

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

#### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here with you.

Thank you for today, for attending my Holy Mass for the Enthronement of the Sacred Heart of Jesus and Immaculate Heart of Mary at my children Teddy and Michelle and my little one's home. My child, this was very beautiful and appropriated at this time, as the enemy lures my children to destroy marriages and families. I thank my children Teddy and Michelle for this act of love, and for the gifts of the holy Rosary to all my children. My children, they always get gifts at this time, earthly presents, but a rosary is a [heavenly] gift that my children present to my children, and also, my child, the lunch made with love for all this entire family. This is all abundance from heaven. And the Holy Mass that was celebrated, and the Enthronement before the lunch, the meal, it was a beautiful presentation. This is an example to all my children to consecrate, Enthronement, their homes for protection and the good of their souls.

My child, today you came home earlier. You had the time to converse with my daughter \_\_\_\_\_, to encourage her to have faith, courage and perseverance. Thank you for the beautiful message that you posted on this modern technology about forgiving and praying for your enemies. As you told her, I, Jesus Christ, I didn't defend myself upon the cross, I didn't curse or retaliate against my enemies. You told her to pray for her enemies as I asked my Father to forgive my enemies. Oh my daughter \_\_\_\_\_, she is going through excruciating pain, and so are her loved ones, little ones. I do know each one of my children's aches and pains. I do know who is right or wrong – all is written in the Book of Heaven, the Book of Life. Oh, these my children, her loved ones, who cause so much pain, her spouse, this is horrific. My child Fernanda, you must pray for these, my children, in so much *frívolo*<sup>1</sup>, so much greediness of money, hatred, not giving what belongs to his loved one, spouse. Oh divorce causes so much hatred and anger. I do know all about this, my children in pain, suffering. She must pray for their change of hearts. Oh, these souls need to be saved. I will help my daughter \_\_\_\_\_ and her loved ones, daughters, to be reunited to her. This kind of malice in my children's daily lives is very peculiar for their souls, for their salvation.

My child, my Father God, he is here to converse with you.

<sup>1</sup> Portuguese to English translation: frivolous, thoughtless, superficial

My little lamb, I, your Father God, I am here to converse with you. My little one, today as you heard, your heart trembled at the site of these, my children, wanting to come to another country – America – to have a better life, a better living for their loved ones, and they don't have this opportunity because of the border being closed or because of other motives. Yes my child, there is so much mercy and compassion needed upon my people's hearts, as in eternity – there is place, space, for each one of my people when their time is accomplished in this world. My Son Jesus never closed any door in eternity for my children to enter. My little lamb, pray for these refugees who are in await for a place to stay, live. My Son Jesus Christ, he will always provide for the ones in need. Yes, in this world, this life, there is always a price, a sacrifice to pay, as my Son Jesus also paid his price as he accepted that price for the purpose of your salvation. My Son, he also could have closed that door. He could have said no, but he opened that door for each one of your salvation. In my house, the Father's house, there is enough room, room for each one of my people. So too in this world, it is the same.

I bless you all. I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my Almighty Father God. I thank you for this love, care, for thinking about my salvation and also all your people's. Your love and mercy is incomprehensible to us. No [other] father would allow his Only Begotten Son to die for me or [any] other of your people. I love you. Sua bênção<sup>2</sup>.*

Thank you, my child, my Blessed Virgin Mother, she is here to converse with you.

### **Mother Mary**

My little one, I, your Mother Mary, I am here with you. I am very joyous for my children Teddy and Michelle, for doing the Consecration, Enthronement, of their home to my Son Jesus' Sacred Heart and my Immaculate Heart of Mary.

Oh, I was there in the Enthronement of the Sacred Heart of Jesus, and my Son Jesus, our Father, the Holy Spirit, the Holy Trinity. Oh, angels were there, surrounding all of you, my children. Some saints, St Margaret Mary, were also there. Oh my child, there was peace and love amongst all of you.

I thank my son priest Father Barney McAleer for the special words of wisdom and knowledge, explaining all about the meaning of the Holy Mass, the meaning of the Enthronement. My child, my children must also do an Enthronement of the Holy Bible at my children's homes. My little Andorinha<sup>3</sup>, soon I will give you the prayer for the Enthronement of the Holy Bible at their homes. My children need to be taught all of this because the enemy, he is destroying families and marriages without my children's control.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you my beautiful Mother. I love you. Thank you for helping me and guiding me at all instants of my life with your Son Jesus Christ and the Holy Spirit with all his gifts placed upon me. Sua bênção. ♥♥♥♥ xxxx Beijinhos<sup>4</sup>.*
