tabernacle of the Most High. Oh my little one, you chose a place here in my Son's church, beneath Mother Tabernacle

¹ Ngome Marian Shrine, KwaZulu Natal, South Africa.

of the Most High's statue. Oh, what a beautiful place to converse with us. My little one, you have chosen a perfect place, a table, where they display my Son Jesus Christ's Body and Blood for the celebration of my Son's Holy Mass, where after Holy Communion, they clean and use this table to prepare for my Son's Holy Mass, and also after the Consecration where my son priest consecrates the host and wine into real flesh and blood, the Body and Blood of my Son Jesus Christ. See, my child, all was well prepared for you to sit here with us for our conversation. This was not by coincidence, it was my Son Jesus' plans. Oh, you needed this tranquillity and peace to converse with us. My little lamb, Mother, Tabernacle of the Most High, she overlooks upon you as she is standing from the top, looking down at you as you are conversing with us.

Today my people are searching and looking for answers for their difficulties, illnesses, financial stresses, businesses in disarray, broken marriages on the brink separation. My Son Jesus does want marriages to be like this, especially the ones that are growing more and more in my love, yet they, my people, still live on past issues. Let go of the bad past, recollect the broken pieces, pray and put them together as a perfect puzzle. Don't seek unnecessary arguments. I am a loving Father. I am so compassionate in dealings with my children. Broken families and marriages always displease me because I see my beautiful couples allowing the enemy to take control of their lives because of some disagreements about petty things. It intensely hurts my Son Jesus Christ when my people have unnecessary disapprovals in front of my innocent little ones: then they are torn between their loved ones.

My people must know that protection comes from my Son Jesus Christ, Mother Mary and the angels and saints of heaven. They are protecting my devoted children, my people. My little ones are protected when their loved ones and family pray for protection. As I have said to you before, pray the [Armour of God](#) (Ephesians 6) and the [Creed](#), [Our Father](#), [Hail Mary](#), [Glory Be](#), [Memorare](#), [St Michael the Archangel Prayer](#) and bless yourselves with holy water. My little ones are protected by these prayers.

My little ones cannot live their entire lives in a cocoon. They have to be taught, yes, about the dangers of the enemy throughout the world. Like my Son Jesus Christ: when he was twelve years old, he went on his own, he was lost for three days, but he was already doing my work. Mother Mary and St Joseph couldn't stop him going out as a young child, but they had to trust him and help him to grow to be a strong, courageous and persevering child. My youth need to be taught about the dangers of the world in a loving manner. Yes, they will learn to discern the right from the wrong. The parents must pray for their little ones, for the gift of discernment from the Holy Spirit, to guide them and to be their light at their crossroads. My children must teach and trust, trust my Son Jesus, and teach their little ones to do the same. Fear and worry for them about tomorrow, about encountering dangers, are not from God. They must surrender their little ones at the foot of the cross. My Son receives their prayers and their pleas. When my people ask my Son, the Triune God, for protection, Mother Mary wraps each one of them in her Virginal Mantle, especially the little ones.

My people, teach my little ones and my youth to pray all of these prayers. This is the promise of Mother Mary to protect them. This is me, your Father God, who came to relay this message to you all. The parents, grandparents and great-grandparents must entrust these, my little ones and the youth, to us, the Triune God, and to Mother Mary, Tabernacle of the Most High. My Son in return will be very joyous to listen to their prayers as my people sing, "Suffer the little children, let them come unto me."

I give you my peace, my peace I give you, your little ones, loved ones and all of my people. Amen.

[Fernanda] *Thank you my loving Father. I love you. My loved ones and all, my entire family, belong to you, Father God, and to Jesus Christ. Sua bênção*².

Jesus Christ

Thank you my Petal, Father God, he is here with me and Mother Mary.

Mother Mary

My little one, Fernanda, I, your Mother Mary, Tabernacle of the Most High, I thank you, my little Andorinha³. You are conversing with me. Our Father, he is also here at this moment to reaffirm that you are on a special assignment to serve my Son Jesus' Church, to work for his harvest.

My child, we are alone at my Son Jesus' church: what a peaceful place to converse with me, your Mother Mary. My Petal, this is a privilege to be in front of my Son Jesus' Blessed Sacrament. Yes, my Son Jesus' Body and Blood are hidden in the closed doors of the tabernacle, but he is here, present, alive.

My Son Jesus, he is so joyous because he says that you have a proper place, site, to converse with us. My child, I said that my Son Jesus is alive here for you. He is sitting next to you. You will receive a special sign here. All that has been said and promised will be placed on you, your hands will flourish and you will be going to faraway places to teach, to speak about my Son Jesus' holy words, our messages. Oh my child, you are looking at me. Yes, don't doubt, I am here with you.

This is a special time, given by God the Father, God the Son, Jesus Christ and the Holy Spirit. Amen.

I bless you, your loved ones and all of my children. Amen. Thank you for responding to my call. Amen. Amen. Amen.
