

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

God explains that abortions, suicides and satanic rituals occur every second of the day, and the eternal consequences thereof

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and Blessed Mother Mary. My little one, I, your Jesus, I am here with you.

Thank you for the lovely peaceful day at the Women in Christ meeting. Thank you for the lovely enthusiasm of this beautiful group. You visited my children, your brothers and sisters in Jesus Christ, Nelita and their loved ones with their bundle of joy, the baby of the creation of the Triune God, the perfection that my Father God created in his own image – and how many of my children abort these innocent little ones, not allowing them to have a choice of life? How many of these beautiful creations of my Father are aborted? Some of these innocent babies could have been some of my son priests, bishops, cardinals and pope, nuns, doctors, in government to govern countries, lay people etc. to work for my harvest, my servants. Oh, my child, what a severe sin against heaven! If only my children who committed these sins of abortion would confess in Confession with a contrite heart, then these sins would be forgiven and their Book of Heaven would be clear as they come to eternal life to face the Face of God.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father God, I am here to converse with you. I thank you for sitting with me, your Father, earlier than the usual time. You are not falling asleep. My little lamb, we missed our conversation yesterday, but my little one, you were standing all day with my children from our Alpha and Omega Mission, praying, counselling my children in need of help, different kinds of healing.

My child, my daughter _____ committed suicide and there are so many every second of the day in the same condition. These, my people, they are in need of help, spiritual and mental help. Pray every day, every hour as you or my people would pray the Rosary, Divine Mercy Chaplet or even a prayer from the heart for my people falling into this kind of illness. The prayer can be said in this manner¹...

¹ For the conversation surrounding this prayer, see "[God explains that abortions, suicides and satanic rituals occur every second of the day, and the eternal consequences thereof](#)" (17/03/2018) in "Conversations" on www.alpha-omega.org.za.

Oh, my Jesus, my Holy Trinity, Mother Mary, send your angels, archangels, saints of heaven to intercede for your people, your children at this moment, hour or during this day, as they are contemplating or going through thoughts of committing suicide or abortion. I pray for these, your children. Have mercy on them. Stop them, my Holy Trinity and Mother Mary.

With your prayers, these simple words, or any words from your heart, can help these, my people, in time.

My child Fernanda, I do know how your heart is pouncing. You want to know about these, my people's salvation. Oh, my dear children, my own flesh and blood, when they commit suicide, they come to eternity and they have to be in purgatory for their purification in eternity until their time is completed, as they were supposed to still be in this world, as their time would be accomplished in this world.

My people question this many times: are they are saved if they commit suicide? Oh, this is a mystery of God and belongs only to God, but we are the judge of each one of my people. Many times my people, at that moment, their hearts and minds are with us, and only us here in heaven, we know each one of them at that precise moment, if they are asking us for forgiveness. It all depends on their state of grace, how they have been and they are at that fateful moment.

Oh, my dear people, pray for this cause, for my children to wait for their time to be accomplished in this world, for their time to come to eternal life.

My child, Fernanda, I allow you to relay this message to my people. Amen.

Jesus Christ

My child, my Blessed Mother Mary, she is here to converse with you.

Mother Mary

My little one, I, your Mother Mary, I am here with you. Thank you for this hour, for conversing with me, your Mother Mary. Oh, my little one, I am with my Immaculate Heart, suffering, in pain as I witness my children, my youth falling into the abyss because of Satanism. This cult is destroying my children. This is all over the world, but also here in this country [South Africa], spreading more and more without my children's knowledge. These are very dangerous dark sins upon my children who fall into the prey of the enemy's *artimanhas*², attacks. Oh, they blaspheme my virginity! They use foul language, indecent acts against heaven and they use my Son Jesus' Precious Body and Blood. When the hosts are consecrated during my Son Jesus' Holy Mass, my Son Jesus' Precious Body is alive, present in the host, and these, my children of this satanic cult, are performing the most disgusting, horrific malice, which hurts my Son Jesus, the Sacred Heart of Jesus and my Immaculate Heart of Mary. They are perforating our hearts with these kinds of sins. Oh, how this cult uses my innocent children, for them to lose their souls for eternity! Very few repent and transform their sinful lives into a better life, but many of them, they are trapped there, not knowing how to set themselves free of this prey of the enemy in luring my children to fall into this cult.

I bless you, your loved ones and all my children. Amen.
