

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

At the instant of conception, a child is born, not a “piece of blood” to abort and, in life, always forgive and be humble

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you my daughter Fernanda for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My child, I, your Jesus Christ, I am here with you. I thank you for this special time in conversation with me, your Jesus Christ. My child, my Father God, he is here with me. As you do know, we are the Triune God, we are inseparable. My Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here. As my Son Jesus said to you, we are inseparable, and many of my people are ignorant about this. My little lamb, I, your Father, I thank you for teaching my people about us, the Triune God. As you are praying, you bless yourselves three times saying, “Glory be to the Father, to the Son and to the Holy Spirit¹ [1]. Amen.” This is a very powerful prayer, even when prayed alone in this way it protects and helps when in most in need of help or any time, any occasion, when my people bless themselves in this way, or also saying, “In the name of the Father, the Son and the Holy Spirit. Amen.” My people are calling us to be with them.

The Triune God or the Holy Trinity, we are the Three-in-One Persons Inseparable. We rescue them, my people, from any dangers or help them in times of need. How many of my people when going to bed or waking up don't bless themselves or say thank you for the day, for the graces, the blessings received, or even thanking us for their trials and hardships.

Yes, my precious people, my children, thank your God, your Lord Jesus Christ in good times and bad times. Sometimes the trials and tribulations in your lives are a blessing without your knowledge. When the sea is rough, then comes the calmness, the *bonança*² in their lives. It's the same when my people are going through the rough times, the trials and hardships, I am always with them. That is when I carry them upon my shoulders like my little lambs.

I, your Father, I am a loving Father. I love you all with all my heart, but you, my dear little ones, when you are in trials and hardships, you are astray from my love, from my Son's ocean of mercy. Come my people, my little lambs, time is running out. Don't waste time with mediocrities of injustices against one another or enviousness, jealousy and unforgiveness. These are some of the sins that

¹ Portuguese to English translation: Referring to the full Glory Be prayer: “Glory be to the Father and to the Son and to the Holy Spirit, as it was in the beginning is now, and ever shall be, world without end. Amen.”

² Portuguese to English translation: calm

heaven cries for you, my people, if you come one day to eternal life with them in your hearts, if you don't repent or amend your errors and faults while there is time on earth.

I bless you, I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my loving Father. I love you with all my heart. Amen.*

Jesus Christ

My child, my Blessed Mother Mary, she is here to converse with you.

Mother Mary

My little Fernanda, I, your Mother, I am here with you. My child, there is a prejudice in this world, there is a crime being committed every second of the day. I, your Mother Mary, come at this hour to converse with you, to appease my heart, my Son's Sacred Heart.

My hands are full of blood. Do you know how many babies, foetuses, I pick up every second of the day? Do you know how my heart is pierced in conjunction with my Son's Sacred Heart? The pain as I bring these little foetuses, babies, to the garden in heaven, to place them there... These, my little ones, they are created by Father God, my Son Jesus Christ and the Holy Spirit, he is their Breath of Life since these little foetuses are conceived in their mothers' wombs. They are Father God's creation. They are souls, spirits, even if they are conceived that day: already they are children of God. But my children say, "Oh, it's only blood." Oh no, my children, the moment they are conceived, they have life already. It's a child, not a piece of blood. Oh, my children, then they are aborted: these little children. It's a killing. Oh, what a mortal sin. It's one of the darkest sins that heaven cries for. If my children repent and confess with a contrite heart to my son priests in Confession, then this sin can be forgiven, and in the Book of Heaven it is cleared for when my children come to eternal life to be judged by the Father God on his throne with my Son Jesus Christ. Oh, my dear children, my Son Jesus and Father God, they are a compassionate and merciful God, but you, my children, have to repent and not commit this sin again, or other sins.

I, your Mother Mary, I thank you for receiving this message in your heart. Spread this message to your brothers and sisters in Jesus Christ to help them to see all of these sins with clarity, not to be committed again, to save as many souls as possible. Amen.

I bless you, your loved one and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you my adorable Mother. I love you, I adore your Son Jesus, my Saviour, my spouse.*

Jesus Christ

My child Fernanda, I, your Jesus Christ, I thank you for today, and my daughter Alice in praying and counselling my son _____ with his emotions, confusion, disturbance at his crossroads at this time in his life.

Oh, about his divorce, yes, he is in conflict with his spouse. Yes, I do understand his and his spouse's pain, but it is the time now that these my children – and my other children, who are many at this time all over the world, with the same issues in their marriages – would sit and solve their differences in their marriages with calmness, understanding and patience, instead of solving in quarrelsomeness, fighting, who is right and who is wrong.

Yes, my children in discord in their marriages, they don't see themselves, that both of them are right and wrong. Yes, there are some in more stubbornness, pride, arrogance, vanity and unforgiveness: they don't want to be the first to be humble. Oh, and my children can go on in their past issues. Oh, my dear children, the past is already gone. Leave the past issues and start the new day afresh. If my children, both of them, decide on this example there will be less divorces in their lives.

Oh, my dear children, remember, what God united, no man can destroy, break. What you bind on earth by God at the altar of God, it will be bound in heaven for all eternity. Oh, my dear children, be humble towards one another in your marriages. Don't let the enemy destroy your beautiful lives. Yes, in every marriage there are happy days, sad days, trials and hardships. You can hold each other's hands and pray together as a family, and as you pray the Our Father very slowly, meditate on the words, "Forgive us our trespasses as we forgive those who trespass against us." These are beautiful, sincere, strong, powerful words from my Father God. How can my Father forgive you in heaven when you come to eternal life if you don't forgive all whom hurt you and your enemies? This is the question that my Father God will ask you, my children.

Oh, my heart pounces, trembles, when my Father God judges my people in front of me, Jesus Christ, and my children come to heaven with all their sins, never pardoning their brother and sisters in Christ, their loved ones.

I, your Jesus, I thank you for absorbing this, my message and for accepting, amending all your faults, errors, sins.

[Fernanda] *Thank you my Jesus, I love you. Sua bênção³. My Holy Trinity, sua bênção. My Blessed Mother, sua bênção. St Ana, St Joachim, sua bênção. My patron saints, sua bênção. My archangels, saints and angels of heaven, my guardian angel St Filipe, Holy Family of Nazareth: take care of the married couples, my loved ones and family, our grandchildren, great grandchildren, nieces, nephews, cousins, brothers, sister and sisters-in-law, our sons and daughters-in-law. Please my Holy Trinity, Mother Mary, all these saints and angels, archangels: keep them safe, protect them all, also my godchildren, keep them under your umbrella of love, protection, peace, unity, abundance and prosperity in their daily lives. Amen. ♥♥♥♥xxxx Beijinhos⁴.*

Thank you my child, I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] *I also pray for this entire world, for the poor, the hungry, for the conversions of sinners, for peace in South Africa and all over the world. Amen. I pray for my enemies. I bless them abundantly. Amen.*

Thank you my child, I bless you.
