

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

#### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to converse with you.

My child, thank you for today. You have been absorbed in my love, my peace. Today you rested. You needed that. I allowed you to rest all morning. My child, thank you for sitting with me today in front of my Blessed Sacrament. You need to be with me, just absorbed in my love. I have given that special time for you to receive my peace.

My child, your heart was aching, but my child, after my Holy Mass, you were very joyous – I gave that to you during my Holy Mass. My son priest Fr Charbel, his homily, it was soothing your heart. Those words were given to you by me, your Jesus Christ, "To be a servant of God is not an easy task."

About Mother Mary's Assumption to heaven: you do know about that, as my Mother said to you before. My Mother has given you a message about her Assumption into heaven. Yes, my children, they don't want to know about this message that comes from my Mother, conveyed to you, but in time they will understand. As you at the moment have been persecuted and my son Charles and all in the Alpha and Omega Mission are being persecuted because of my holy name.

My child, I heard your prayer, your desire to be humble and accept the persecutions in humility as you did before. My child, I know your heart. You are not angry or unforgiving towards your persecutors. You are simply only hurt, because you have a task upon your shoulders that you now have to accomplish to serve me, your Jesus Christ. Time will tell, very soon, that you have been chosen for this mission. It's not your choice: you are only obedient to your call. My child, my Father God, he is here to conclude our conversation.

#### Father God

My little lamb, I, your Father God, I have seen your aching heart, your sadness in not being able to explain to my people that you are only an instrument, a channel, to carry a mission.

This is me, your Father God. Remember, as you were reading the Holy Bible today about the Apostles being obedient to carry their duties and how my Son Jesus Christ was teaching them and the Pharisees at that time. These persecutions of those who serve my Son Jesus Christ existed more

than 2,000 years ago, but they accomplished their missions. Even the saints were persecuted in trials. These saints were in an intense fire of persecutions: most of them died as martyrs for the sake of their love for my Son Jesus Christ.

As my son priest today was conveying in his homily, Mother Mary suffered tremendous pains, trials and tribulations as they discovered she was pregnant, without a husband. Imagine her pains! She knew the reason but she couldn't say anything before the time. She waited patiently for the birth of my Son Jesus Christ. St Joseph also underwent a lot of pain before the angel came in a dream and told him about Mother Mary, how she was going to give birth. He suffered pain, but he wanted to protect Mary from her death: she was going to be persecuted, stoned to death.

See, my little Fernanda, this is all part of your task. Be strong and courageous. I am with you, the Triune God and Mother Mary. Do not be afraid. I saw your tears in the silence of your heart. You are stronger than you or my people think. The purifications of your trials and hardships have been your strength for you to carry this persecution – and my Son Charles Pritchard. All has been taken care of by my Son Jesus Christ. Today you heard the homily of my Son's Mass. Bless your persecutors. Pray for them. I, your Father, will be the judge of all my people. All has been written in the Book of Heaven. Amen.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my unique, ultimate Father God. I love you. You are my Father, my Creator. I thank you for everything in my life. Sua bênção<sup>1</sup>.*

My child, my Blessed Mother Mary, she is here to converse with you.

### **Mother Mary**

My little one, I, your Mother Mary, I thank you for today.

Today at my Son Jesus' Holy Mass they celebrated my Feast Day, the Assumption of Mother Mary to heaven. Yes, before, my Son's Church used to commemorate, celebrate, the Assumption of Mother Mary to Heaven, it was a holy day. But in today's times, everything has changed. In heaven it is still a special, holy day in celebration.

As my son priest was explaining about me, Mother Mary, I was obedient to my call. He said I could have said no to our Father God's desires. Father God has chosen me to be the Mother of his Only Begotten Son, Jesus Christ. I could have said no to my call, but our Father chose me for a purpose, and each one of you, my children. This is an example for you, my child, that you have been chosen by my Son Jesus Christ for this Alpha and Omega Mission, so has my son Charles Pritchard and all of this entire prayer team that belongs to this mission. Each one of them, they have a special task to accomplish. They have been obedient to their call. As I, you Mother Mary said yes to our Father God, all my children, they have their own mission. Envy does not belong to the kingdom of heaven.

Oh my dear children, I underwent gossip and foul language even before they knew the real truth, but St Joseph, being at my side, even he was also hurt, but he was also chosen for this special task, also to protect me from persecutions. He was obedient to his call. When he was in turmoil of his heart, the angel appeared to him in a dream and then revealed all to him, "Do not be afraid Joseph. Mary, she will give birth to a Son, the Saviour of the world. Mary conceived her child through the

power of the Holy Spirit.” Imagine the anguish, pain, of Joseph before he knew the truth? But he was determined. He wanted to protect Mary from persecutions of the town of Nazareth.

My child, I, your Mother Mary, I am with you and with this, our Alpha and Omega Mission, for the honour and glory of my Son Jesus Christ. Let my Son Jesus with our Father God be the judge. Persevere in humility: that pleases heaven very much.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you my querida Mãe<sup>2</sup>. I love you, sua bênção. Thank you my Holy Trinity and the angels, saints, archangels of heaven. I love you all. Sua bênção, ♥♥♥♥, xxxx, beijinhos<sup>3</sup>.*
