

ALPHA+OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

Thank you, my daughter, for sitting to converse with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you.

I am the risen Lord. Truly I am risen from the dead. I am your Saviour, Jesus Christ. I came to save all the sinners. I want them to be seated at the Banquet of Heaven if my children allow me to enter their hearts. I am your sovereign Lord Jesus Christ. I am joyous to be with you.

Rejoice! Rejoice! Alleluia! Alleluia! Alleluia! The Son of God has resurrected from the dead to come and bring salvation. My lost sheep, my flock need to be gathered in the *feixe*<sup>1</sup> of my love. Come my precious children! How I thirsted for your salvation while I was in agony for three hours upon the cross. I was thirsty and they gave me vinegar and hyssop, but my thirst was for your salvation.

My dear children, I am joyous to be with you after my death. I came to bring upon you the light of the world. Don't let the enemy lure you out of this light, your salvation, the price that I paid for your sins upon my shoulders.

I, your, Jesus Christ, I am with you as I was on the Mount of Olives and on Via Dolorosa during my crucifixion. I saw each one of you. I saw the lukewarm, tepid souls that caused me so much pain.

I, risen from the dead, I want my resurrection to bring back to my heart these souls that caused me so much pain and anguish. My dear children, don't let go of me, your Jesus Christ. Many of you during this Lent did dedicate to me, your Jesus Christ, some sacrifice. I saw on you so much love towards me, your Jesus Christ. You were closer to me during this Lent: don't lose the grip of my hand. All these little sacrifices were seen by me and my Father. We wrote these good deeds in the Book of Heaven. Don't waste these precious moments by looking now in a different direction. Focus on me, your truly risen Lord Jesus Christ. Amen.

My child, my Father God, he is here to converse with you.

### Father God

My child, Fernanda, I, your Father God, I am here at this hour – earlier than usual – but today all over the world, in heaven also, it is a big celebration, a banquet full of my saints, angels and archangels of heaven. All of heaven trembled: the earthquake was seen and heard, the thunder was inexplicable

to my people, the soldiers, the many people, the multitude, the crowds were in the streets, still perplexed, numbed, without understanding the meaning of all of this that was happening there in heaven as my Son Jesus Christ expired on the cross, his last breath, where he said, “Abba Father, why have you forsaken me?” He expired, but also, my Son Jesus, he was seeing the tepid lukewarm souls: that was also a great immensity of pain, knowing, foreseeing this kind of lukewarmness that was also taking place, and to see his pains being in vain.

Today, alleluia, heaven rejoices! Alleluia! The Son of Man, the King of the Jews has risen from the dead! Salvation comes to the world today – my accomplishment to entrust my Son Jesus this task of so much pain and suffering. Yes, my Son, during those forty days, fasting and in prayer, saw all the excruciating pains that he would undergo. He didn’t hesitate to accept them. His love for you is an extreme ocean of mercy.

Rejoice! Today your Saviour Jesus Christ is truly risen from the dead. The tomb: the stone is taken away from the door of the tomb. Glory be to God, glory be to the Son of the living God! He has risen! He is alive! He is the redeemer of your sins.

My Son Jesus paid a huge price, which is being taken for granted. He is love. He is Lord. He is King. He is your friend. He is your brother. He is your saviour. Love him, respect him with all your hearts. Amen.

I give you my peace, my peace I give you, your loved ones and all my children, my people. Amen.

[Fernanda] *Thank you my loving Father for your immense love towards us, your children. Your heart sank in pain to see your Only Begotten Son going through all those excruciating pains for the love of us. I thank you. My gratitude, my appreciation: I don’t have enough words to thank you. Amen. Sua bênção<sup>2</sup>. I love you, your humble servant. Amen*

### **Jesus Christ**

My child, my Father God, my Holy Spirit, and I, your Jesus Christ, we are in unison of voices. We are here with you. My Mother, our Lady of Sorrows, has been with me, her Son Jesus Christ. Today, at this hour, my Mother rejoices in heaven, “Glory be to the Father, to the Son Jesus Christ and the Holy Spirit. Amen.”

### **Mother Mary**

My little Andorinha<sup>3</sup>, I, your Mother, I am here to convey to you: rejoice in the Lord Jesus Christ. Rejoice! Rejoice! Alleluia! Jesus Christ has risen from the dead! The rolling stone of the door has been removed and my Son Jesus Christ, he is not there anymore. Oh, my people, my children, they went to look for Jesus of Nazareth, but he is not there anymore. He is alive. He truly is risen from the dead. My Son Jesus brings new light and new life for his children: salvation.

My daughter, the words again: rejoice, rejoice in the Lord Jesus Christ. He is not dead. He is alive. Believe and trust. St Thomas didn’t believe. Unless he put his finger where my Son Jesus was pierced with the lance, and blood and water gushed forth from the side of my Son Jesus Christ, then he would believe. Don’t be like him. Strive to know more profoundly about my Son Jesus Christ. Don’t let the flame of my Son Jesus Christ extinguish. Let the fire, the light of his resurrection continue to live and burn forever and ever. Amen.

I, your Mother of many titles, I am here with you all to convey to you that my Son Jesus' excruciating, horrific pains are far beyond your comprehension. But the love, the fire of his love is alive, the same today as when he rose from his tomb.

Oh, my child, there is so much to be accomplished. My children must not give up. My Son never gives up on his children, not even in his pains during those torments was he saying, "I can't carry it anymore." He just persevered till the end. Oh, what an example he has set for us. The captives have been set free from all the shackles, chains, bondages, ropes in my children's lives.

I thank you my child. I will transmit a message about the release of the souls of purgatory. I bless you, your loved ones and all my children. Thank you for responding to my call. Amen

[Fernanda] *Thank you my beautiful Mother of my Saviour and all of your children. I love you. Thank you Mother for walking with your Son and your eyes meeting without saying a word. Only, your heart was pierced, you were trembling, you were crying tears of blood, but as you met your Son, your eyes were saying, "Courage Son, it has to be." Oh, dear Mother, I thank you for all these horrific pains. You knew it had to be for our salvation. Dear Mother, I will always be grateful for this act of love towards us, your children, whom you love with the same love as your Son Jesus Christ. Amen. Sua bênção my Mother Mary, beijinhos<sup>4</sup> ♥♥♥♥xxxx. Thank you my Holy Trinity. I love you, sua bênção. Thank you my Jesus of Nazareth. Thank you for this grace, given to each one of us, your children, for our salvation. Help us to continue, to be in your grace, that we never forget your sacrifice for our salvation. Amen.*
